**RECOGNITION**

- 1.1 The Governing Board of the Rancho Santiago Community College District, hereinafter referred to as the "Board" or "District", recognizes the California School Employees Association Chapter hereinafter referred to as the "Association", as the sole and exclusive representative of those enumerated in the Stipulated Agreement, executed and attached hereto as Appendix "A".

### EVALUATION

#### 2.1 PURPOSE OF EVALUATION - Child Development Center Teachers/Master Teachers

The purpose of evaluation is two-fold. First, the objectives of evaluation for both tenured and non-tenured Teachers/Master Teachers are to acknowledge good performance, to strengthen satisfactory performance, and to help Teachers/Master Teachers improve performance through specific recommendations. Secondly, evaluation provides a process through which the college assesses the potential contributions of a new contract Teacher/Master Teacher in preparation for a tenure recommendation.

#### 2.2 DEFINITIONS

2.2.1 Under this agreement, Contract Teachers/Master Teachers are those who have not yet been granted tenure, but are hired to work at least 75%. These Teachers/Master Teachers are employed in one of three categories:

Contract I      Employment during the first academic year.

Contract II     Employment during the second academic year.

Contract III    Employment during the third and fourth academic year.

2.2.2 Regular      Employment with tenure status

2.2.3 Substitute    Employee filling a position of a contract or regular employee who is absent from service.

#### 2.3 PROCESS

The appropriate site director or designee is primarily responsible for overseeing the evaluation process on behalf of the Board. The site director evaluates the contract Teacher/Master Teacher each year of the tenure process. For a regular Teacher/Master Teacher, the site director will conduct observations in the primary area of responsibility and subsequent consultation.

#### 2.4 EVALUATION OF CONTRACT (NON-TENURED TEACHERS/MASTER TEACHERS)

2.4.1 Contract Teachers/Master Teachers are expected to go through a four-year tenure process. At the end of the fourth year, a decision to grant or not grant tenure must be made.

2.4.2 The appropriate site director will conduct observations during each year of contract status. Evaluation must include observation of performance in the area of primary responsibility, as specified in the job description. Observation should be included when applicable. Additional observations may be conducted as the evaluators deem necessary.

- 2.4.3 For each criterion marked as “needs improvement” or “unsatisfactory,” specific examples and suggestions for improvement must be made by the evaluator. Prior to submission dates as listed in 2.7.2, a conference is held between the contract Teacher/Master Teacher and the evaluator to discuss the evaluation. At the conclusion of the conference, a contract Teacher/Master Teacher must sign the evaluation. The signature does not necessarily indicate agreement with the report, and a contract Teacher/Master Teacher may submit a written response within ten (10) days.
- 2.4.4 Contract III (third and fourth years) evaluation leads to the tenure decision. Tenure should be recommended if the contract Teacher/Master Teacher has performed his/her duties at or above levels that were previously established as minimum expectations. Denial of tenure should be recommended if:
- a. The contract Teacher/Master Teacher has failed to meet expectations that were defined in the Contract I and/or Contract II Tenure Evaluation reports.
  - b. The contract Teacher/Master Teacher has exhibited a failure to maintain standards identified as having been met in the Contract I and/or Contract II Tenure Evaluation Reports.
  - c. The contract Teacher/Master Teacher has acted in ways which amount to cause for dismissal for tenured Teacher/Master Teacher members (see Appendix - Education Code section 87667).
- 2.4.5 The grievance procedure may be used if a Contract I or Contract II Teacher/Master Teacher member feels that the District, in a decision not to offer a second or third year contract, violated, misinterpreted, or misapplied any of its policies and procedures concerning the evaluation of the contract Teacher/Master Teacher member.
- 2.4.6 The grievance procedure may be used if a Contract III Teacher/Master Teacher member feels that the district, in a decision denying tenure, acted unreasonably or violated, misinterpreted, or misapplied any of its policies and procedure concerning the evaluation of the contract Teacher/Master Teacher member.

