Discussion

- Minutes:
 - The minutes from the December 5, 2013 meeting were approved.
- Strategic Technology Plan
 - Sylvia reported that the Technology Plan is about 75-80% complete. We still need equipment updates and a few summaries for the Appendix
 - Were Cherilee and George updating OER?
- Adobe Update
 - Because the pricing for individual licenses is so high, membership seems to be the only feasible option.
 - We are recommending District-wide purchase of the Adobe Pro (basic package) for \$9 per FTE
 - Full version cost is \$55 per FTE
- VDI Update
 - Phil shared that he met with Lana, George, and Corinne and they agreed that the best path for now is to expand existing systems rather than starting over.
 - They should have a plan in place in another month or so and set-up a pilot VDI.
- Membership
 - Sylvia would like equal representation in the TAG membership
 - We would like to visit membership again at the next meeting
- General Committee Member Updates
 - SAC TAC – No update
 - SCC TAC – No update
 - Joint Cabinet – No update
 - ITS – No update
 - Other – No update
