

Enterprise and Procurement Services Master Services Agreement

FOUNDATION for CALIFORNIA
COMMUNITY COLLEGES

Agreement No. 00010967

This Master Services Agreement ("Agreement") is entered into between the Foundation for California Community Colleges, a California 501(c)(3) nonprofit organization, ("FoundationCCC") and Gaumard Scientific Company, Inc., a Florida corporation, ("Supplier").

By signing this Agreement, the Parties acknowledge their acceptance of all the terms and conditions in this Agreement and any exhibits attached hereto (collectively the "Agreement").

The term of this Agreement is August 11, 2025, through August 10, 2028. Prices for Products or Services shall only be held firm until August 10, 2026. Prices are subject to increase thereafter.

The parties agree to comply with the terms and conditions of the following exhibits which are by this reference made a part of the Agreement.

Exhibit A	Recitals	Page 2
Exhibit B	Terms and Conditions	Page(s) 3-7
Exhibit C	Special Terms and Conditions	Page(s) 8-9
Exhibit D	Notices	Page 10
Exhibit E	General Provisions	Page(s) 11-13
Exhibit F	Products and Services	Page(s) 14-83
Exhibit G	Supplier Commitment & Program Promotion	Page(s) 84-85
Exhibit H	Sample Form of Supplier Quarterly Reporting	Page 86
Exhibit I	Cooperative Utilization	Page 87
Exhibit J	Contract Amendments/Modifications	Page(s) 88-91
Exhibit K	Additional Terms and Conditions	Page(s) 92-97
Attachment 1	Bid Documents	Page(s) 98-103

THE PARTIES HEREBY EXECUTE THIS AGREEMENT.

(Master Services Agreement)

RECITALS

1. **WHEREAS**, FoundationCCC is a 501(c)(3) nonprofit organization and established as the official auxiliary organization for the California Community College Board of Governors and the California Community Colleges Chancellor's Office in accordance with California Education Code 72670.5 and may enter into systemwide agreements on behalf of the California Community Colleges in accordance with California Public Contract Code 20661;
2. **WHEREAS**, FoundationCCC developed, supports, and operates CollegeBuys, SchoolBuys, and CivicBuys, cooperative purchasing programs designed to pool the purchasing power of public and private agencies across the nation and, as a result, FoundationCCC is in a unique and valuable position to provide Supplier with marketing and promotional services for Supplier's products and/or services;
3. **WHEREAS**, FoundationCCC, in partnership with the Association of Independent California Colleges and Universities, issued a Nursing Models and Simulation, Equipment, Supplies and Services Request for Proposals ("RFP") so that Supplier may provide products and/or services as described in RFP #24-005, attached hereto, and incorporated herein, as part of Attachment 1 ("Bid Documents");
4. **WHEREAS**, this Agreement provides that any or all public agencies, nonprofit organizations directly supporting the California Community College system, public and private school districts, public and private colleges or universities, or FoundationCCC may purchase Products at prices stated in the RFP #24-005;
5. **WHEREAS**, Supplier provides Nursing Models and Simulation, Equipment, Supplies and Services as agreed upon in this Agreement and attached hereto as Exhibit F;
6. **WHEREAS**, Supplier desires to make this Master Services Agreement available to any and all public agencies, nonprofit organizations directly supporting the California Community College system, public and private school districts, as well as public and private colleges or universities (hereinafter referred to individually as "Participating Agency" or collectively as "Participating Agencies"), specifically including California Community Colleges, which are supported, in part, by FoundationCCC; and
7. **WHEREAS**, FoundationCCC seeks to offer and raise awareness of Supplier's products and/or services to Participating Agencies in exchange for an administrative fee.

EXHIBIT B

(Master Services Agreement)

TERMS AND CONDITIONS

1. Master Services Agreement. The Agreement of the parties consists of this Master Services Agreement (including the above recitals and these Terms and Conditions) and all Exhibits attached hereto or subsequently signed by the parties. This Master Services Agreement and all applicable Exhibits are hereinafter collectively referred to as the “Agreement.” In the event of a conflict between the Terms and Conditions and any Exhibits, the Terms and Conditions shall take precedence. The remaining exhibits will be given precedence as follows: (1) Request for Proposal; (2) Special Terms and Conditions; (3) Supplier Response to the RFP; (4) Exhibits of this Agreement beyond the Aforementioned.
2. Products and Services Ordered. Subject to the terms of this Agreement, FoundationCCC will provide this Master Services Agreement to interested Participating Agencies for the services and or products identified in Exhibit F.
3. Administration. FoundationCCC shall perform all of its duties, responsibilities and obligations as administrator of purchases under the Agreement as set forth herein, and Supplier hereby agrees that FoundationCCC shall act in the capacity of administrator of purchases under the Agreement.
4. Purchasing. With respect to any purchases by Participating Agencies pursuant to the Agreement, FoundationCCC: (i) shall not be construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, or said Participating Agency; (ii) shall not be obligated, liable or responsible for any order made by Participating Agencies or any employee thereof under the Agreement or for any payment required to be made with respect to such order; and (iii) shall not be obliged, liable or responsible for any failure by any Participating Agencies to comply with procedures or requirements of applicable law or to obtain the due authorization and approval necessary to purchase under the Agreement. FoundationCCC makes no representation or guaranty with respect to any minimum purchases by any Participating Agencies or any employee thereof under this Agreement or the Agreement.
5. Orders. To access the contracted Equipment, Products, or Services under this Agreement, a Participating Agency shall clearly indicate to Supplier its intention to access the Agreement. Purchase Orders shall only be made to Supplier, or to Authorized Dealers, Distributors, or Local Area Contractors (“Representative”), unless otherwise authorized in writing and by Amendment to the Agreement by FoundationCCC. Orders shall be issued by the Participating Agency to the Supplier or Representative. A Participating Agency may use its own form of Purchase Order, and the Purchase Order shall clearly note the FoundationCCC Agreement number. All Participating Agency orders under this Agreement shall be issued prior to expiration or cancellation of this Agreement. Supplier performance, Participating Agency payment obligations, and any applicable warranty periods, or other Supplier, or Participating Agency obligations, may extend beyond the term of this Agreement at an additional cost. Supplier is required to notify FoundationCCC when any material change in operations is made that may

adversely affect Participating Agencies (including, but not limited to, Supplier bankruptcy, change of ownership, or merger).

6. Term.

- a. This Agreement shall begin on August 11, 2025 (“Effective Date”) and shall terminate on August 10, 2028, unless extended in accordance with term 6(b) below. Prices are subject to increase after the first (1st) year of the Agreement.
- b. FoundationCCC and Supplier, upon mutual consent, shall have the option to extend the Term for two (2) additional one (1) year periods (“the Extended Term”). Prices for products, Goods, or Services may be subject to increase after one (1) year from the Effective Date of the Agreement, subject to the Price Modification Request Protocol in Exhibit E, Section 12. If the option for the Extended Terms are exercised, all terms and conditions set forth herein, except for the prices of the products, goods, or services, shall be applicable to the Extended Terms, except as expressly modified by written modifications duly executed on behalf of FoundationCCC and Supplier.

7. Termination. This Agreement may be terminated by FoundationCCC or Supplier for any reason, without penalty, at any time by providing Supplier with written notice of the termination at least thirty (30) days in advance (“Notice Date”). Termination of this Agreement will not terminate any Participating Agency Agreement already entered into by Participating Agency and Supplier prior to the date of termination. From the Notice Date, no new Participating Agency shall contract with the Supplier using this Agreement. Notwithstanding anything to the contrary, a Participating Agency that is already under contract, prior to termination by FoundationCCC under this section, shall have the ability to renew their agreement up to the Term outlined in Section 6 above, including any Extended Term that has been mutually agreed upon between FoundationCCC and Supplier.
8. Payment Terms. The payment obligations of the purchaser shall be set forth in the Agreement attached herein addressing the specific service and or product being ordered. Also, see the Special Provisions, Quarterly Fees & Reporting, below for specific requirements.
9. Assignment. FoundationCCC’s rights and obligations hereunder may be assigned at FoundationCCC’s sole discretion to an existing or newly established legal entity that has the authority and capacity to perform FoundationCCC’s obligations hereunder with the prior written consent of Supplier, which shall not be unreasonable withheld. Supplier may assign its rights and obligations hereunder to an existing or newly established legal entity that has the authority and capacity to perform Supplier’s obligations hereunder with the prior written consent of FoundationCCC.
10. Use of Logo. FoundationCCC’s prior review and written approval is required for any use of the FoundationCCC, CollegeBuys, SchoolBuys, or CivicBuys name or logo by the Supplier in marketing materials including but not limited to: press releases, print pieces, broadcast emails, and website postings. FoundationCCC and the California Community Colleges Chancellor’s Office are distinct and separate entities, and written approval for the use of FoundationCCC, CollegeBuys, SchoolBuys, or

CivicBuys names, logos, or marks shall not be construed as approval to use the name, logo, or mark of the California Community Colleges Chancellor's Office.

11. Insurance. Upon request within ten (10) days of formal commitment to utilize the Agreement, the Supplier and each Subcontractor identified in its Subcontractors List issued by the Supplier shall deliver to the agency taking part in the agreement Certificates of Insurance evidencing the insurance coverage in the minimum amounts noted below. The foregoing notwithstanding, a Participating Agency may require additional or different insurance coverage or minimum amounts in connection with the use of the agreement. In such event, such additional or different insurance requirements shall be noted in writing from the Participating Agency, and the Supplier shall comply with the same.

- a. Workers' Compensation Insurance. The Supplier and all Subcontractors to the Supplier shall obtain and maintain Workers' Compensation Insurance with coverage amounts under such policies in accordance with applicable law.
- b. Commercial General Liability Insurance. The Supplier and all Subcontractors to the Supplier shall obtain and maintain Commercial General Liability Insurance Policies covering: injuries, including accidental death, to persons, damage to property, completed operations, and contractual liability. Minimum coverage amounts under each such Commercial General Liability insurance policy shall be: One Million Dollars (\$1,000,000) per occurrence, Two Million Dollars (\$2,000,000) in the aggregate, One Hundred Thousand Dollars (\$100,000) damage to rented premises per occurrence, Five Thousand Dollars (\$5,000) medical expenses per person, and One Million Dollars (\$1,000,000) personal and advanced injury.
- c. Automobile Liability Insurance. The Supplier and all Subcontractors to the Supplier shall obtain and maintain Automobile Liability Insurance Policies covering bodily injury and property damage arising from all owned, non-owned and hired vehicles. Minimum coverage amounts under each such Automobile Liability insurance policy shall be One Million Dollars (\$1,000,000) per incident.
- d. Cybersecurity Insurance. [Clause intentionally omitted. For the avoidance of doubt, Supplier shall not collect, store, process, or use Participating Agency data, including sensitive data such as Personally Identifiable Information.]
- e. Technology Errors and Omissions Insurance. [Clause intentionally omitted. For the avoidance of doubt, Supplier shall not collect, store, process, or use Participating Agency data, including sensitive data such as Personally Identifiable Information.]
- f. Acceptability of Insurers. Insurers shall be licensed by the State of California to transact insurance and shall hold a current A.M. Best's rating of A:VII or better, or shall be a carrier otherwise acceptable to Participating Agency.
- g. Modifications; Cancellation; Additional Insured. FoundationCCC and each Participating Agency hereunder shall be additional named insured to the Commercial General Liability

insurance policies of the Supplier and its Subcontractors. The Workers' Compensation insurance policy and the General Liability insurance policy of the Supplier and each Subcontractor shall include provisions that the policy terms will not be materially modified and the policy will not be cancelled or terminated without at least thirty (30) days advance written notice to the Participating Agency, as applicable.

12. Special Provisions.

a. Promotion.

- i. Supplier Commitments. Supplier has reviewed, understands and agrees to the Supplier Commitments and Program Promotion attached hereto and incorporated herein as Exhibit G.
- ii. Availability of Master Services Agreement. Upon request, Supplier shall make available to interested Participating Agencies a copy of this Agreement as may be necessary for such agencies to evaluate potential purchases.

b. Quarterly Fees & Reporting.

- i. Quarterly Administrative Fee. Supplier shall pay FoundationCCC a quarterly administrative fee in the amount of 2% of the total paid purchase invoice, less taxes, additional services (excluding included services) and transportation for all purchases of Participating Agencies under said Master Services Agreement and provide FoundationCCC with an electronic accounting report, in a format prescribed by FoundationCCC, summarizing all purchases under the Agreement. A sample of the reporting format appears at Exhibit H. Quarterly reports are due within fifteen (15) calendar days after the conclusion of the preceding quarter. Quarterly administrative fees applicable to each quarter, are due within thirty (30) days of the end of each calendar quarter. FoundationCCC reserves the right, upon thirty (30) days advance notice to the Supplier, to change the prescribed reporting format. Administrative fee payments shall be made by check to the Foundation for California Community Colleges.
- ii. Accounting. Supplier shall at its expense maintain an accounting of all purchases made by Participating Agencies pursuant to this Agreement. FoundationCCC reserves the right to audit the accounting of all purchases directly made pursuant to this Agreement for a period of four (4) years from the date FoundationCCC receives the accounting. In the event of such an audit, the requested materials shall be provided at the location designated by FoundationCCC.
- iii. Default. Failure to provide a quarterly report and/or payment of the administrative fee within the time and manner specified in item 11(b)(i) shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of

written notice to Supplier, shall be deemed a cause for termination of the Agreement at FoundationCCC's sole discretion. All administrative fees not paid within thirty (30) days of the end of each quarter shall bear interest at the rate of one and one half percent (1.5%) per month until paid.