## 2.5 EVALUATION OF REGULAR (TENURED) TEACHERS/MASTER TEACHERS

Tenured or regular Teachers/Master Teachers will be evaluated in the area of their primary responsibility every three years. According to the terms of the evaluation timetable (2.7), the site director will conduct observations and consultations.

- 2.5.1 Prior to submission dates as listed in 2.7.3, the evaluator will consult with the Teacher/Master Teacher. The Teacher/Master Teacher must sign each report. The signature does not necessarily indicate agreement with the report. Any written response will be included in the personnel file.
- 2.5.2 For each criterion marked as “needs improvement” or “unsatisfactory” specific examples and suggestions for improvement must be made by the evaluator.

2.5.3 The site director will send the evaluations to the Executive Director of Child Development Services, who will forward them to the Human Resources office to be included in the Teacher/Master Teacher's personnel file.

## 2.6 ADDITIONAL EVALUATIONS

2.6.1 Additional evaluations of Teachers/Master Teachers may be made at the request of the site director/designee or the evaluatee.

2.6.2 If an additional evaluation is requested, the site director will consult with the Executive Director of Child Development Services.

## 2.7 EVALUATION TIMETABLE

2.7.1 The dates and timelines for the various procedures described in this section are recommendations. Unless there are extenuating circumstances, most procedures may normally be completed before the recommended deadlines.

### 2.7.2 Contract Teachers/Master Teachers

#### 2.7.2.1 Submission

The evaluation(s) and recommendation(s) for Contract I will be submitted to the Executive Director of Child Development Services by November 15 and February 15 of the first year.

Evaluations for Contract II, III must be submitted by February 15 in each subsequent year. Recommendations will be sent to the Chancellor in time for the first Board meeting in March.

2.7.2.2 For the purpose of this article, a unit member must serve 75% of a school year in order for that year to count as a year of service toward tenure.

2.7.2.3 Unit members hired during the 1998/99 school year shall be considered to be employed in Contract I status.

Unit members hired during the 1997/98 school year shall be considered to be employed in Contract II status, assuming the service requirement in Section 2.7.2.2 has been met.

All unit members who completed at least one year of service prior to the 1997/98 school year shall be tenured.

#### 3.3 Personal Necessity Leave

- 3.3.1 A unit member may be granted a maximum seven (7) days leave of absence in any school year without loss of pay, in cases of personal necessity. Such leaves shall be deducted from the employee's accumulated sick leave. An Employee Absence Request must be filed.

3.3.2 Personal necessity leave specifically does not include any recreational use nor any use related to present or prospective employment. Leave must meet one of the following qualifications:

3.3.2.1 Personal necessity leave request on matters of compelling personal importance which cannot be accomplished other than during the employee's regular assigned working hours, or deferred to a more convenient date or time to accommodate the regular work schedule.

3.3.2.2 Personal necessity leave request due to serious illness or death of a member of the immediate family; an accident involving his/her person or property, or of a member of his/her immediate family; or appearance in court as a litigant or a witness under official order except as a witness adverse to the District or as a litigant in an action adverse to the District.

3.3.3 Personal necessity leave must be requested at least five (5) work days in advance and approved by the supervisor, who also reserves the right to verify such request by an appropriate means. #### 3.4 Excused Absence, With or Without Pay

Upon application, the Chancellor or his designee, may grant to a regular monthly unit member leave with pay (unless otherwise stipulated prior to attendance) for educational conference or in-service training which, in the sole discretion of management, will improve District operations or the ability of the member to more effectively perform their duties.

#### 3.5 Industrial Accident or Illness Leave

3.5.1 Members shall receive sixty (60) days leave with pay in any one fiscal year for an industrial accident or illness. An industrial accident or illness is defined as one where the employee becomes ill or is injured while he is serving the District, and the accident or illness is reported to the District's Self-Insurance Program in accordance with District regulations, and the District's Self-Insurance Program accepts the responsibility for the treatment of the employee.

