Faculty Staff Diversity Report

The committee reviewed and discussed the district's diversity statistics from the graphs/charts presented by Mr. Didion:

- Under-Represented Minority Percentages by Students and Employee Types Fall Terms 2005-2014
- Classified Staffing – Percent of Non-White Employees Fall 2014
- Educational Administrators – Percent of Non-White Employees Fall 2014
- Full-Time Faculty – Percent of Non-White Employees Fall 2014
- Part-time Faculty – Percent of Non-White Employees Fall 2014
- Faculty Management Diversity Yield Rates 3 Years

Based on the 2014 statistics, the district would need to improve its pool applicants to continue to make progress in its diversity.

Full-Time Faculty Hiring Obligations/Allocation

Mr. Didion led a discussion regarding the estimated full-time faculty hiring obligation report from the state chancellor's office. Based on this estimate, the district needs to hire 32 faculty members (20 at Santa Ana College and 12 at Santiago Canyon College). This number will probably change due to retirements and resignations.

Approved: January 13, 2016

The committee reviewed, discussed and made changes to AR 7120.3 Management Recruitment and Selection and AR 7146 Employees Called to Military Duty. Motion to recommend moving forward AR 7146 Employees Called to Military Duty to District Council was moved by John Zarske, seconded by Judy Chitlik. The motion carried unanimously.