- iv. Errors and Omissions. Supplier is provided ninety (90) days or until the conclusion of the subsequent quarter (whichever comes first) from when a quarterly report was due or submitted, to correct error(s) and/or omissions(s) on a quarterly report; and/or to recover an overpayment of the administrative fee from FoundationCCC. Once the ninety (90) days or the conclusion of the subsequent quarter (whichever comes first) has lapsed, FoundationCCC also reserves the right to recover any unpaid administrative fee(s) from the Supplier discovered during an audit conducted pursuant to Section 11(b)(ii) above, and/or the correction of error(s) and/or omission(s) on quarterly report(s).
- v. Right to Compare Records. FoundationCCC or its designee may, at FoundationCCC's sole discretion, compare Participating Agency records with quarterly reports submitted by Supplier. If there is a discrepancy, FoundationCCC will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to FoundationCCC's reasonable satisfaction. If the Supplier does not so resolve the discrepancy, FoundationCCC shall have the right to engage outside services to conduct an independent audit of Supplier's quarterly reports that is directly is related to this Agreement.

EXHIBIT C

(Master Services Agreement)

SPECIAL TERMS AND CONDITIONS

1. **Iran Contracting Act Verification.** If the estimated spend throughout the life of this Agreement is estimated to exceed one million dollars, (\$1,000,000.00), Supplier must appropriately fill out and sign the Iran Contracting Act Verification, as specified under Public Contract Code §§ 2202 – 2208.
2. **Russian Sanctions.** On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. Accordingly, should FoundationCCC determine Supplier is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Agreement. FoundationCCC shall provide Supplier advance written notice of such termination, allowing Supplier at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of FoundationCCC.
 - a. If this Agreement has a value to Supplier of \$5 million or more, Supplier shall report to FoundationCCC regarding their compliance with Russian economic sanctions and report on steps they have taken in response to Russia's actions in Ukraine, including, but not limited to, desisting from making new investments in, or engaging in financial transactions with, Russian entities, not transferring technology to Russia or Russian entities, and directly providing support to the government and people of Ukraine.
3. **Ban on Incentive Compensation.** The services in this Agreement shall be performed in compliance with the ban on incentive compensation as required under the Higher Education Act 34 C.F.R. § 668.14(b)(22). Supplier may not receive direct or indirect incentive compensation for recruiting or securing the enrollment of students, or for securing financial aid for students.
4. **Examination and Audit.** Per California Government Code section 8546.7, Contracts involving the expenditure of public funds in excess of ten thousand dollars (\$10,000) entered into by any state agency, board, commission, or department or by any other public entity, including a city, county, city and county, or district, shall be subject to the examination and audit of the California State Auditor, at the request of the public entity or as part of any audit of the public entity, for a period of three years after final payment under the contract. The examinations and audits under this section shall be confined to those matters connected with the performance of the contract, including, but not limited to, the costs of administering the contract.

IRAN CONTRACTING ACT VERIFICATION (Public Contract Code sections 2202-2208)

Prior to bidding on, submitting a proposal or executing a contract or renewal for goods or services of \$1,000,000 or more, a Respondent must either: a) certify it is **not** on the current list of persons engaged in investment activities in Iran created by the California Department of General Services ("DGS") pursuant to Public Contract Code section 2203(b) and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code section 2203(c) or (d).

To comply with this requirement, please insert your supplier or financial institution name and Federal ID Number (if available) and complete **one** of the options below. Please note: California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts. (Public Contract Code section 2205.)

OPTION #1 – THIS PROJECT IS LESS THAN \$1,000,000.

OPTION #2 - CERTIFICATION

I, the official named below, certify I am duly authorized to execute this certification on behalf of the supplier/financial institution identified below, and the vendor/financial institution identified below is **not** on the current list of persons engaged in investment activities in Iran created by DGS and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person/vendor, for 45 days or more, if that other person/vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS.

<i>Respondent Name/Financial Institution</i> Gaumard Scientific Company, Inc.	<i>Federal ID Number (or n/a)</i> 59-1150440
<i>By (Authorized Signature)</i>  JC Print / Aug 11, 2025 16:33:15	<i>Date Executed:</i> October 30, 2024
<i>Printed Name and Title of Person Signing:</i> Peter Eggert, Executive Vice President	

OPTION #3 – EXEMPTION

Pursuant to Public Contract Code sections 2203(c) and (d), a public entity may permit a vendor/financial institution engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or to enter into or to renew, a contract for goods and services.

If you have obtained an exemption from the certification requirement under the Iran Contracting Act, please fill out the information below, and attach documentation demonstrating the exemption approval.

EXHIBIT E

(Master Services Agreement)

GENERAL PROVISIONS

1. Entire Agreement. This Agreement, together with Supplier's End User License Agreement, Supplier's Exclusive One (1) Year Limited Warranty, and Supplier's Cares Services Plan Agreement, supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.
2. Modification and Waiver. Except as provided otherwise herein, this Agreement may not be modified except by a writing signed by an authorized representative of both parties. A waiver by either party of its rights hereunder shall not be binding unless contained in a writing signed by an authorized representative of the party waiving its rights. The non-enforcement or waiver of any provision shall not constitute a waiver of such provision on any other occasion unless expressly so agreed in writing.
3. Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.
4. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.
5. Survival. This section (Survival), Exhibit C (Special Terms and Conditions), Exhibit B, Section 6 (Termination), Exhibit B, Section 11(b)(ii) (Accounting), and Exhibit E, Section 9 (Indemnification) shall survive the early termination of this Agreement.
6. Choice of Law. This Agreement shall be governed exclusively by and construed in accordance with the applicable laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Sacramento, subject to transfer of venue under applicable State law.
7. Binding Power. This Agreement shall inure to the benefit of and shall be binding upon FoundationCCC, the Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.
8. Independent Parties. This Agreement does not constitute, give effect to, or otherwise imply a joint venture, pooling arrangement, partnership, or formal or informal business organization of any kind, or (except as expressly set forth herein) any sort of agency relationship between the parties. Neither party will, or will have the power to, bind the other party to any third party without the prior written consent of the other party. The relationship of Supplier and FoundationCCC under this Agreement is that of independent contractors. Neither party (the "Acting Party") will have the authority to make

any agreement or commitment, or incur any liability on behalf of the other party, nor shall such other party be liable for any acts, omissions to act, contracts, commitments, promises, or representations made by the Acting Party. Except as expressly set forth herein, this Agreement does not restrict either party from conducting business with any third party.

9. Indemnification. Supplier, its heirs and/or its assigns (“Indemnitor”) will indemnify, defend and hold both FoundationCCC and each Participating Agency, and their directors, officers, employees, and agents (collectively “Indemnitees”) harmless from all third party losses, liabilities, claims, demands, costs, expenses and damages, including reasonable attorneys’ fees and costs, resulting from, arising out of, or connected with (a) the performance of its obligations under this Agreement or omissions relating to same by Indemnitor, Indemnitor’s employees, Indemnitor’s subcontractors, or any person or entity for whom Indemnitor is responsible; (b) any breach by Indemnitor of this Agreement; (c) Indemnitor’s or Indemnitees’ infringement or misappropriation of any intellectual property rights relating, in any way, to the performance of Services, provided that the goods, products, or services are used in the manner as intended by Supplier and/or (d) any willful or negligent act or omission by Indemnitor or any person or entity for whom Indemnitor is responsible. Indemnitor’s indemnification obligations will not be limited by any assertion or finding that (1) Indemnitees are liable by reason of non-delegable duty, or (2) losses were caused in part by the negligence, breach of contract, or violation of law by Indemnitees. FoundationCCC or the applicable Participating Agency must approve the extension of all settlement offers and approval will not be unreasonably withheld. The Indemnitor will furnish Indemnitees with all related evidence in its control regardless of any disputes. The duty to defend (including by counsel) shall arise regardless of any claim or assertion including, but not limited to, those claims or assertions that Indemnitees caused or contributed to the losses, liabilities, claims, demands, costs, expenses or damages. Nothing in this Agreement shall constitute a waiver or limitation of any rights which Indemnitees may have under applicable law, including without limitation, the right to implied/equitable indemnity.
10. Good Faith Cooperation. The parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.
11. Authorized Representative. The persons who have signed this Agreement warrant that they are legally authorized to do so on behalf of the respective Parties, and by their signatures to bind the respective Parties to this Agreement.
12. Non-Comparable Pricing Statement. Pricing offered to Foundation for California Community Colleges (FoundationCCC) and its applicable Participating Agency is provided under this Agreement governed by California state law. These terms differ materially from those applicable to federal contracts, including scope of service, volume commitments, and regulatory obligations. Accordingly, the pricing offered does not constitute a comparable commercial sale under GSA Schedule, ECAT, or other federal pricing disclosures.
13. Price Modification Request Protocol. Detailed below is the Formal Price Modification Protocol that has been established by FoundationCCC. Price modifications are to be submitted to FoundationCCC

in advance and comply with the parameters outlined below. All price modifications will not impact prices already agreed to between a Participating Agency and Supplier.

Limitations: Supplier is limited to one (1) Formal Price Modification Request per year (a year is defined as a 365-day period). The initial year to commence upon a fully executed contract between FoundationCCC and Supplier.

All future Formal Price Modification Requests (“Request”) are managed as follows:

- a. Supplier shall submit a written Request for Price Modification to FoundationCCC on company letterhead that includes sufficient details to allow FoundationCCC to evaluate the Request effectively and efficiently. At a minimum, the Request should include details on specific product and/or service, packaging (if applicable) or other related materials costs that have changed, product lines that are to be impacted, and the net effective impact of the requested adjustments would be.
- b. FoundationCCC will review the Request in a timely manner and make every effort to get back to the Supplier with any questions or additional information required to evaluate the Request within ten (10) business days.
- c. Please note that some factors FoundationCCC may consider in this determination may include, but are not limited to, market conditions, frequency of Request from the Supplier, appropriateness of Request relative to other Suppliers in the industry, and general market conditions for our constituents.
- d. If FoundationCCC does not feel that the Request is justified, FoundationCCC reserves the right to either deny the modification or negotiate better terms for Participating Agencies.
- e. If the price modification as presented is accepted, FoundationCCC will issue a letter of acceptance to Supplier stating the earliest date the price modification can go into effect, typically a minimum of sixty (60) days from the date of acceptance. FoundationCCC may extend this implementation period if warranted by market conditions.
 - i. Supplier should anticipate that the processing of a Request to take approximately thirty (30) days from receipt of Request.
 - ii. Supplier is responsible for communicating the price modification acceptance to all participating agencies, including any who have not ordered, but have requested a quotation, within thirty (30) days of approval. But price modifications shall not impact Participating Agencies who have already agreed to a price in an agreement with Supplier.
- f. Understanding project lead times and the importance of Participating Agencies’ ability to stay on budget, Supplier is expected to work with any Participating Agency that has received a quote that could be impacted by the price modification. At minimum, Supplier will be asked to honor any quotation made with the old pricing for thirty (30) days from effective date of the price modification.
- g. FoundationCCC reserves the right to modify this formal process if the need arises and will notify Vendor partners of any changes to the Formal Price Modification Protocol.

EXHIBIT F
(Master Services Agreement)

PRODUCTS AND SERVICES

OPTIONAL PROFESSIONAL AND MANUFACTURER PROVIDED SERVICES AND REQUIREMENTS

This section is optional and is reserved for respondents that wish to include installation services. If pursuing this option, listed below are the specific **mandatory** requirements subject to this RFP.

1. **Prevailing Wage Rates.** Pursuant to California Labor Code 1773, the Director of the Department of Industrial Relations of the State of California has determined the generally prevailing rates of wages in the locality in which the work is to be performed. Copies of these determinations, entitled "PREVAILING WAGE SCALE" are available for review on the internet at http://www.dir.ca.gov/dlsr/statistics_research.html. Respondent shall post a copy of all applicable prevailing wage rates for the work at conspicuous locations at the worksite. Respondent and all Subcontractors performing any portion of the work shall pay not less than the applicable prevailing wage rate for the classification of labor provided by their respective workers in prosecution and execution of the work. During the work and pursuant to Labor Code 771.4(a)(4), the Department of Industrial Relations shall monitor compliance with prevailing wage rate requirements and enforce the Respondent's prevailing wage rate obligations.
2. **Contractors' License.** Respondent certifies that: (i) it possesses a valid and in good standing Contractors' License, in the necessary class(es), for performing the work; (ii) that such license shall be in full force and effect throughout the duration of the performance of the work; and (iii) that all Subcontractors providing or performing any portion of the work are properly licensed to perform their respective portions of the work and will remain so properly licensed at all times during their performance of the work.
3. **DIR Registered Contractor Status.** Pursuant to and in accordance with Labor Code 1771.1, Respondent must be a DIR Registered Contractor. All Subcontractors must be DIR Registered contractors.
4. **Regulatory Requirements:** Respondent agrees to comply with all regulatory requirements associated with the performance of work for Participating Agency, including but not limited to the Division of the State Architect, Title 24, CCR, California Building Code, et al., as adopted.