3.5.2 Industrial accident or illness leave will commence on the first (1st) day of absence. Allowable leave shall not be accumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

- 3.5.3 Payment for wages lost on any day shall not, when added to an award granted the employee under the Worker's Compensation laws of this state, exceed the normal wage for one day. Industrial accident leave will be reduced by one (1) day for each day of unauthorized absence regardless of a compensation award made under Worker's Compensation.
- 3.5.4 The industrial accident or illness leave of absence is to be used in lieu of entitlement acquired under Section 88191 of the State Education Code. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but, if an employee is receiving Worker's Compensation, he shall be entitled to use only so much of this accumulated or available sick leave, accumulated compensation time, vacation, or other available leave, which, when added to the Worker's Compensation award, provide for a full day's wage or salary.
- 3.5.5 During all paid leaves of absence, whether industrial accident leave as provided in this section, sick leave, vacation, compensation, time off, or, other available leave provided by law, or the action of the Board, the employee shall endorse to the District wage loss benefit checks received under the Worker's Compensation laws of this state. The District, in turn, shall issue the employee appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this section.
- 3.5.6 When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of his position, he shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) month period, he shall be employed in a vacant position in the class of his previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case he shall be listed in accordance with appropriate seniority regulations. An employee who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed. The Board shall require certification by the attending physician that the employee is medically able to return and perform the duties of his position.
- 3.5.7 An employee receiving benefits provided in this section shall, during periods of injury or illness, remain within the State of California unless the Board authorizes travel outside the state.

### 3.6 Sick Leave

- 3.6.1 Members employed five (5) days a week shall be entitled to 12 days leave of absence for illness or injury with full pay for a fiscal year of service. This entitlement shall be credited at the commencement of employment or at the start of each succeeding fiscal year, September 1, to full-time employees. Fractional assignments shall receive proportionate leave entitlement.

- 3.6.2 Members employed five (5) days a week for less than a full fiscal year are entitled to that portion of 12 days leave of absence for illness or injury as the number of months he is employed bears to 12.
- 3.6.3 Members employed less than five (5) days per week shall be entitled for a fiscal year of service, to that proportion of 12 days leave of absence for illness or injury as the number of days he is employed per week bears to five (5). When such persons are employed for less than a full fiscal year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
- 3.6.4 Pay for any day of such absence shall be the same as the pay which would have been received had the employee served during the day. Credit for leave of absence need not be accrued prior to taking such leave by the employee and such leave of absence may be taken at any time during the year. New employees of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which they may be entitled under this policy, until the first (1st) day of the calendar month after completion of six (6) complete months of active service with the District.
- 3.6.5 If the member does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year.
- 3.6.6 Sick leave may be used for visits to medical doctors, osteopathic doctors, registered nurses, physician assistants, dentists, optometrists, chiropractors, and psychologists. Such leave shall be reasonably scheduled so as to interfere as little as possible with the operations of the District and shall be of reasonable duration.
- 3.6.7 All sick leave absence or use shall be reported in writing to the Chancellor/President or designee. Medical verification shall be required for any illness which extends five (5) or more work days. District reserves the right, in its sole discretion, to require medical verification of illness for any absence when abuse of sick leave is suspected, or excessive over a period of time.
- 3.6.8 Disabilities caused or contributed to by pregnancy, miscarriage, abortion or childbirth, and recovery therefrom, are, for all job-related purposes, temporary disabilities and shall be treated as a condition of illness.
- 3.6.9 Members must be in active employment or on paid leave to earn or use sick leave. Members on extended illness leave are eligible to earn or use sick leave. Sick leave may be applied only on those days when the member is required to report for duty but cannot do so because of illness or injury. Members who become ill or injured but are not required to report, such as those on leave or vacation, may use sick leave credits without a return to active service, provided the employee furnishes adequate notice, relevant supporting information, and/or verification of illness or injury forming the basis for such interruption or termination.
- 3.6.10 Where a member is separated prior to rendering a complete fiscal year of service, the sick leave entitlement for the partial year shall be that proportion of 12 days leave as the number of months in the fiscal year he was employed bears to 12.

