**QUESTION #1:**

“Have the insurance limits the District is requiring changed?”

**ANSWER #1:**

Yes. The insurance limits for commercial automobile liability insurance have increased based on recommendations from our insurance pool and current industry standards. The limit of \$25,000,000 per accident for bodily injury is correct. Please disregard the reference made in Addendum 1 regarding the “\$10,000,000 per accident may be acceptable.”

Page 5, General Conditions, Item 12.0 Insurance should read:

- Commercial Automobile Liability Insurance covering all owned, non-owned or hired automobiles, with coverage for at least **\$25,000,000** Combined Single Limit Bodily Injury and Property Damage. Coverage shall not exclude passengers.