Listed below are additional **mandatory** installation services and requirements for Attachment M.1. Each requirement includes a specific explanation of its value to the Participating Agencies and is considered mandatory to provide.

Criterion	Item	Requirement	Justification
-A- Additional Installation and Warranty Services Requirements	1	Conduct a pre-installation walk-through with the Participating Agency Project Manager; schedule prior to installation to determine condition of site and to agree to the level of site protection required.	Assures all parties that the requirements to facilitate the installation are met, reducing potential delays.
	2	Provide a single point-of-contact person for on-site Project Management for the duration of the installation. Representative shall always have all product and contract documents in their possession during installation process.	Assures prompt resolution of issues during critical project timeframe, reducing costs.
	3	Installation shall render all products fully commissioned and operational in accordance with the manufacturer's recommendations. Remove all extraneous packaging; provide manufacturer's operating manuals and any required user training in accordance with the contract.	Assures all products will function well from the first day of installation and will reduce potential for time lost due to lack of utilization.
	4	Remove all "installation generated" waste or trash from site and leave all workspaces broom clean; perform waste removal daily. Recycle all containers as appropriate.	Increases partnership with local Service Providers in achieving both district and state requirements for waste reduction; reduces the Participating Agency cleaning and recycling expense.
	5	Assume all financial responsibility for damage to the site resulting from work performed by the installation team. Repair any damage to the Participating Agency's satisfaction within ten (10) business days. Provide documentation of issue, costs, and repair solution to Participating Agency for their records.	Minimizes buyer cost for damage by others; assigns accountability to the Service Providers of responsibility of the installation team.

	6	Respond to warranty claims brought forth by the Participating Agency within a reasonable timeframe. Provide documentation of the issue and repair solution to Participating Agency for their records.	Minimizes buyer down-time and reduces the overall total cost of ownership.
--	---	---	--

Criterion	Item	Requirement	Justification
-A- Additional Installation and Warranty Services Requirements (continued)	7	[Intentionally Omitted.]	[Intentionally Omitted.]
	8	Provide complete project documentation package to Participating Agency representative, in electronic format, including PDF, AutoCAD and REVIT drawings as defined by pricing category, written warranty documentation, MSDS sheets, and part diagrams for items provided.	Provides client with detailed record of project requirements, and organizes future reference information into one succinct package, reducing staff time required to locate information in the future.
	9	Provide warranty service response within two (2) business days of the Participating Agency request. For one (1) year following the delivery of goods, schedule all services so as not to interfere with activities within space, at no charge to the Participating Agency.	Reduces impact of failures on Participating Agency personnel and staff, increasing their ability to focus on primary responsibilities.

Mandatory Performance and Service Requirements for Nursing Models and Simulation, Equipment, Supplies and Services

Listed below are the specific **mandatory** performance and service requirements for the Appliances, Fixtures, Supplies and Services - Commercial and Residential Applications subject to this RFP for Each requirement includes a specific explanation of its value to the Participating Agencies and is considered mandatory to provide.

Category	Item	Requirement	Justification
-A- Manufacturer/ Factory Requirements	1	Provide Participating Agency with the ability to modify current standard product models within reason to accommodate project requirements without being cost or time prohibitive.	Allows for effective accommodation of Participating Agency requirements; minimizes potential for product replacement within shorter timeframe, reducing operational and capital expenditures for Participating Agency.
	2	Provide a minimum written warranty to cover <u>Parts and Labor</u> for one (1) year following delivery of the Goods in accordance with Respondent's Exclusive One (1) Year Limited Warranty.	Reduces district operating costs over the life of product; sets realistic expectations for products within district environment; engages manufacturer to produce appropriate products for environment, which maximizes effectiveness of partnership.
	3	All products will be considered FOB Destination, Prepaid and Allowed (receiving location of the buyer or pre- determined Installer's Warehouse location), as directed by the Participating Agency with the Contract Holder managing all freight claims following shipment from the factory. Contract Holder must confirm that freight company will not invoice the Participating Agency for replacement of freight damaged product regardless of future invoice credit potential.	Reduces labor costs for Participating Agency to manage additional paperwork for details that are outside of their control, resulting in financial savings.

Category	Item	Requirement	Justification
-A- Manufacturer/ Factory Requirements (continued)	4	[Intentionally Omitted.]	[Intentionally Omitted.]
	5	Confirm all local and state fire codes, egress, ADA and seismic requirements for project scope are met or exceeded for any and all product specifications, regardless of pricing category.	Assures Participating Agency of accountability for critical aspect of project compliance, reducing potential fines or costs for redesign.
-B- Manufacturer/ Field Requirements	1	Provide Factory Certified Warranty Repair personnel for all Participating Agencies. If requested, provide documentation of Certification Process, as well as required licensing as needed.	Reduces potential labor issues or costs for repairs after installation, saving the Agency money and time.
	2	Provide Participating Agency, prior to the placement of any order that will utilize 3 rd Party Services for Installation, a list of Authorized Factory Certified Installation Personnel for Participating Agency projects. Participating Agency must pre- approve Local Service Provider prior to order placement and retain ability to reject Providers.	Reduces the potential for costly project delays; ensures installation of products in safest manner; reduces potential labor costs for repairs after installation; allows the Participating Agency to utilize local service providers as desired.
	3	Provide local manufacturer representation (may be in addition to dealer representative) with a minimum of two years of Higher Education project experience, who will facilitate product specification accuracy, technical specifications for building interface, project scheduling, shipment, and warranty issues with Service Provider. Participating Agency retains the right to request changes in representation if performance does not meet expectations.	Assures effective communication between factory and district, which can save money for the district during the project and in the future; requires Contract Holder to produce adequate documentations of technical requirements for other project Contract Holders, reducing potential mistakes or delays.

Category	Item	Requirement	Justification
-B- Manufacturer/ Field Requirements (continued)	4	Whenever possible, coordinate all products on the project order to ship complete and directly to end user site. Less Than Truckload (LTL) shipments must be directed to the Contract Holder's receiving entity. Participating Agency will provide final location in an Order: i.e., Facilities, specific building, General Contractor, etc.	Reduces costs of double handling of products; reduces overall project timeline; requires the Service Providers to be fully aware of all aspects for project success.
	5	Assume all financial responsibility for additional handling, bonded storage, or other required services, should the product arrive ahead of the identified project schedule. The Contract Holder is expected to maintain legal ownership of these items for up to ten (10) days as part of the scope of the contract. The Participating Agency agrees to confirm the project schedule and installation timing in writing to the Contract Holder no later than eight (8) weeks from targeted installation.	Requires ownership of performance and project success, reducing costs; sets realistic expectations for communications between the Contract Holder and the Participating Agency, reducing overall costs.
-C- Services/ Specification Planning	1	Using the Product Performance Specifications listed in Attachment L - Mandatory Performance and Service Requirements, recommend only those specific product solutions that best meet the Participating Agency business requirements. It is the Contract Holder's responsibility to make that determination and recommend only products that demonstrate those inherent qualities.	Requires Manufacturer to have intimate knowledge of both Participating Agency needs and manufacturing capability, increasing the probability of effective and appropriate solutions will be presented.
	2	Develop detailed specifications and quotations that include all product requirements, and product location asset tagging, and any appropriate separate fees identified in Attachment J.1 or charges based upon contractual requirements, for review and approval by Participating Agency.	Requires Contract Holder to take ownership of accuracy and effectiveness of the final product solution between manufacturer and district, saving potential expense in revisions or corrections once the order is placed.

Category	Item	Requirement	Justification
-C- Services/ Specification Planning (continued)	3	If applicable, in addition to the original project layout, provide maximum of two (2) layout revisions (not “options”) in the specific areas intended to receive product, to confirm spacing and building interface (where needed for power and data). Contract Holder may not charge Participating Agency for corrections due to Contract Holder error.	Requires Service Providers to plan the project requirements effectively and efficiently, reducing time and costs for the Participating Agency.
	4	Conduct thorough quotation, drawing, and graphic product review, explicitly defining every detail of the product specification with Participating Agency to confirm understanding of all aspects of the recommended order. Participating Agency sign-off of Contract Holder documentation does not ameliorate manufacturer of responsibilities identified in C.5.	Requires Service Providers to communicate in a manner that fully engages the end user contact in the specifics of the product solution, saving potential expense in revisions; reduces the amount of time the district must spend in communicating the solution details to the end user, saving the Participating Agency money.
	5	Accept complete responsibility for all product recommendations per application, specifications and accuracy of quotations provided to Participating Agency for purchase.	Demands accountability from Contract Holder for accuracy; Provides a single point of responsibility for ease of reconciliation of errors, saving the Participating Agency money.
	6	Communicate any and all changes to the schedule, requirements, or expectations in writing, addressed to the Participating Agency contact and copied to purchasing contact. Agency commits to providing written confirmation of site availability for installation no later than eight (8) weeks prior to scheduled date.	Reduces the possibility of verbal commands that could incur expense to the Participating Agency. Provides Contract Holder with assurance that spaces will be ready for installation in time to allow production can be delayed without financial impact to the Contract Holder.
-D- Services/ Implementation Planning	1	Provide, at no charge to the Participating Agency, storage of all items procured from this contract, should they arrive prior to pre-determined installation date.	Reduces costs and stress for Participating Agency, and minimizes the possibility of product damage, saving time and money.

Category	Item	Requirement	Justification
-D- Services/ Implementation Planning (Continued)	2	Provide the Participating Agency Project Manager with access information for all Contract Holder support members, including cell phone and email addresses. The Participating Agency contact will provide the Participating Agency contact data as necessary.	Minimizes time required to contact appropriate parties during project process, potentially reducing cost.
	3	Provide to and review with Participating Agency a complete set of installation documents, order acknowledgement / confirmation and project schedule with the Participating Agency Project Manager at least ten (10) days prior to the installation date.	Defines all requirements of the Service Providers to the Participating Agency in a timely manner to implement effectively, assuring compliance and access to site.
	4	Verify field dimensions of all spaces to be equipped, using architectural plans as the basis for product layouts (Note: if construction has not been completed prior to specification development, rooms must be verified by service provider for fit and quantities). All revisions are to be made prior to production and be documented to the Participating Agency in both written and graphic format.	Requires Service Providers to take ownership and responsibility of the finished product, rather than the Participating Agency representative, who will not have the experience in this application; reduces the potential for installation challenges and costly replacement errors.
	5	Outline all site access requirements to the specified Participating Agency contact and confirm security clearance and requirements no later than ten (10) business days prior to installation.	Assures all products will function well from the first day of installation and will reduce potential for time lost due to lack of utilization.
	6	Provide Factory Certified Installation personnel for all Participating Agency projects. Provide documentation of Certification Process and required licensing. Accept full responsibility for project delays incurred due to slow installation by installers.	Reduces the potential for costly project delays; ensures installation of products in safest manner; reduces potential labor costs for repairs after installation.

Category	Item	Requirement	Justification
-D- Services/ Implementation Planning (Continued)	7	Provide Participating Agency with Certificates of Insurance, naming the Participating Agency as Additionally Insured, prior to any site activity by installation or delivery personnel.	Reduces potential liability for District and assures all involved that Contract Holder is proactively addressing insurance requirements.
	8	Conduct pre-installation walk-through with the Participating Agency Project Manager immediately prior to installation to determine condition of site and to agree to the level of site protection required.	Assures all parties that the requirements to facilitate the installation are met, reducing potential delays.
	9	Develop and maintain project schedule in mutually acceptable format, communicating developments and changes as needed. Issue updated versions when requested by the Participating Agency Project Manager, or at a minimum of once a month, until project is completed.	Increases utilization of technology for effective communications between parties.
	10	Participate in or conduct on-site project scheduling meetings at least one time prior to receipt of product to assure effective communication between the construction team, user groups, and subcontractors who will integrate with product installers.	Engages all parties in the project to reduce potential misunderstandings about expectations and requirements from all parties, reducing the potential for costly errors.
-E- Services/ Implementation Planning	1	[Intentionally Omitted.]	[Intentionally Omitted.]