3.6.11 Sick leave shall not be earned when an employee is on leave without pay. Sick leave shall be earned for all paid leaves.

3.6.12 Members utilizing their sick leave shall be required to make one (1) phone call to their immediate supervisor and leave a message if the supervisor is unavailable at the time of the phone call.

### 3.7 Extended Sick Leave

3.7.1 A unit member whose sick leave, including both current and accrued, has been exhausted, and, where the total of such sick leave used in a given fiscal year is less than one hundred (100) working days, shall for an extended illness be compensated at, fifty percent (50%) of his/her regular daily rate of pay for the balance of one hundred (100) days.

**RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT**  
Handbook for the Evaluation of Master Teachers/Teachers and  
Tenure Review Master Teachers/Teacher

**PROLOGUE**

This handbook is a product of the collective bargaining agreement between the California School Employees Association (CSEA) and the Board of Trustees. It is intended as a tool for implementing portions of Article 2, Evaluation of the Contract. All master teachers/teachers and Site Directors conducting evaluations will use the guidelines, timelines, and procedures defined in this handbook.

**PHILOSOPHY AND PURPOSE OF EVALUATION**

The philosophy underlying the evaluation of master teachers/teachers at the Child Development Centers of Rancho Santiago Community College District (RSCCD) is reflected in the mission statement of the college district and in the overriding concern among all members of the college community for the quality of academic programs and student services. Just as the mission of the college district is rooted in humanistic motives, the philosophy underlying master teacher/teacher evaluation embraces the humanistic principles of individual worth, dignity, responsibility, and fairness, as well as the individual's capacity for self-realization in a nurturing, collegial environment.

Emanating from this philosophy, the purposes of evaluation are twofold. First, evaluation is a process for improving the performance of all master teachers/teachers, reflecting the college district's commitment to quality. Secondly, evaluation is a process for the collaborative assessment of the performance and potential of a new master teacher/teacher in preparation for tenure recommendation. Evaluation is to be a fair and unbiased process that provides opportunities for improving and sharing skills and talents. The handbook presents the procedures, guidelines, and timelines for conducting evaluations of master teachers/teachers.

The evaluation of non-tenured master teachers/teachers aims at ensuring the highest quality of teaching and professionalism by providing for a regular meaningful assessment of master teacher's/teacher's performance in a variety of roles. Teaching and the promotion of learning are at the heart of all educational activities. The recommendation for tenure status is ultimately more important than the recommendation to hire, since once the Board of Trustees approves the recommendation for tenure, the master teachers/teachers become a permanent member of the college community. These guidelines, procedures, and activities defined for tenure review represent the best efforts of master teachers/teachers and Site Directors and administrators to create a complete, fair, and objective process. Neither the creators of, nor the process, itself, are perfect.

Decision-making is always difficult, especially when the decision may lead to the dismissal of an employee. What is necessary is a thoughtful report of a master teacher's/teacher's primary responsibility, which is carefully documented and includes both that which is well done and specific comments about areas in need of improvement.

#### **DEFINITION OF A PEER REVIEWER**

All tenured and contract master teachers/teachers will be assigned a peer reviewer by their Site Director with the approval of the Executive Director of Child Development Services. A new master teacher/teacher who is going through the tenure review process may ask to have an additional master teacher/teacher assigned to their review process to serve in the role of mentor. Tenured master teachers/teachers also have the option of requesting the addition of a second master teacher/teacher as an evaluator, if desired.

#### **DEFINITION OF A PORTFOLIO**

A portfolio is a personal file designed by the master teacher/teacher to show his/her work as an Early Childhood Educator. The file may contain any achievements or work that the master teacher/teacher would find appropriate.

