Project Updates
Major Project Update
Santa Ana College
Dunlap Hall Renovation

Project Summary:
• Renovate and replace the aging guard rails around the pedestrian walkways on all levels of Dunlap Hall, as well as, providing a new elevator and stair tower.
• Remodel the existing restrooms.

Current Status:
• Plans approved by the Division of State Architect.
• Pending bid utilizing Lease-Leaseback construction delivery method.
• The work is expected to begin in March of 2014 with target completion expected in June 2015.

Budget:
• $14.2 million
• Under review.
• Pending further funding and budget modification.
Project Summary:
• Construction of the Central Plant in 3 phases.
• It includes a new central cooling plant, underground chilled water piping loop as well as upgrading existing site gas and domestic water piping system, sewer, drainage and fire water systems.
• It will also include HVAC system conversion for 8 existing buildings to be connected to the new Central Cooling Plant and a new campus wide energy management system (EMS).
• The central plant building will be designed to achieve LEED Silver accreditation.

Current Status:
• Project is in design.
• First phase of the work is expected to begin in September 2014.

Budget:
• $68.1 million
• Under review.
• Pending further funding and budget modifications.
Project Summary:
• Renovate the Johnson building to better utilize the space available and repurpose the space to support the new program requirements established by the master plan.
• The old bookstore annex will be torn down due to seismic safety issues.
• New elevators will be added to increase accessibility for students and faculty. Measure E funds supported the programming phase. The construction will be funded by Measure Q.

Current Status:
• Programming is complete.
• Pending start of design phase in October 2014.
• Target construction start is May 2016.

Budget:
• $16.7 million
• Under review.
Project Summary:
• Construction of a new 63,100 square foot science and math complex housing modern laboratories, classrooms, lecture halls, and faculty offices.

Current Status:
• The project is in the planning stages.
• Pending start of programming phase in June 2014.
• Target construction phase start June 2017.

Budget:
• $66 million
• Under review.
Project Summary:
• Construction of a 55,138 square feet facility to allow for the consolidation and growth of the Health Sciences Programs including Nursing, Occupational Therapy Assistant, Medical Assistant, Emergency Medical Technician and Pharmacy Technology.

Current Status:
• This project has been submitted to the state for future funding.
• Design and construction start to be determined.

Budget:
• $50 million
• Under review.
Project Summary:
• Construction of parking lot.

Current Status:
• Design to begin March 2014.
• Construction to begin in November 2014.
• Acquisition of land was funded from Measure E.
• Design and construction to be funded from Measure Q.

Budget:
• $1.7 million