Category	Item	Requirement	Justification
-E- Services/ Implementation Planning (continued)	2	For products that require DSA oversight and approval for connectivity to a building, Manufacturer must agree to use DSA approved project plans for development of specifications, track changes to those plans, and revise connections and specifications if required to obtain DSA approval for Participating Agency.	Reduces potential installation and approval delays, as well as payment timeframe to Manufacturer from Participating Agency.
	3	Obtain all required permits (if any) for installation, at no additional charge to the Participating Agency (except for hard- wire connections if required by local code).	Assures smooth installation process from inspector's perspective, avoiding potentially expensive delays in the project.
	4	Confirm specific project requirements for Prevailing Wage as applicable to product types and Project Labor Agreements prior to finalizing proposals. Include Prevailing Wage delta as separate line item on quotation. If required, provide Prevailing Wage information and reports to the Participating Agency.	Eliminates confusion and potential revisions to Purchase Orders, improving the Participating Agency's experience.
-F- Services/ Implementation Process	1	Provide on-site Project Management representation, with complete installation documentation, at all times during installation (note: this may be provided by Factory Certified Lead Installer) at an additional cost.	Assures prompt resolution of issues during critical project timeframe, reducing costs.
	2	For projects still under construction, schedule and participate in on-site safety training, and provide Personal Protective Equipment (PPE) prior to, and throughout installation timeframe, as long as contractor requires such action.	Reduces delays and confusion for installation team and contractor regarding responsibility for protection and safety during active construction.
	3	Make all products fully operational in the space, including removal of extraneous packaging, stickers, or labels (other than manufacturer model and ordering information labels), and provide appropriate user instructions at each location.	Assures all products will function well from the first day of installation and will reduce potential for time lost due to lack of utilization.

Category	Item	Requirement	Justification
-F- Services/ Implementation Process (continued)	4	Remove all trash from site and leave workspace broom clean, daily. Minimize the use of wrapping material as much as possible and recycle as much wrapping material as possible. Train installers to separate packaging material into like categories before recycling to reduce cross contamination.	Increases partnership with local Service Providers in achieving both Participating Agency and state requirements for waste reduction; reduces the Participating Agency cleaning and recycling expense.
	5	Facilitate on-site installation review. For one (1) year following the delivery of the Goods, repair or replace all items in question within a reasonable timeframe, at no charge to the Participating Agency.	Minimizes user impact of potential issues not caused by user or district; eliminates additional cost of manpower for labor or management of Punch List items; expedites payment of Contract Holder invoices.
	6	Assume all financial responsibility for site damage incurred by the installation team. Repair to the Participating Agency's satisfaction all damage within a reasonable time. Provide documentation of issue, costs, and repair solution to Participating Agency for their records.	Minimizes buyer cost for damage by others; assigns accountability to the Service Providers of responsibility of the installation team.
	7	Conduct post-installation review with the Participating Agency representative and Purchasing contact to determine effectiveness and areas of improvement for future projects.	Strengthens partnership in the Participating Agency's success with the Service Providers, increases their knowledge of issues less obvious, relative to the learning environment.
-G- Services/ Implementation Follow-Up	1	Provide the Participating Agency Project Manager and the Purchasing Department of the Participating Agency with detailed invoice, in a pre-determined format, for approval and payment.	Provides prompt payment of Contract Holder invoices and reduces future cost to buyers.

Category	Item	Requirement	Justification
G- Services/ Implementation Follow-Up (continued)	2	Provide Receiving Department with pre-determined receiving documentation with appropriate approvals for all items listed on project invoice.	Expedites internal "receiving" process for Participating Agency, and hastens payment of Contract Holder invoices, saving money and time for all project entities.
	3	If requested, provide complete project documentation package to Participating Agency representative, in electronic format, including PDF, AutoCAD and REVIT drawings as defined by pricing category, written warranty documentation, MSDS sheets, and part diagrams for items provided.	Provides client with detailed record of project requirements, and organizes future reference information into one succinct package, reducing staff time required to locate information in the future. Allows Participating Agency to identify equipment under warranty for expedited repair or replacement.
	4	Provide warranty service response within a reasonable timeframe of the Participating Agency request. Provide service or product requirements within a reasonable timeframe of determination of need. For one (1) year following delivery of the goods, schedule all services so as not to interfere with activities within space, at no charge to the Participating Agency.	Reduces impact of failures on Participating Agency personnel and staff, increasing their ability to focus on primary responsibilities.
	5	[Intentionally Omitted.]	[Intentionally Omitted.]

Criterion	Item	Definition
-H- Performance Specifications/ All Products Offered	1	DURABILITY: Product must demonstrate the ability to last a minimum of one (1) year following delivery of the Product.
	2	TOTAL COST OF OWNERSHIP: Products should require minimal maintenance by manufacturer to retain usefulness for five (5) years; Preventative maintenance plans are provided by manufacturer at an additional cost to the Participating Agency. Products must inherently reduce manpower and time required to clean the facilities around the Manufacturer's products (floors, etc.); Products must offer field replaceable parts, by either manufacturer or district staff, once past warranty period at an additional cost to the Participating Agency.
	3	EASE OF USE: Products must inherently allow for easy changeability within a given room or space, as well as within the District or campus environment within a variety of applications, over its expected life; Product offering from Contract Holder must provide appropriate utilization in a wide range of typical applications found within a community college environment; Products should be able to be reconfigured simply and efficiently by either the Contract Holder or Participating Agency's personnel, without more than minor disruption to building or users, within reason (applies to moveable products only).

Classification 1: Immersive Training Manikins											
1	Infant Simulator	Neonatal simulator simulating a baby from birth to 28 days after delivery that supports: newborn assessment; neonatal resuscitation; tracheostomy care; airway and respiratory management; cardiovascular management; spontaneous breathing; satisfies requirements for infant nursing skills, Pediatric Advanced Life Support, the S.T.A.B.L.E. Program and the Neonatal Resuscitation Program. Includes five simulated clinical experiences (SCEs) that correlate to newborn assessment and resuscitation standards; infant cardiopulmonary failure; neonatal abstinence syndrome; neonatal resuscitation; pneumothorax; poor perfusion. Standard equipment: software-compatible tablet; software suite—instructor-driven; standalone license; electronic user guide. Airway: anatomically accurate oral cavity and realistic airway; nasotracheal/orotracheal intubation (ET tube); head tilt, chin lift, jaw thrust; esophageal intubation; laryngeal mask airways (LMA) and other supraglottic airway devices; oral and nasopharyngeal airway insertion; bag-valve-mask ventilation support with detection; tracheostomy. Right mainstem intubation detection and software event log. Articulation: articulating neck, shoulders, elbows, hips and knees; forearm pronation and supination. Cardiac: effective chest compressions generate palpable femoral pulses and ECG activity; supports ECG monitoring using real devices; Compliant with 2020 AHA BLS guidelines and 2021 ERC guidelines; CPR real-time quality feedback and reporting; chest compression depth sensor; Library of cardiac rhythms. Circulation: palpable pulse-brachia; pulse palpation event detection and logging; blood pressure-dependent pulses; variable pulse strength. Gastric and Urinary: interchangeable female and male genitalia; abdominal distention (esophageal intubation; urinary catheterization with urine output; feeding tube placement (no fluids). Neurologic: variable tri-state eyes; manually manipulated fontanel (depressed, normal and bulging); crying/grunting. Respiratory: unilateral chest rise with right mainstem intubation; automatic detection and logging of manual ventilation; visible chest rise during bag-valve-mask ventilation; user-defined breathing patterns: regular, apneustic and ataxic; ventilation volume measurement; chest tube placement. Sounds: auscultation of normal and abnormal heart, lung and bowel sounds. Vascular access: bilateral anterolateral thigh intramuscular and subcutaneous injection sites; IV monitoring: bolus, infusion and sampling; IV sites: upper arm, scalp and foot; peripheral arterial catheter placement; subclavian catheter placement; umbilical catheterization: infusion and sampling; IO tibial access. 2	OB-GYN Patient Simulator	Childbirth simulator that demonstrates both gravid and non-gravid scenarios, this wireless manikin comes with a fetus to teach proper prep, labor, delivery and postpartum care as well as a non-gravid abdomen for clinical situations unrelated to maternity. Automatically reacts to medical interventions while the fetus cries upon delivery and senses the amount of force applied to its neck. This childbirth simulator supports pregnancy conditions such as breech delivery, shoulder dystocia and postpartum hemorrhage. Additional equipment is available to help teach the all- fours birthing position. Includes advanced features and multiple simulated clinical experiences, learners can: evaluate anterior and posterior lung sounds, witness realistic uterine contractions; monitor vital signs and maternal data; hear the fetal heartbeat; cut and clamp umbilical cords (cord not reusable post-cut); control postpartum bleeding and uterine inversions; perform CPR and analyze metrics. Standard Equipment: birthing fetus; fetus to support Leopold's maneuvers; three (3) abdomens (1 for delivery, 1 for prep and postpartum, and 1 for non-gravid scenarios); postpartum uterus; static cervixes for vaginal exams; additional static cervixes; software-compatible tablet; operating software; fully and partially inverted uterus with a uterine inversion simulated clinical experience (SCE); wireless emulated patient monitor; four (4) patient profiles (3 maternal, 1 non-gravid). Ten (10) SCEs: normal delivery; instrumental vaginal delivery; fetal tachycardia (due to maternal pyrexia); breech delivery; fetal central nervous system depression (due to narcotics administered to mother); shoulder dystocia; major postpartum hemorrhage (due to uterine atony); maternal cardio-respiratory arrest; eclampsia; umbilical cord prolapse. Standalone license including both manual and modeled mode. Electronic user guide. Female patient module with non-gravid abdomen and 5 SCEs: chronic heart failure; exacerbation; acute respiratory distress syndrome; sepsis with hypotension; brain attack with thrombolytic therapy; motor vehicle collision with hypovolemic shock. 12	Premature Manikin	Realistically proportioned twenty-five (25) week preterm manikin developed in collaboration with the American Academy of Pediatrics (AAP). Premature Anne is designed to facilitate the training of healthcare professionals in the initiation of proper care and resuscitation of preterm infants. Anatomically correct airways in both location and size ensure proper technique for: suctioning, intubation, ET/NG/OG tube insertion. Reactive chest that rises and falls. Premature model comes standard with respiration simulation for: identifying cyanosis; hearing, heart, lung, and vocal sounds. Vascular access: practice umbilical vein catheterization; simulated blood flashback upon cannulation of umbilical vein. Dry pre-perforated IV sites: right subclavian vein, dorsum (on left hand, left antecubital fossa).	S2209 Premie HAL 30-week premature infant	1.00%	2.00%	3.00%	N/A	N/A	N/A		
13	Rescue Manikin	Full-body anatomy and landmarks provide the essential features necessary to learn realistic victim handling and adult First Aid skills. Modular design allows various limbs to be attached. Natural obstruction of the airway allows students to learn the important technique of opening the airway. Head tilt/chin lift and jaw thrust allows students to correctly practice airway maneuvers. Occluded airway with hyperextension stresses proper head position. Realistic resistance for chest compressions. Physiologically correct design allows practicing identification of anatomical landmarks. Arms, legs, and head allow realistic weight and handling of an adult during obstructed airway maneuvers. Carotid pulse simulation to realistically check for pulse. Disposable non-rebreathing airways are suitable for use by more than one student during class and are quick and easy to change after each training session. Removable/reusable face allow each student to have their own mouth-to-mouth face and offers easy after class cleaning and sanitation.	Trauma HAL S3040 50 Trauma and Emergency Patient Simulator package							removable/ reusable faces not included

Classification G: High Interactivity Simulation Equipment												
16	Premature Manikin	Realistically proportioned twenty-five (25) week preterm manikin developed in collaboration with the American Academy of Pediatrics (AAP). Designed to facilitate the training of healthcare professionals in the initiation of proper care and resuscitation of preterm infants. Automatically correct airways in both location and size ensure proper technique for: suctioning, intubation; ET/NO/OG tube insertion; Resuscitative chest that rises and falls. Premature model comes standard with respiration simulation for: identifying cyanosis, hearing, heart, lung, and vocal sounds. Vascular access practice: umbilical vein catheterization, simulated blood flashback upon cannulation of umbilical vein. Dry pre-ported IV sites: right saphenous vein, dorsum (on left hand, left antecubital fossa).	\$108,100	Premie HAL, 24-week premature inf								
17	Adult Hi-Fidelity Simulator	Designed to simulate complex medical cases that help prepare learners for real-world situations. Simulator features interchangeable headskins to reflect a range of simulated patients, full articulation for realistic patient handling, and technology to integrate real clinical devices for heightened realism. Simulate a wide range of medical emergencies, including those encountered in pre-hospital and in-hospital settings such as airway obstruction, stroke, and cardiac arrest. Students and emergency medical professionals can practice their skills in a realistic and controlled environment, allowing them to train to respond quickly to different scenarios and develop the confidence and competence to perform their duties in real-life situations. Simulator is designed to simulate clinical conditions with a variety of physiological responses to help train students and critical care teams in the management of critically ill patients with life-threatening medical conditions such as sepsis, heart failure, or acute respiratory distress. Simulate for repeated practice of rare or complex scenarios to help improve patient outcomes and reduce morbidity and mortality in critical care medicine. Trauma care requires specialized training in the rapid assessment of traumatic injuries. Students and healthcare professionals in emergency departments and trauma centers use Simulator to train to provide emergency care such as advanced airway management and hemorrhage control. Scenarios support the practice of critical thinking, clinical diagnosis, and interprofessional team training in emergency care and trauma situations. Simulator provides unique features and responsive physiology that help improve learning outcomes in high-stress situations. Simulator facilitates the training of medical students, nursing students, and behavioral health professionals in a wide range of clinical scenarios and can simulate mental health conditions that allow students to practice conducting a mental health assessment, developing a treatment plan, and rehearsing specialized care situations in a safe, risk-free environment. Simulation scenarios include medication dosage and administration, as well as adverse drug reactions and drug interactions, allowing medical and nursing students to learn how to safely and effectively administer medications and identify and manage these situations without risk. Simulator is compatible with automatic drug recognition system that allows students to administer drugs simultaneously while the system automatically registers drug, dose, and speed and applies the appropriate physiological responses. Includes: Full body manikin with articulating legs and arms, Set of Clothing (Trousers+zip-hoodies+gown+belt), Set of Cereals (Male/Female/blank), Wounds kit (wound + adhesive), External power supply, Blood pressure cuff, Blood and fluid refill bottles, IV Bag + plug and lock, Documentation (Important Product Information and Quick Setup Guide), Headset with microphone (USB), Accessories and Parts, Automated NIBP, Automated SpO2, Interchangeable head skin.	HAL S3201 adult advanced multipurpose sim									
18	Audio Visual Capture	Cloud-based solution for the capture and management of healthcare simulation-based training. Synchronized capture of multiple camera angles. Simulator data capture and visualization. Use your mobile device to stream sessions and support debriefing. Medical device capture (EKG, Ultrasound, EMR). Learner and faculty tracking and portfolio. Single Sign-On module. Resource tracking and reporting. Center sign-in - directing and tracking users. Video annotation and session self-reflection. Debrief from anywhere using just a browser. Learner, faculty and facility usage reports. Customizable scenarios. Scheduling and reservation request process. Flexible and scalable - one room or many. Secure, mobile-friendly and cloud-based. Checklist builder and custom assessments. Courses and curriculum tracking. Learner driven features and checklists for peer-to-peer and self-directed training. Robust suite of assessment and course performance reports.	NO BID