The portfolio may include but is not limited to: a sample lesson plan and monthly objectives, documentation of professional growth (classes taken, workshops attended, and certificates earned), statement of personal growth (reflections on your experiences over the semester), reference letters by parents and staff, and membership in any professional organizations. A copy of the Peer Review may only be placed in the portfolio with the approval of the master teacher/teacher being reviewed.

#### **SELF-EVALUATION**

Significant benefits of the evaluation process are derived from periodic self-evaluation. In preparation for each evaluation and/or tenure review cycle, a self-evaluation report will be completed and is due by November 15. This self-evaluation is given to the Site Director, who in turn will place the self-evaluation in the employee's portfolio for use by the Site Director and the Peer Reviewer. A copy will be sent to the Executive Director of Child Development Services and the Assistant Vice Chancellor, Educational Services for signature. Self-evaluations are completed each year for every staff member.

#### **EVALUATION OF MASTER TEACHERS/TEACHERS FOR TENURE**

##### **Contract One Evaluation**

During a master teacher's/teacher's first year, the Peer Reviewer and the Site Director (designated by the Chancellor to oversee the process for the Board of Trustees) will observe and evaluate the new master teacher/teacher.

All Contact I master teachers/teachers will be evaluated by November 15 and again by February 15. At the conclusion of each evaluation, the master teachers/teachers must sign the report. The

signature does not necessarily indicate agreement with the report, and the master teacher/teacher may submit a written response within ten (10) working days. Both the evaluation and the response will be included in the master teacher's/teacher's tenure report.

The Peer Reviewer and the Teacher will meet at the conclusion of the observation to discuss the observation results and the portfolio.

### **Contracts Two and Three Evaluations**

During a master teacher's/teacher's second through fourth years, the Peer Reviewer and the Site Director (designated by the Chancellor to oversee the process for the Board of Trustees) will observe and evaluate the master teacher/teacher.

All Contract II, III and IIIB master teachers/teachers will be evaluated by February 1. At the conclusion of each evaluation, the master teachers/teachers must sign the report. The signature does not necessarily indicate agreement with the report, and the master teacher/teacher may submit a written response within ten (10) working days. Both the evaluation and the response will be included in the master teacher's/teacher's evaluation report.

Along with general considerations, the evaluators will identify changes and development since the Contract I evaluation, noting in particular the master teacher's/teacher's willingness to work on any areas recommended for improvement and tangible success in accomplishing that improvement since the last evaluation. During this time, the evaluation process should be viewed as an opportunity to note a candidate's progress toward tenure.

The master teacher/teacher will update his/her portfolio each year. This includes a new self-evaluation each year. The self-evaluation should comment on any suggestions for improvements made in previous evaluations. In addition, the self-evaluation should briefly identify strengths and areas for improvement to which the individual would like to pay particular attention during the evaluation process.

### **GUIDELINES FOR GRANTING TENURE**

The decision to grant tenure is an affirmative act, based on fair, reasonable, and professional evaluation of the master teacher/teacher. The decision to award tenure should normally be based on four years of evaluation of the employee.

### **EVALUATION OF TENURED MASTER TEACHER/TEACHER**

The self-evaluation will be done annually and is due November 15.

All tenured master teachers/teachers will be evaluated every three years. These evaluations include a peer and administrative evaluation. The peer and administrative evaluations are due June 1<sup>st</sup>. The Peer Reviewer and the Teacher will meet at the conclusion of the observation to discuss the observation results and the portfolio.

The administrative evaluation includes regular observations by the Site Director. The evaluator will use the appropriate form to complete an evaluation report, based on the observations and the portfolio. At the conclusion of administrative evaluation, the master teachers/teachers must sign the report. The signature does not necessarily indicate agreement with the report, and the master teacher/teacher may submit a written response within ten (10) working days. Both the evaluation and the response will be included in the master teacher's/teacher's evaluation report.
