CONFERENCE REQUEST CLAIM (CRC)

Process

When do I use this form?

Use the CRC to request travel for attendance at meetings, workshops, conferences, trainings or conventions or seminars that are within the scope of your job assignment. It is also used for travel for student activities and/or with student groups.

Do I need to complete a Conference Request Claim (CRC) for all travel?

Yes. AR7400 requires that a CRC be completed before attendance at any event.

Who approves travel requests?

The CRC must be approved by the appropriate Administrator/Manager and by the Chancellor, Vice Chancellor, or President before travel. All travel outside the U.S. must be approved by the Chancellor.

Do I have to complete a CRC if I will not incur any travel expense?

Yes. A CRC must be completed as travel must be approved in advance. The appropriate Administrator/Manager should keep the signed CRC on file.

Can I just go to a conference and then get the CRC approved by my supervisor after the event?

No. AR 7400 requires prior authorization before attendance at any event.

Where can I get this form?

The CRC form is posted on the Employee Intranet, under Fiscal Services Department Forms. https://rsccd.edu/Departments/Fiscal-Services/Documents/FISCAL_FORMS/Conference_Fillable.pdf

I only want to claim mileage and parking because there is no cost to attend the conference/seminar. Do I use the CRC form or Mileage Reimbursement Claim form?

If only mileage and parking will be claimed, the employee should use the Mileage Reimbursement Claim Form. If other travel-related expenses will be incurred, the employee should use the CRC form and include the mileage reimbursement and parking expense on the CRC form.

Can I submit a CRC for multiple employees on one form since I will be paying for the registration and hotel on their behalf?

No. Each employee attending a conference/event must submit their own CRC estimating the expenditures and noting the dates of travel to be approved by their respective supervisor.

How do I know what accounts to use? How much can I charge to each account when it is split between projects?

The level of funding and funding sources for each trip should be determined in advance of departure. Please consult your department to obtain the accounts and the specific dollar amounts to be charged to each account then list this in the CRC.

How do I fill out the CRC?

Quick Steps:

- Complete the top section and Part I before travel. Part I is used to document the approval of estimated travel expenses and authorization to travel before your trip. Route the CRC form for approval to the appropriate administrator/manager, and then to the Chancellor, Vice Chancellor, or President. After securing proper approvals, hold on to the CRC. You will be submitting the CRC with original signatures and back-up documentation when you return from travel.

How will I know if my conference request (Part I) has been approved?
 Your approved CRC will be returned to you.

Do I need to submit a Purchase Requisition for travel?

You only need to submit a purchase requisition if and only if you are using the district's travel agency to book airfare. When submitting the purchase requisition include the cost of the flight, the airline's taxes and fees, and the travel agency's booking fee.

In Part III of the CRC, if the travel advance I obtained is the same amount as the total expense I am reporting, do I still need to submit the CRC to the AP Department?

Yes. The CRC form must still be submitted to the AP Department within 15 days of return from travel in order to reconcile all outstanding travel advances. Travel advances will not be authorized for any employee who has not reconciled prior travel advances with the district.

In Part III of the CRC, what do I do if total actual expenses are less than the total travel advance I received?

This would indicate you owe the difference to RSCCD. You must write a check for the difference payable to **RSCCD** and submit the check with the CRC and original receipts.

After I return from travel and complete Part III, who gets the CRC form?

Submit the form to your immediate supervisor for signature, and they will forward to Accounts Payable for processing.

What supporting documents do I need to submit with my travel claims (Part III)?

Please refer to the instructions included with the CRC form. Supporting documents include the conference brochure and agenda, airfare confirmation and cost, final hotel close-out bill, itemized receipts for other travel expenses (other than meals), etc.

Receipts are not required for meals. Meals not covered by conference registration and incurred during period of travel are reimbursed at the per diem rate using the current single low level IRS rate (\$10 breakfast, \$20 lunch, \$30 dinner).

What if after approval I decide not to attend the conference?

You can inform your supervisor and destroy the form.

What if I paid expenses with my credit card or cash? What documents do I provide when submitting the CRC (Part III)?

If you paid with your credit card, you will need to provide your credit card statement showing the expense and the itemized receipt. If you paid with cash, you will need to provide the itemized receipt.

What if I have additional questions?

Call the Accounts Payable department.

Submit the documents to the District Accounts Payable Office **immediately** so payment can be made right away. Most vendors set one credit limit for the District and when the limit is reached, it prevents other departments from ordering or buying. Furthermore, when there is a past due invoice, the vendor can freeze the District account and not accept any orders until this invoice is paid.

How long does it take to get a check issued to a vendor?

We try to process payment as quickly as possible, however, during high-volume periods, processing time may be longer. In addition, there is an internal review process that takes place before checks are released. For these reasons, we ask that departments allow 15 business days from receipt of completed documents in District Accounts Payable Office until the check is mailed.

What are common reasons that delay payment?

- NO BUDGET in the account
- Incomplete supporting documentation (e.g. missing receipts)
- NO PO in the system when a PO is required for the purchase

Will my department be responsible for late charges on invoices?

Yes.

My invoice has an error; can I mark through the error and correct it then send it to Accounts Payable?

Yes and sign the invoice to authorize payment.

The vendor indicated that they do not collect sales tax on the purchase I am making, but the Purchase Order shows sales tax charges. Do I need to have budget to cover these charges even though the invoice doesn't show sales tax?

Yes. While out-of-state vendors are not required to collect sales/use tax on purchases made from California, we as a District are still required to remit the sales/use tax to the State of California for those purchases. As such, you must have sufficient budget to cover the sales tax even if not identified on the invoice.

Where can I get a W-9?

To get a blank W-9 go to the IRS website: <http://www.irs.gov/pub/irs-pdf/fw9.pdf>. To provide the District's W-9 information to vendors, call District Accounts Payable to obtain a copy.

How do I stop payment on a check?

Call the District Accounts Payable staff assigned to that particular vendor. The staff will then inquire from OCDE to verify that the check is still outstanding. Send an e-mail to the staff to request that the check be canceled.

What do I do if I receive an invoice or a credit memo in the department?

Write the PO number on the invoice/credit memo, sign it, and submit it to Accounts Payable.

A vendor/payee called me to inquire about why an invoice has not been paid. If it hasn't been paid, why do I see the charge on my Datatel transaction detail report?

Upon receipt of an invoice, the District Accounts Payable Office vouchers it for payment which immediately posts the expense into our accounting system and is reflected in your appropriate transaction detail report. The check is printed, posted and approved which can take 3 to 4 working days. You can also get an up to date status on the PO Inquiry system (PINC) or Vendor Inquiry system (VENI). If there is a problem with a payment, please contact the District Accounts Payable Office.

How do I know whether I should call Accounts Payable or Purchasing with a question?

- You can check the status of a purchase order or payment on an invoice by using PO Inquiry.
- Inquiring about the status of a purchase order, contact Purchasing.
- Having a difficult time with a vendor, contact Purchasing.
- Need to make a change to a purchase order, contact Purchasing.