Classification 9: Childbirth and Emergency Care Simulators													
25	Labor & Delivery Patient Simulator			Simulator provides a full range of obstetrical events to facilitate teamwork and deepen critical thinking skills in learners of all levels. Smooth, full-body skin. Wireless and tetherless; up to ten (10) hours of battery life. Interactive eyes: automatic visual object tracking and lifelike eye movements. Fully programmable airway, breathing, and physiological circulation parameters. True 40-life shoulder dystocia, breech, and C-section deliveries. Births: lifelike, full-term baby featuring programmable vitals for APGAR scoring. Integrated array of sensors track the participants' performance in real-time. Automatic recognition of 50+ virtual medications. Supports real monitoring equipment: EKG, capnography, defib., NIBP, TOCO, and pulse oximeters. Includes Microsoft® Surface Pro tablet PC and Virtual Patient/CTG Monitor. Includes labor and delivery simulation learning scenario package. Video training library covering setup and operation. Converts into a non-pregnant patient for general nursing and gynecology training. Streaming audio lets you act as the voice of the patient and engage participants in realistic dialogue to rehearse patient-provider interactions much more effectively. Accommodation test: automatic horizontal tracking and manual vertical tracking. Strabismus: exotropia and esotropia. Nystagmus: eyeball twitching. Blepharospasm: eyelid twitching. Pseudo: eyelid droop. Realistic idle eye movement. Independent pupillary light reflex. Mydriasis: blown pupil. Anisocoria: unequal pupil sizes. Consensual pupillary light reflex. Supports wide range of real patient monitoring equipment of any childbirth simulator, allowing participants to train using the tools they will use in real situations: fetal monitor, ECG monitor, defibrillator, pulse oximeter, Capnograph, NIBP Monitor	Gaumard Victoria with L&D SLE Courseware	1.00%	2.00%	3.00%	N/A	N/A	N/A		
26	Newborn Advanced Patient Simulator			Newborn simulator developed to meet the challenges of neonatal care specialist training in real environments. Active movement, true ventilator support, real patient monitoring, and all-day battery life. Simulates complex pathologies and responses to interventions with realism. Appearance and anatomy: Age: 40-week term newborn; Weight: 6 lbs.; Length: 20.75; smooth and supple full-body skin; seamless trunk and limb joints; realistic joint articulation; neck, shoulder, elbow, hip, and knee; forearm pronation and supination; lifelike umbilicus; palpable landmarks, including ribs and xiphoid process. Tetherless and fully responsive even while being transported for team training. Internal rechargeable battery provides up to 4 hrs. of tetherless operation. Pneumatic and fluid reservoirs are housed inside the body. Airway: head tilt, chin lift, jaw thrust; realistic orotracheal and nasotracheal airway and visible vocal cords; bag-valve-mask ventilation, neck hyperextension and airway obstruction with event capture and logging; intubation depth detection and logging; programmable crying/grunting sounds; ETT, SGA, fiberoptic intubation. Breathing: spontaneous breathing; real end-tidal CO2 capability; variable respiratory rates and inspirator/expiratory ratios; visible chest rise	Gaumard Sumer-Tory advanced neonatal simi	1.00%	2.00%	3.00%	N/A	N/A	N/A		

ATTACHMENT D.5
RESPONDENT WORKBOOK (COST FILE)

100	Respiratory (ventilator) system components	Simulates respiratory rates and inspiratory/expiratory ratios; volume, valve, and flow; tidal volume; and PEEP; and provides manual ventilation; unilateral chest rise with right mainstem intubation; lung ventilations are measured and logged; programmable unilateral chest rise and fall; unilateral lung sounds synchronized with respiratory rate. Cardiac: comprehensive ECG rhythm library; ECG monitoring using real devices; real-time CPR performance monitor and trainer; effective chest compressions generate palpable pulses and CPR activity; healthy and abnormal heart sounds; virtual pacing and defibrillation. Circulatory: visible central cyanosis with programmable intensity; fontanelle, brachial, and umbilical pulses; blood pressure-dependent pulses; measure blood pressure using real modified BP cuff, pre-ductal and post-ductal O2 saturation values simulated on patient monitor; arterial/venous umbilical catheterization. Vascular access: bilateral IV arms; IV access on the lower left leg; umbilical vein and arteries support catheterization and infusion; umbilical cutdown; introsseous access and infusion at right tibia; bilateral anterolateral thigh intramuscular injection sites. Digestive: interchangeable female and male genitalia; urinary catheterization with urine output; selectable bowel sounds	1,000.00	2,000.00	3,000.00	4,000.00	5,000.00	6,000.00	7,000.00	8,000.00	9,000.00	10,000.00

27	Pediatric Patient Simulator	Pediatric simulator with: interactive eyes and active facial expressions; dynamic lung compliance with true ventilator support. Real patient monitor support: SpO2, EKG, capnography, NIBP, live pacing, and defibrillation. Emergency intervention: surgical airway, needle decompression, chest tube insertion. Wireless and tetherless. Accommodation test: automatic horizontal tracking and manual vertical tracking. Strabismus: exotropia and esotropia. Nystagmus: saccadic twitching. Blepharospasm: eyelid twitching. Ptosis: eyelid droop. Realistic life eye movement. Independent pupillary light reflex. Mydriasis: blown pupil. Anisocoria: unequal pupil sizes. Consensual pupillary light reflex. Mild and severe seizures. Supports wide range of real patient monitoring equipment of simulator, allowing participants to train using the tools they will use in real situations: defibrillator; oximeter; Capnograph; NIBP monitor; glucose meters; palpable pulses: bilateral carotid, brachial, radial, pedal, and femoral; bilateral forearm IV access supports sampling and continuous infusion; capillary refill time testing; blood pressure-dependent pulses; urinary catheterization with programmable flow.	Gaumnard Advanced Pediatric HAL® five year	1.00%	2.00%	3.00%	N/A	N/A	N/A		
28	Advanced Multipurpose Patient Simulator	Simulator specifically designed to simulate life like cases across a broad range of clinical areas, including pre-hospital, ED, OR, ICU, PACU, med-surg, etc. Supports a broad range of real patient monitors and sensors: ECG/EKG monitors; defibrillators; oximeters; NIBP monitors; Capnographs. Features: Active eyes; Cyanosis; Nasal/oral intubation sensor; Tongue edema; Pharyngeal swelling; Laryngospasm; Surgical airway; Real EtCO2; Spontaneous breathing; Variable airway resistance; Variable lung compliance; Gaping; Heart sounds; Carotid pulses; Brachial/axillary pulses; Radial and femoral pulses; Popliteal pulse; Pedal pulse; Bowel sounds; Seizures; Streaming voice; Airway sounds; Mainstem intubation; Needle decompression; Supports bilateral chest tube insertion; Ventilation sensor; Lung sounds; Chest compression sensor; (Manual/auto) blood pressure; 12-lead monitoring; Oxygen saturation; Defibrillation pacing; Bilateral IV/IM access; Drug recognition; Stomach distension; Intramuscular access; Urinary catheterization;	Gaumnard HAL Advanced Multipurpose Patient Simulator	1.00%	2.00%	3.00%	N/A	N/A	N/A

Classification 11: Digital Tables											
31	Table Standard (Horizontal Mode)	Built to mimic a true cadaver table sitting roughly 7x3' in size and allowing 5 different virtual cadavers (3 male, 2 female) to be presented in full, one to one anatomy producing a life-sized glowing cadaver to users. Include image guided surgical devices, surgical instruments, radiology software, imaging equipment, and display equipment. True, full cadaveric anatomy for both male & female. Photo-realistic cadavers. Built-in Ethernet, Wi-Fi, and Bluetooth. Tempered glass covering touchscreen. Five-inch (5") medical cart grade wheels. Table built to fit through standard door frames. Capacitive touch screens. Simple on/off switches and reset options similar to a standard Windows Computer. Table offers five (5) of the fully segmented cadavers (3 male, 2 female), a full Physiology Module (including cardiology, nerve pathways, joint movement, pregnancy, optometry, and more), over 1800 unique 3D MRI/CT case studies (including COVID 19, healthy/unhealthy pregnancies, wounds, implants, cancers, congenital defects, and much more). 35 hi-resolution regional cadavers (sub 0.1mm resolution), associated histologies, a fully prebuilt curriculum, and finally simulation modes which includes a beating heart, blood flow, movement, birth, physiological function, optical and dental models. Teaching assistant which provides deeper information on every structure on the body, such as blood flow, innervation, movement, origin, or insertion in both text and visuals ready at the tap of a finger on the desired structure. Standard one (1) year warranty with four (4) additional years as an option. License is easily utilized by multiple users similar to a library setting. Simple controls to rotate, move, and zoom in/out using one or two fingers. In addition, the tissue dragger bars allow the user to generically add or remove layers of tissue with one bar and blood vessels/nerve/lymphatics with another. Several types of planar-cutting tools and dissection tools. Full library of tutorial videos and training documentation housed directly on the Table. Built to remain in horizontal plane.	NO BID								
32	Table Convertible (Horizontal and Vertical Modes)	Built to mimic a true cadaver table sitting roughly 7x3' in size and allowing 5 different virtual cadavers (3 male, 2 female) to be presented in full, one to one anatomy producing a life-sized glowing cadaver to users. Include image guided surgical devices, surgical instruments, radiology software, imaging equipment, and display equipment. True, full cadaveric anatomy for both male & female. Photo-realistic cadavers. Built-in Ethernet, Wi-Fi, and Bluetooth. Tempered glass covering touchscreen. Five-inch (5") medical cart grade wheels. Table built to fit through standard door frames. Capacitive touch screens. Simple on/off switches and reset options similar to a standard Windows Computer. Table offers five (5) of the fully segmented cadavers (3 male, 2 female), a full Physiology Module (including cardiology, nerve pathways, joint movement, pregnancy, optometry, and more), over 1800 unique 3D MRI/CT case studies (including COVID 19, healthy/unhealthy pregnancies, wounds, implants, cancers, congenital defects, and much more). 35 hi-resolution regional cadavers (sub 0.1mm resolution), associated histologies, a fully prebuilt curriculum, and finally simulation modes which includes a beating heart, blood flow, movement, birth, physiological function, optical and dental models. Teaching assistant which provides deeper information on every structure on the body, such as blood flow, innervation, movement, origin, or insertion in both text and visuals ready at the tap of a finger on the desired structure. Standard one (1) year warranty with four (4) additional years as an option. License is easily utilized by multiple users similar to a library setting. Simple controls to rotate, move, and zoom in/out using one or two fingers. In addition, the tissue dragger bars allow the user to generically add or remove layers of tissue with one bar and blood vessels/nerve/lymphatics with another. Several types of planar-cutting tools and dissection tools. Full library of tutorial videos and training documentation housed directly on the Table. Built to remain in horizontal plane. ATTACHMENT J.1:
WORKSHEET FOR OPTIONAL INSTALLATION SERVICES AND REQUIREMENTS

