If the DISTRICT shall fail to make payment of an undisputed invoice when due INSPECTOR hereunder, INSPECTOR may, upon thirty (30) days advance written notice to the DISTRICT, suspend further performance of services relating to the Project hereunder until such undisputed payment is received. In such event, INSPECTOR shall have no liability for any delays or additional costs of construction of the Project due to, or arising out of, such suspension.

ARTICLE V – DISPUTES

1. Continuation of INSPECTOR Services. Except in the event of the DISTRICT's failure to make payment of an undisputed invoice due INSPECTOR for the Project, notwithstanding any disputes between DISTRICT and INSPECTOR hereunder or in connection with the Project, INSPECTOR and DISTRICT shall each continue to perform their respective obligations hereunder; including the obligation of the INSPECTOR to continue to provide and perform services hereunder pending a subsequent resolution of such disputes.

2. Mandatory Mediation. All claims, disputes and other matters in controversy between the INSPECTOR and the DISTRICT arising out of or pertaining to this AGREEMENT, shall be submitted for resolution by non-binding mediation conducted under the auspices of the JAMS or other mutually agreeable dispute resolution service and their respective governing Construction Mediation Rules in effect at the time that a Demand For Mediation is filed. The commencement and completion of mediation proceedings pursuant to the foregoing is a condition precedent to either the DISTRICT or the INSPECTOR commencing arbitration proceedings pursuant to Paragraph 3 below.

3. Arbitration. All claims, disputes or other matters in controversy between INSPECTOR and DISTRICT arising out of or pertaining to this Agreement which are not fully resolved through the mandatory mediation set forth in Paragraph 2 above shall be settled and resolved by binding arbitration before one (1) retired judge conducted under the auspices of the JAMS or other mutually agreeable dispute resolution service. Any arbitration hereunder shall be conducted in the JAMS' Regional Office or other ADR service's office closest to the DISTRICT. The award rendered by the Arbitrator(s) shall be final and binding upon the DISTRICT and the INSPECTOR and shall be supported by law and substantial evidence pursuant to California Code of Civil Procedure §1296. Any written arbitration award that does not include findings of fact and conclusions of law in conformity with California Code of Civil Procedure §1296 shall be invalid and unenforceable. The DISTRICT and INSPECTOR hereby expressly agree that the Orange County Superior Court ("Court") shall, subject to California Code of Civil Procedure §§1286.4 and 1296, vacate the award if, after review of the award, the Court determines either that the award is not supported

by substantial evidence or that it is based on an error of law. In connection with any arbitration proceeding commenced hereunder, the discovery rights and procedures provided for in California Code of Civil Procedure §1283.05 shall be applicable, and the same shall be deemed incorporated herein by this reference. Furthermore, if any claim or dispute is asserted by the Project Architect, Construction Manager if any, the Contractor and/or the DISTRICT relating to the Project and arising in whole or in part out of this Agreement, the services provided by or through the INSPECTOR hereunder or the Instruments of Service prepared by or through the INSPECTOR, INSPECTOR and DISTRICT agree that any arbitration proceedings initiated between INSPECTOR and DISTRICT hereunder shall, without the need for an order of the Court, be consolidated with any arbitration proceedings initiated in connection with such other claim or dispute by and between the aforementioned parties, regardless of the dispute resolution service selected.

4. Compliance with Government Code §900 et seq. The foregoing provisions relating to dispute resolution procedures notwithstanding, neither this Agreement nor such provisions shall be deemed to waive, limit or modify any requirements under Government Code §900 et seq. relating to the INSPECTOR's submission of claims to the DISTRICT as a express condition precedent and prerequisite to filing a Demand for Arbitration, which shall be deemed a "claim" for money or damages under Government Code §900 et seq. The INSPECTOR's strict compliance with all applicable provisions of Government Code §900 et seq. in connection with any claim, dispute or other disagreement arising hereunder shall be an express condition precedent to the INSPECTOR's initiation of the binding arbitration procedures under Article IV, Paragraph 3, above.

5. Limitation on Arbitrator's Authority. Notwithstanding any other provision of this Article, the Superior Court for the State of California for the County of Orange, shall have sole and exclusive jurisdiction, and an arbitrator shall have no authority, to hear and/or determine: (i) a challenge to the institution or maintenance of a proceeding in arbitration of a claim, (ii) the claim is barred by a provision of the California Tort Claims Act, (iii) claimant has failed to satisfy any and all conditions precedent to arbitration, (iv) the right to compel arbitration has been waived by the petitioner, (v) grounds exist for the revocation of the arbitration agreement, and/or (vi) there is the prospect that a ruling in arbitration would conflict with a ruling in a pending proceeding regarding the Project on a common issue of law or fact.

6. THE PARTIES UNDERSTAND AND AGREE THAT ARTICLE IV OF THIS AGREEMENT SHALL GOVERN ALL TERMINATION RIGHTS AND PROCEDURES BETWEEN THE PARTIES. ANY TERMINATION PROVISION THAT IS ATTACHED TO THIS AGREEMENT AS AN EXHIBIT SHALL BE VOID AND UNENFORCEABLE BETWEEN THE PARTIES.
