ADDENDUM NO. 2

FOR

Request for Proposal (RFP) #1393 – Johnson Student Center Café

March 25, 2021

The following changes, additions, deletions or corrections shall become a part of the RFP documents for the project named above and all other conditions shall remain the same. Addendum No. 2 must be acknowledged by placing company name, authorized signer name, title, signature and date at the end of this addendum and include this document in your proposal.

QUESTION 1: To confirm, you are looking to have an operator into the student center and providing meal service on June 1, 2021? Is there any flexibility in that date?

ANSWER: Currently the building will be ready for occupancy by June 4, 2021. The current secure permit for the Café has a starting date of June 15, 2021. We would like to begin services as close as possible to that date.

QUESTION 2: In the RFP it mentions providing grab-and-go AND made to order meals. Is the Made-to-Order a requirement? Our model is a grab-and-go model of prepared meals.

ANSWER: Made-to-order is the current preference of the students, but is not a requirement depending on the provided model and plan.

QUESTION 3: : Is there any flexibility in the requirements related to receiving no support for any potential facility improvements and/or related to the operating fee listed in the RFP?

ANSWER: Both items can be negotiated.

QUESTION 4: Would you happen to know the engineers estimate?

ANSWER: The Johnson Student Center Café is within the newly constructed building, this RFP is specific to food services and does not include construction.

QUESTION 5: Please provide the estimated value for the above project?

ANSWER: The Johnson Student Center Café is within the newly constructed building, this RFP is specific to food services and does not include construction”

QUESTION 6: Could you please clarify the scope of work for the Johnson Student Center Cafe. Just trying to find out if it has anything to do with Modular/Portable buildings?

ANSWER: The scope of work is to operate a food service operation in the newly constructed Johnson Student Center Building. It is not a modular/portable building.

Addendum 2: Dated March 25, 2021