VENDOR: Gaumard Scientific Company, Inc.				
ITEM #	REQUEST	JUSTIFICATION		Maximum \$/Hr. Rates (if rates vary by trade, attach separate sheet with breakdown of maximum rate)
1	Provide hourly rate for pre-approved additional design services during the planning stage, beyond the original layout with two (2) revisions provided for in the contract. Quote maximum hourly rate in Column at right.	Allows for pre-determined costs for additional expenses chargeable to project.	\$	N/A
2	Provide after-hours installation services rate (typical day defined as 8:00 AM to 5:00 PM, Monday to Friday) for Monday through Friday, Saturday or Sunday. Quote cost differential only in Column at right	Allows for pre-determined costs for additional expenses chargeable to project or contractor.	\$	N/A
3	Provide Project Management Services rate for clients <i>who procure their product using Drop Ship Pricing only</i> . Quote maximum hourly rate in Column at right.	Allows for pre-determined costs for additional services as required by Participating Agency.	\$	N/A
4	Provide Prevailing Wage rate for Installation Labor when required by project due to funding sources. Quote cost differential only in Column at right.	In specifically identified projects where law and/or local policy requires payment of Prevailing Wage, ensures that budgeting can readily be incorporated into the process.	\$	N/A
5	Provide labor rate for additional services not included in the defined scope of Exhibit A, such as "walk-up" of products above the first floor due to lack of elevator access, double handling, etc. due to unforeseen site conditions. Quote maximum hourly rate in Column at right.	In specific situations where unforeseen site conditions require additional labor, ensures that budgeting can readily be incorporated into the process.	\$	N/A
6	Provide labor rates for additional services for existing products not included in the defined scope of Exhibit A, such as reconfiguration of existing product, relocation of existing products, etc. Quote hourly rate only in Column at right.	In specific situation where Participating Agency wishes to incorporate existing product by Contract Holder, ensures contractual capability to invoice for services.	\$	N/A
7	Provide all physical labor rates for products purchased for clients who procure their product using Drop Ship Pricing only. Quote hourly rate only in Column at right.	In specific situation where Participating Agency wishes to procure labor services separately, ensures contractual capability to invoice for services.	\$	N/A
8	Provide rates to provide Engineering Calculations for applicable products necessary to satisfy state local code requirements required by project scope. Quote hourly rate only in Column at right. NOTE: This rate shall not be applicable for additional services to provide additional calculations where a manufacturer or its subcontractors install non-DSA approved fasteners, anchors or any other stabilizing devices for any reason.	In specifically identified projects where code or project requirements demand structural engineering calculations, ensures that budgeting can readily be incorporated into the process.	\$	N/A
9	Provide costs for storage of Manufacturer products should Participating Agency site not be available for receipt of product as confirmed, beyond first thirty (30) days contractually covered by Manufacturer. Quote cubic footage rate only in Column at right.	Provides contractual capability for Manufacturer to be reimbursed by Participating Agency should site conditions require storage of shipped items.	\$	N/A
10	Provide costs for additional equipment (i.e; Lift Gate Truck to site conditions) not included in Drop Ship pricing. Quote rates in Column at right.	Provides contractual capability for Vendor budget for additional equipment costs.	\$	N/A
11	Provide hourly rate for Site Verification and as-built CAD creation	Provides contractual capability for Vendor budget for additional equipment costs.	\$	N/A
12	Provide hourly rate or lump sum for installation and commissioning of simulation rooms or vehicles	Provides contractual capability for Vendor budget for white-glove installation and commissioning services.	\$	N/A
13	Provide hourly rate or lump sum for additional or on-site training services.	Provides contractual capability for Vendor budget for additional or on-site training services.	\$	N/A
14	Indicate if your company is capable of providing electronic transmittal of all order documentations in Adobe Reader format to the Participating Agencies including PO acceptance, acknowledgement issuance and invoicing. Indicate Yes or No in the Column at right.	Minimizes handling of paperwork and documentation, saving the Participating Agency money; reduces the amount of time needed to get the project moving and completed.	YES <u> X </u> NO <u> </u>	
15	Would your firm offer Participating Agency increased flexibility beyond the eight (8) week notification of site readiness required in Exhibits A.2, Criterion B.5 without incurring penalties? Indicate Yes or No in the column at right, and note additional time allowed in weeks.	Recognizes and rewards enterprise-level partnerships between Vendors and agencies, increasing value to the organizations, and allows for Participating Agencies to address project issues and budgets as they arise without requiring additional board approval.	YES <u> </u> NO <u> X </u> Number of weeks allowed prior to scheduled delivery? <u> </u>	

ATTACHMENT J.1:
WORKSHEET FOR OPTIONAL INSTALLATION SERVICES AND REQUIREMENTS

VENDOR: Gaumard Scientific Company, Inc.			
16	Does your firm offer Participating Agency additional, optional DISCOUNTED warranty coverage for models, software and equipment? Indicate Yes or No in the column at right, and note additional time allowed in weeks.	Provides additional DISCOUNTED warranty support to the Participating Agency as an option to the warranty included with original purchase.	YES <u> X </u> NO <u> </u> If optional warranty programs are available, attach available DISCOUNTED warranty options labeled as "Warranty Options Attachment J.1".

Gaumard® Scientific other terms of sale:

DAMAGED GOODS

1. If you receive a package that you believe is damaged, we ask that you call your delivery service for an inspection of the articles or refuse merchandise at the time of delivery.
2. Please save all boxes and packing material to prove that the goods were packed properly.
3. All damage claims must be reported to Gaumard within ten (10) days after receipt of merchandise.

RETURNED GOODS

4. All returned goods must have an authorization number (RA#) assigned by our Customer Service Department within **10 days** from date of original shipment. ***Any return that is not authorized will be refused.*** The (RA#) must be clearly marked on the outside of the return package. Please include a copy of the original packing list/invoice.
5. Please refer to your packing list and invoice number when phoning in your request for returning merchandise.
6. All returned goods must be sent prepaid and received in new, resaleable condition, unless such goods were damaged or unusable upon original delivery to Participating Agency. Any return that is not prepaid will be refused.
7. Some goods may not be returned for credit, *i.e. special orders items*. Our Customer Service Department will be glad to answer any questions you may have on returning a product. Please call (800) 882-6655 or (305) 971-3790. E-mail address: sales@gaumard.com.

RESTOCKING CHARGE

8. A 15% restocking fee will be charged to your account on all returned merchandise, unless such merchandise is damaged or unusable upon delivery to Participating Agency.
9. Items returned with damages or shortages within the first thirty (30) days will be subject to a restocking fee of up to **25%**, unless such items are damaged or unusable upon delivery to Participating Agency.
10. A 15% restocking fee will be charged to your account on all merchandise returned within thirty (30) days of the original ship date. A 30% restocking fee will be charged to your account on all merchandise returned within sixty (60) days of the original ship date. A 40% restocking fee will be charged to your account on all merchandise returned within ninety (90) days of the original ship date. ***Any return made after ninety (90) days will be refused.***

GAUMARD SALES TERMS AND CONDITIONS

These Gaumard Scientific Company, Inc. (“Gaumard”) Sales Terms and Conditions (“Terms”) apply to the sale or use of Gaumard-branded equipment (“Equipment”), and Gaumard-branded supplies (“Supplies”), collectively referred to as “Product” or “Products” and Gaumard Software (“Software” as defined in paragraph 12) between Gaumard and the entity named on the applicable Gaumard Invoice (“Customer”) (collectively, “Party” or “Parties”). The Parties, intending to be legally bound, agree as follows.

1. **Agreement.** Customer agrees to purchase from Gaumard the Products set forth in the quotes and invoices accepted by both Customer and Gaumard from time-to-time. These Terms, along with any Gaumard Exhibits, any applicable Gaumard Quotation, Gaumard Invoice documents, Gaumard Limited Product Warranty documents, Gaumard Cares Service Plan documents, and any other purchasing or service documents executed by both Parties constitute the complete and entire agreement between Gaumard and Customer (collectively referred to herein as the “Agreement”). This Agreement will supersede all other quotations, agreements, understandings, warranties, and representations (whether written or oral) between the Parties with respect to the subject matter set forth in this Agreement. Any Customer documentation (including Customer’s purchase order terms and conditions) containing pre-printed or additional terms that conflict with or attempt to modify this Agreement in any way are hereby rejected and of no effect unless specifically agreed to in writing and signed by the Parties. No provision of this Agreement shall be waived, amended, modified, superseded, canceled, terminated, renewed, or extended except in a written document signed by both Parties. This Agreement may be terminated by Gaumard at any time for any reason, or no reason, by giving thirty (30) days prior written notice to Customer.
2. **Prices.** Prices, fees, and charges for Products and services (including maintenance, installation, and training as described in the applicable Gaumard Quotation, Gaumard Invoice, Gaumard Limited Product Warranty documents, or Gaumard Cares Service Plan documents (“Service” or “Services”) are payable in United States (U.S.) Dollars only, and do not include any applicable taxes or shipping charges. If Customer claims any tax exemption, it must furnish a valid tax exemption certificate before shipment of Products. Customer is responsible for payment of any applicable taxes, whether invoiced by Gaumard or not. Unless such certificate is furnished, Customer agrees to pay at its sole expense all applicable taxes, assessments, fees, penalties, and merchandise processing fees that may be levied or assessed upon Customer or Gaumard with respect to this Agreement, the Products, or any interest therein.
3. **Payment.** Unless otherwise agreed to in writing by Gaumard, Customer shall pay invoices net forty-five (45) days from the invoice date. A late charge will be due on any unpaid balance at a rate of 1.0% per month or the maximum rate otherwise permitted by law, whichever is lower. Gaumard may charge interest at the maximum rate permitted by law on all amounts not paid by the invoice due date. Gaumard retains a purchase money security interest in all Products sold to Customer to secure payment of the total purchase price thereof. Customer hereby grants Gaumard the right to file a copy of this Agreement with any appropriate authorities to evidence this security interest. Customer agrees to execute and deliver such other documents as Gaumard may request in connection therewith. Gaumard is not obligated to deliver any Product or perform any Service during any period when Customer payment is past due. Customer will be responsible for all costs (including reasonable attorneys’ fees and costs of court) incurred by Gaumard to collect overdue payments and/or to take possession or otherwise dispose of Products for which payment is overdue.

4. **Product Shipment and Risk of Loss.** Unless otherwise agreed to in writing by Gaumard, all Products will be shipped F.O.B. Destination, freight prepaid and added, including provisions for payments of freight, insurance, the form of shipping documents, or selection of carrier by Gaumard. Any prepaid freight costs by Gaumard shall be repaid to the Gaumard by Customer. As such, title to the Products passes to the Customer at the place of delivery to Participating Agency. Gaumard is responsible for shipping charges and for the cost of insurance paid to cover any losses that may occur from Gaumard's shipment point to Customer's receipt. Gaumard shall use reasonable efforts to meet the Gaumard-specified delivery dates. If Gaumard fails to make delivery within a reasonable time for reasons other than Customer's fault or circumstances beyond Gaumard's reasonable control, then Customer's sole remedy is to terminate the applicable Gaumard Invoice, whereupon Gaumard will refund any pre-payments received from Customer relating to such Gaumard Invoice.
5. **Installation and Acceptance.** Purchase Orders are subject to: 1) written acceptance by Gaumard; 2) receipt by Gaumard of required deposits or pre-paid amounts, as applicable; and 3) continuing credit approval. If applicable, Gaumard will install Equipment at an agreed upon location ("Installation"). All Products shall be deemed accepted upon delivery to Customer's location or dock, unless Customer issues a written rejection to Gaumard within seven (7) days following delivery. Installation is subject to Customer's cooperation in preparing and maintaining the site in compliance with Gaumard specifications, including but not limited to, provision of necessary permits, site readiness (any applicable electrical and other connections are installed and available for use), and all environmental conditions. If Customer's site is not fully prepared for Installation of the Products, Gaumard will not be able to perform the Installation and Customer shall be solely responsible for any storage, handling, or other arrangements to hold the Products for future Installation. If applicable, Customer and Gaumard shall jointly set a new Installation date. Customer shall ensure that the site is fully prepared for Installation before attempting to re-schedule Installation, that Product to be installed is available onsite, and shall bear all costs associated with the Installation and re-scheduling of same.
6. **Delay of Performance.** The Parties' obligations under this Agreement are subject to force majeure, including but not limited to, civil insurrection, terrorism, fire, flood, labor disputes, shortages, delays of suppliers or contractors, or government priority systems, actions taken or threatened by any governmental agencies, acts of God or other contingencies or acts not within the sole control of the Parties. Gaumard reserves the right during any shortage period to: (a) make Supplies available to Customer (as Gaumard deems appropriate) and (b) make substitutions and modifications in the specifications of any Products, provided such substitutions or modifications do not materially affect the performance of Products.
7. **LIMITED PRODUCT WARRANTY.** Gaumard warrants that if a Gaumard-branded Product proves to be defective in material or workmanship within one year from the date on which title to the Product passes to the Customer ("Limited Product Warranty Period"), Gaumard will, at Gaumard's option, repair or replace the Gaumard Product. This Limited Product Warranty covers all defects in material and workmanship in the Gaumard Product, except: (a) Damage resulting from accident, misuse, abuse, neglect, or unintended use of the Gaumard Product; (b) Damage resulting from failure to properly maintain or store the Gaumard Product in accordance with Gaumard Product instructions, including failure to properly clean the Gaumard Product; and (c) Damage resulting from a repair or attempted repair of the Gaumard Product by anyone other than Gaumard or a Gaumard representative. Replacement parts are warranted for the remainder of the Limited Product Warranty Period or ninety (90) days from shipment of a

replacement part, whichever is longer. Services are warranted to be supplied in a workman-like manner. Gaumard does not warrant that use of the Gaumard Products will be uninterrupted or error-free, or that the Products will operate with non-Gaumard authorized third-party products. THE FOREGOING LIMITED PRODUCT WARRANTIES ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO: 1) ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, PERFORMANCE, SUITABILITY OR NON-INFRINGEMENT; 2) RELATING TO ANY THIRD-PARTY PRODUCTS OR SOFTWARE; OR 3) REGARDING THE RESULTS TO BE OBTAINED FROM THE PRODUCTS OR SOFTWARE. GAUMARD EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT STATED IN THIS LIMITED PRODUCT WARRANTY. THIS LIMITED PRODUCT WARRANTY MAY BE VOIDED BY GAUMARD, AT GAUMARD'S SOLE DISCRETION, IF THIRD-PARTY PRODUCTS NOT PROVIDED OR AUTHORIZED BY GAUMARD ARE INSTALLED ON THE GAUMARD PRODUCT.

