Adobe Creative Cloud Login Experience | Non-Instructional Computers

Step 6: Once you have logged in, you will see the Adobe applications that were previously installed. Congratulations, you're done! You can continue using your Adobe applications.

If you use more than two different computers, you may receive the following prompt if you login to Adobe.

To continue, select the radio button to 'Sign me out of the other computers so I can sign in here' and then click on the 'Continue' button at the lower right side of the window.