THIS LIMITED PRODUCT WARRANTY IS GIVEN SOLELY TO THE ORIGINAL CUSTOMER AND IS NOT GIVEN TO ANY THIRD PARTY INCLUDING, WITHOUT LIMITATION, SUBSEQUENT PURCHASERS OR USERS OF THE PRODUCTS OR CUSTOMERS OF THE CUSTOMER. THIS LIMITED PRODUCT WARRANTY IS VOID UPON TRANSFER OF PRODUCT BY CUSTOMER TO ANY OTHER ENTITY. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO CUSTOMER.

THIS LIMITED PRODUCT WARRANTY DOES NOT APPLY TO ANY PRODUCTS THAT ARE SUPPLIED ON A PRE-RELEASE OR "AS-IS" BASIS.

8. **Limited Product Warranty:** Claims and Remedies. In the event of any Limited Product Warranty claim, Gaumard, at its option, will repair or replace with new or repaired items any Product part or component that is covered by the Limited Product Warranties specified in Section 7 of these Terms (the "Limited Product Warranty"). At its option, Gaumard also may choose to issue a credit to Customer in an amount equal to the depreciated price of the product. Items, including parts, repaired or replaced shall become Gaumard property. All Limited Product Warranty claims shall be initiated by contacting Gaumard within the applicable Limited Product Warranty Period and within thirty (30) days after discovery of the alleged non-conformity. If Customer has failed to notify Gaumard within the applicable Limited Product Warranty Period, then Customer shall be barred from instituting any action thereafter. Customer shall not return any Product to Gaumard without prior authorization from Gaumard. If the necessary repairs to the Product are covered by the Limited Product Warranty, then Customer shall pay only the incidental expenses associated with the repair, including any shipping, handling, and related costs for sending the Product to Gaumard and for sending the Product back to the Customer. However, if the necessary repairs to the Product are not covered by the Limited Product Warranty, then Customer shall be liable for all repair costs in addition to costs of shipping and handling. Upon request, Gaumard must be given access to and an opportunity to inspect the Product and any working areas and storage areas. These remedies shall comprise Gaumard's entire liability and Customer's exclusive remedy for breach of warranty and are in lieu of any other remedies at law or equity.
9. **LIMITATION OF LIABILITY.** GAUMARD SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL LOSSES,

DAMAGES, OR EXPENSES (INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, OR USE), DIRECTLY OR INDIRECTLY ARISING FROM THE SALE, HANDLING, SERVICE, OR USE OF PRODUCT OR SERVICES ORDERED OR FURNISHED, OR FROM ANY CAUSE RELATING THERETO, EXCEPT TO THE EXTENT CAUSED BY GAUMARD'S NEGLIGENCE, BREACH OF CONTRACT, OR VIOLATION OF LAW. EXCEPT FOR PERSONAL INJURY OR DEATH TO THE EXTENT RESULTING FROM GAUMARD'S GROSSLY NEGLIGENT OR INTENTIONALLY WRONGFUL ACTS OR OMISSIONS, IN NO EVENT SHALL GAUMARD BE LIABLE UNDER ANY LEGAL THEORY OR FOR ANY CAUSE RELATED TO A PRODUCT OR SERVICE, WHETHER BASED UPON WARRANTY, CONTRACT, TORT, NEGLIGENCE, OR OTHER THEORY, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, FOR ANY AMOUNT IN EXCESS OF THE GREATER OF: (A) THE PRICE, FEE, OR CHARGE RECEIVED BY GAUMARD FOR SUCH PRODUCT OR SERVICE; OR \$100,000.

10. **Governmental Authorizations.** Customer is responsible for compliance and costs associated with all required licenses, permits, or other governmental authorizations, including but not limited to, any license or certification needed for Customer to use the Product, and any export or import license, exchange permit, or the like ("Licenses"), even if applied for by Gaumard on Customer's behalf. If any authorization is delayed, denied, revoked, restricted, or not renewed, Gaumard shall not be liable, and Customer is not relieved of its obligations. Customer agrees that it shall handle all Product and technical data related to the Licenses so that it conforms to all applicable U.S. Laws and Regulations, including U.S. Export Licensing Laws and the U.S. Foreign Corrupt Practices Act. Customer shall not trans-ship, divert, re-export or otherwise dispose of any U.S. origin goods or technology obtained from Gaumard except as U.S. Laws and Regulations expressly permit.

11. **Indemnity.**

- a. Gaumard agrees to indemnify, defend and hold Customer, its officers, directors, employees, agents and contractors harmless from and against all direct losses, damages, liability, costs and expenses (including reasonable attorneys' fees and expenses) by reason of any claims or actions by third parties against Customer for: (1) bodily injury or death, and damage, loss or destruction of any real or tangible personal property, which third party claims arise out of or relate to Gaumard's negligence, gross negligence or willful misconduct or (2) infringement or misappropriation by Gaumard of any United States intellectual property rights under this Agreement.
- b. Customer agrees to indemnify, defend and hold Gaumard, its officers, directors, employees, agents and contractors harmless from and against all direct losses, damages, liability, costs and expenses (including reasonable attorneys' fees and expenses) by reason of any claims or actions by third parties against Gaumard for: (1) bodily injury or death, and damage, loss or destruction of any real or tangible personal property, which third party claims arise out of or relate to Customer's negligence, gross negligence or willful misconduct; (2) infringement or misappropriation by Customer of any United States intellectual property rights under this Agreement; or (3) Customer's use of the Products or Services, including without limitation, defamation, libel, slander, obscenity, pornography, or violation of the rights of privacy or publicity, or spamming or any other tortious or illegal conduct.

12. **Software License.** For purposes of these Terms, the term "Software" is defined as all Gaumard-branded computer software, firmware, and associated documentation, whether in printed or

machine- readable form, supplied by reason of this Agreement or for use in connection with Equipment or Services. To the extent the Product includes Software, Customer's use of the Software is governed by the Gaumard End User License Agreement attached as Exhibit A to these Terms.

13. **Confidential Information.** Customer shall maintain the confidentiality of any information provided or disclosed by Gaumard relating to the Software (as defined above), the Product, the Equipment, the Supplies, business or customers of Gaumard, as well as this Agreement and its terms (including the pricing and other financial terms under which the Customer will be obtaining the Products and Services hereunder) ("Confidential Information"). Customer shall use reasonable care to protect the confidentiality of Gaumard's Confidential Information, but no less than the degree of care it would use to protect Customer's own confidential information, and shall only disclose Gaumard's Confidential Information to its employees and agents having a need to know this information and who are subject to written confidentiality agreements having terms at least as restrictive as those contained herein. The obligations of confidentiality set forth herein shall not apply to any information in the public domain at the time of disclosure, or any information disclosable pursuant to a public records request made under applicable law.
14. **Intended Uses.** Products are only intended for the uses described in the applicable user's guide or instructions for use. Customer assumes all risks associated with non-listed uses of Products and hereby indemnifies and holds Gaumard harmless from any claim associated with such non-listed uses.
15. **Compliance with Laws.** Gaumard and Customer agree to comply with all federal and state laws that govern the enforceability and performance of this Agreement.
16. **HIPAA Compliance.** As of the Effective Date, the Parties are not planning to transfer any personal patient information between them. However, the Parties understand and agree that this Agreement may become subject to the Health Insurance Portability and Accountability Act of 1996 as amended ("HIPAA"), the privacy and security regulations promulgated thereunder, including 45 C.F.R. 160, 162 and 164, as amended (the "HIPAA Regulations"), and Title XIII of Division A and Title IV of Division B (the "Health Information Technology for Economic and Clinical Health Act ("HITECH"), part of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) ("ARRA")). The Parties agree to comply with HIPAA and to execute any documents that may be required by HIPAA, HITECH, and any other applicable federal or state privacy laws and regulations. The Parties agree that if they directly or indirectly gain access to Protected Health Information ("PHI") held by the other Party during any interaction, the receiving Party will keep the PHI confidential under the terms of this Agreement.
17. **Voice Capture.** Some Gaumard Products use cloud-based speech recognition technologies that listen for voice inputs and send voice data to cloud-based speech recognition technologies. Voice data is used to power Gaumard's speech recognition feature by creating a text transcription of your spoken words. Microsoft (or another vendor) will be able to review snippets of the voice data or voice clips in order to build and improve its speech recognition technologies. Gaumard will be able to review the text transcriptions in order to improve its simulation technologies. Gaumard and Microsoft protect users' privacy by taking steps to de-identify the data, requiring non-disclosure agreements with relevant vendors, and requiring that employees and vendors meet high privacy standards. Customer shall inform all persons using the Gaumard Products with speech recognition technologies of the voice capture features and obtain any consent(s) from such persons as may be necessary to comply with applicable laws or regulations in Customer's jurisdiction.

18. **State Reporting and Disclosure Laws.** Unless otherwise noted in this Agreement, the cost of any Product training provided by Gaumard shall be included in the purchase price of the Product where applicable. Customer acknowledges and agrees that state reporting laws may require Gaumard to disclose certain aspects of this arrangement.
19. **Fraud and Abuse.** Gaumard hereby represents that, to the extent applicable based on the Products and Services provided, it is not currently a listed vendor in the: (a) Federal General Services Administration's "List of Parties Excluded from Federal Procurement or Nonprocurement Programs" in accordance with Presidential Executive Orders 12549 and 12689 "Debarment and Suspension;" and (b) Office of the Inspector General of the Department of Health and Human Services' "List of Excluded Individuals/Entities." Any discounted pricing terms offered under this Agreement may be a "discount or other reduction in price" under the Federal Anti-Kickback Statute, 42 U.S.C. § 1320a-7b(b). Customer shall take all actions necessary to comply with the Anti-Kickback Statute discount safe harbor regulations, 42 C.F.R. § 1001.952(h), including but not limited to: (1) maintaining accurate records reflecting the pricing terms of items and Services purchased under this Agreement; (2) fully and accurately report any discount received under this Agreement if applicable; and (3) make available information provided to Customer by Gaumard concerning cost reports and other filings with the government, including but not limited to, the Secretary of the U.S. Department of Health and Human Services or other state agencies.
20. **Regulatory Compliance.** The Parties agree to conduct their relationship in full compliance with all applicable state, federal and local laws and regulations, including but not limited to, the federal Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)). The Parties agree that no part of this Agreement shall be construed to induce or encourage patients or the purchase of health care services or supplies. The Parties acknowledge that there is no requirement under this Agreement that any party refer any patients to any health care provider or purchase any health care goods or services from any source.
21. **Bankruptcy.** Except as may be prohibited by applicable bankruptcy laws, a Party to this Agreement may elect to terminate this Agreement (including any Purchase Orders) if any of the following situations arise: (1) the other Party becomes insolvent or is unable to pay debts as they become due; (2) a voluntary or involuntary bankruptcy proceeding is instituted by or against a Party hereto; or (3) an appointment of a receiver or assignee for the benefit of creditors occurs on behalf of a Party hereto.
22. **Waiver and Severability.** If either Party fails to perform obligations under this Agreement, such nonperformance shall not affect the other Party's right to enforce performance at any time. Waiver of any remedy or material breach of any subject matter contained in this Agreement shall not be viewed as a waiver unless agreed to by the Parties in writing. Each provision of this Agreement is separate and independent of one another, and the unenforceability of any provision will not affect the enforceability of any other provision. If any provision is held to be excessively broad or unenforceable, such provision shall be modified so that it is enforceable to the fullest extent possible by law.
23. **Assignment.** Customer shall not assign this Agreement without the prior written consent of Gaumard. Subject to the foregoing, the rights and obligations herein will be binding upon the successors and assigns of Customer.

24. **Notices.** Any required notices will be given in writing to Gaumard as set forth in the applicable Gaumard Invoice or other purchasing document.
25. **Governing Law.** Upon execution, this Agreement shall be governed and viewed under the laws of the State of California without reference to its conflict of laws provisions. Customer and Gaumard specifically agree that any action relating to the relationship between the Parties, this Agreement, or Products provided, purchased or licensed hereunder, shall be brought and tried in the State or Federal Courts of the City of Sacramento, County of Sacramento, State of California, subject to transfer of venue under applicable State law. Customer waives all objections to, and consents to the jurisdiction of such Courts.
26. **Miscellaneous; Survival.** See applicable Gaumard Invoice documents and Gaumard Cares Service Plan documents for other terms and conditions applicable to your purchase, which may include, but are not limited to: Term, Termination, Customer Training and Support, and Product Repairs and Tune Ups. Any provision of this Agreement that imposes upon Customer an obligation after termination or expiration of this Agreement, including but not limited to any definitions appearing in this Agreement as well as Sections 3, 5 through 16 inclusive, and 18 through 26 inclusive, shall survive termination or expiration of this Agreement and be binding upon Customer, its successors and permitted assigns.

GAUMARD END USER LICENSE AGREEMENT

This End User License Agreement (“*EULA*”) sets forth the respective rights and responsibilities between the entity named in the Gaumard Quotation and/or Gaumard Invoice associated with this EULA (“*End User*”) and Gaumard Scientific Company, Inc., a Florida corporation (“*Gaumard*”), relative to the Gaumard Software (as defined below). This EULA is effective as of the date Gaumard accepts and confirms the Purchase Order (the “*Effective Date*”). BY USING THE GAUMARD-BRANDED SOFTWARE, END USER IS AGREEING TO BE BOUND BY THE TERMS OF THIS EULA. IF END USER DOES NOT AGREE, END USER MAY NOT USE THE GAUMARD SOFTWARE.

1. Definitions.

- 1.1 “*Gaumard Documentation*” means the Gaumard user guides and related materials provided by Gaumard to End User to facilitate use of the Gaumard Products.
- 1.2 “*Gaumard Equipment*” means Gaumard-branded hardware components for medical simulation and training, including manikins and associated instrumentation, sold by Gaumard to End User.
- 1.3 “*Gaumard Products*” means Gaumard Equipment sold or otherwise made available by Gaumard to End User currently or in the future.
- 1.4 “*Gaumard Software*” means the object code form of computer programs and Gaumard Documentation owned by Gaumard or its licensors and licensed to End User in accordance with this EULA. Gaumard Software includes (a) computer programs embedded in firmware in the Gaumard Equipment; (b) computer programs embedded in a separate medium (such as a CD or flash drive) for use in conjunction with the Gaumard Equipment; (c) computer programs downloaded or received from Gaumard; (d) computer programs used on servers storing or processing data related to the Gaumard Products; and (e) computer programs used to create and manage a network for the Gaumard Equipment, interface with the components of the Gaumard Equipment, manage and compute location information related to the Gaumard Equipment, and monitor health of the Gaumard Equipment.

2. Software License and Restrictions.

- 2.1 License. Subject to End User’s compliance with the terms and conditions of this EULA, the Gaumard Sales Terms and Conditions, the Gaumard Invoice, the Gaumard Limited Product Warranty, and the Gaumard Cares Service Plan Agreement, Gaumard grants End User a non-exclusive, non-transferable (except as otherwise set forth herein), limited, personal license to execute and use the Gaumard Software for End User’s internal business purposes, but only so long as the Gaumard Software is installed on the Gaumard Product on which it was originally supplied. End User may not, directly or indirectly, sell, sublicense, display, timeshare, loan, lease, make or have made, distribute, or create derivative works of the Gaumard Software. All other rights are reserved to Gaumard.
- 2.2 Ownership. All rights, title, and interest in and to the Gaumard Software, and any derivative works thereof, whether created by Gaumard, End User, or a third party, will remain at all times solely and exclusively owned by Gaumard. Nothing in this EULA or the Gaumard Invoice will

be construed to grant End User any rights of any kind with respect to the Gaumard Software, except as expressly set forth in this EULA.

- 2.3 Reverse Engineering and Other Restrictions. End User will not, and will not allow any third party to, tamper with, modify, decompile, disassemble, derive the source code of, reverse engineer, or attempt to obtain the internal design of the Gaumard Software or Gaumard Products for any purpose whatsoever (collectively, “***Restricted Acts***”). If applicable law permits End User to take any of the Restricted Acts notwithstanding the previous prohibition, and End User wishes to take any Restricted Act notwithstanding the previous prohibition, End User will first provide Gaumard with thirty (30) days prior written notice. Gaumard may terminate this EULA at any time during such notice period without liability arising from such termination. The Parties agree that all information needed for interoperability for the Gaumard Products is available from Gaumard in accordance with applicable government directives as well as the contemplated permitted uses for the Products by Customer.
- 2.4 Updates. From time-to-time Gaumard may develop new versions or updates for the Gaumard Software that may be made available to the End User. Unless otherwise agreed to by Gaumard, End User shall be responsible for installing the provided new versions or updates for the Gaumard Software.
- 2.5 Proprietary Notices. End User agrees to maintain and reproduce on all copies of the Gaumard Software, any names, logos, copyright notices, trademarks, other proprietary markings, and legends that appear on the Gaumard Software.
- 2.6 Control of Duplication. End User will not, nor will it allow any third party to, circumvent the protection controlling the duplication or use of the Gaumard Software, for example and without limitation, any software lock controlling the number of copies End User may make of the Gaumard Software.
- 2.7 No Source Code. End User acknowledges and agrees that its rights under this EULA do not include rights to source code. In its exercise of the rights granted under this EULA, End User agrees not to take any action that would result in any requirement to disclose or make available to other parties the Gaumard Software in source code format.
- 2.8 Certification. Upon thirty (30) days written notice to End User from Gaumard, End User shall certify End User’s compliance with the restrictions and obligations in this EULA. Such requests will not occur more frequently than once per calendar year. If End User has used the Gaumard Software in violation of this EULA, End User shall, in addition to any other remedies Gaumard may have, pay Gaumard additional fees for the excess use according to Gaumard’s then-current price list and policies, plus a late payment charge of one percent (1.0%) per month (or the highest amount allowed by applicable law, if lower) for each month of excess use from the date of initial excess use.
- 2.9 Privacy and Recordings. End User will comply with all applicable laws, rules and regulations related to privacy, publicity and data protection related to use of the Gaumard Products. End User shall not use the Gaumard Software to record or collect personal data from any person in violation of End User’s policies or privacy statements. End User shall receive express consent from all persons recorded by the Gaumard Software sufficient for End User’s use, storage, and distribution of such recordings. Notwithstanding this provision, the Parties acknowledge and

agree that the Gaumard Products and Gaumard Software are provided solely for use as medical training and simulation tools and not for actual treatment of patients. The Parties are not planning to transfer any personal patient information between them, nor shall Customer store, introduce, download or load personally identifiable data or patient information into the Gaumard Products or Gaumard Software.

3. Term and Termination.

3.1 Term. This EULA commences on the Effective Date and continues perpetually, unless terminated earlier in accordance with the terms hereof.

3.2 Termination for Cause. This EULA is automatically terminated by Gaumard if the other Party materially breaches this EULA, the Gaumard Sales Terms and Conditions, the Gaumard Quotation, Gaumard Invoice, the Gaumard Limited Product Warranty, or the Gaumard Cares Service Plan Agreement. In addition, Gaumard may terminate this EULA if: (a) End User becomes insolvent or makes an assignment for the benefit of End User's creditors; or (b) a receiver is appointed or a petition in bankruptcy is filed with respect to End User and such petition is not dismissed within thirty (30) days.

3.3 Effect of Termination. Upon the termination of this EULA for any reason, all licenses granted in Section 2 above will immediately cease and terminate. Upon termination, End User will immediately cease using the Gaumard Software.

3.4 Survival. Sections 3 through 6 will survive the termination of this EULA.

4. Confidential Information; Trademarks.

4.1 Confidential Information. End User acknowledges and agrees that the Gaumard Software is Confidential Information and contains trade secrets of Gaumard. End User agrees to: (i) hold the Gaumard Software in the strictest confidence; (ii) not disclose the Gaumard Software to any third party for any purpose; and (iii) use at least the same security measures as End User uses to protect its own confidential and trade secret information but no less than reasonable measures to protect the confidentiality of the Gaumard Software. End User agrees and acknowledges that any breach of the provisions regarding ownership or confidentiality contained in this Agreement shall cause Gaumard irreparable harm and Gaumard may obtain injunctive relief without the requirement to post a bond as well as seek all other remedies available to Gaumard in law and in equity in the event of breach or threatened breach of such provisions.

4.2 Trademarks. End User may not use Gaumard's trademarks, logos, service marks, or names in press releases, web sites, marketing, or other forms of public materials without the prior written consent of Gaumard. All use of the Gaumard trademarks and all goodwill associated with them will inure solely to the benefit of Gaumard.

5. Disclaimer; Limitation of Liability; Infringement Indemnification.

5.1 Limited Software Warranty and Disclaimer. For a period of twelve (12) months from the Effective Date, Gaumard will: (a) provide all updates to the Software that are made available generally and (2) use reasonable efforts to fix or provide a workaround for any Gaumard Software issue or bug that may prevent operation in substantial conformity with the Gaumard Documentation.

Other than the above, the Gaumard Software is provided “as-is,” with no express or implied warranties of any kind, including the warranties of merchantability, fitness for a particular purpose, or non-infringement. THE FOREGOING LIMITED SOFTWARE WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO: 1) ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, PERFORMANCE, SUITABILITY OR NON-INFRINGEMENT; 2) RELATING TO ANY THIRD-PARTY PRODUCTS OR SOFTWARE; OR 3) REGARDING THE RESULTS TO BE OBTAINED FROM THE PRODUCTS OR SOFTWARE. GAUMARD EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT STATED IN THIS LIMITED SOFTWARE WARRANTY. THIS LIMITED SOFTWARE WARRANTY MAY BE VOIDED BY GAUMARD, AT GAUMARD’S SOLE DISCRETION, IF THIRD-PARTY PRODUCTS NOT PROVIDED OR AUTHORIZED BY GAUMARD ARE INSTALLED ON THE GAUMARD PRODUCT.

THIS LIMITED SOFTWARE WARRANTY IS GIVEN SOLELY TO THE ORIGINAL CUSTOMER AND IS NOT PROVIDED TO ANY THIRD PARTY INCLUDING, WITHOUT LIMITATION, SUBSEQUENT PURCHASERS OR USERS OF THE PRODUCTS OR CUSTOMERS OF THE CUSTOMER. THIS LIMITED PRODUCT WARRANTY IS VOID UPON TRANSFER OF PRODUCT BY CUSTOMER TO ANY OTHER ENTITY. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO CUSTOMER.

THIS LIMITED SOFTWARE WARRANTY DOES NOT APPLY TO ANY PRODUCTS THAT ARE SUPPLIED ON A PRE-RELEASE BASIS.

5.2 Limitation of Liability. THE TOTAL LIABILITY, IF ANY, OF GAUMARD TO END USER OR ANY THIRD PARTY FOR ALL DAMAGES BASED ON ALL CLAIMS, WHETHER ARISING FROM BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, INDEMNITY, STRICT LIABILITY, TORT, OR OTHERWISE, ARISING FROM THE GAUMARD PRODUCTS IS LIMITED TO ONE HUNDRED THOUSAND DOLLARS (USD \$100,000). IN NO EVENT WILL GAUMARD BE LIABLE TO END USER OR ANY THIRD PARTY FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, OR PUNITIVE DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF REVENUES, LOSS OF PROFITS, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5.3 Infringement Indemnification. Gaumard will, as further described below, indemnify, defend, and hold End User harmless, at its expense, against any claim or suit brought by a third party against End User alleging that any Gaumard Software furnished under this EULA infringes the United States patent, trademark, copyright or other intellectual property right of a third party. Gaumard will pay all reasonable settlements entered into or damages finally awarded by a court of appropriate jurisdiction. including reasonable attorneys’ fees and costs, based on any such claim or suit; provided that End User gives Gaumard prompt written notice of such claim and gives Gaumard information, reasonable assistance, and sole authority to defend or settle the claim. In defense or settlement of the claim, at its sole discretion, Gaumard may obtain for

End User the right to continue using the Gaumard Software, replace or modify the Gaumard Software so that it becomes non-infringing, or, if such remedies are not reasonably available, grant End User a refund for the associated Gaumard Products (depreciated over three years) and accept their return. Gaumard shall not have any liability if the alleged infringement is based upon: (a) the use or sale of the Gaumard Software in combination with other products or devices not furnished by Gaumard; (b) the use of the Gaumard Software in a manner for which they were not designed as described by the Gaumard Documentation; (c) any modification of the Gaumard Software not performed by or authorized by Gaumard; (d) any use of Gaumard Software by End User after End User learns of such allegation of infringement; (e) any failure by End User to utilize a non-infringing version of the Gaumard Software made available by Gaumard along with notice that such update is non-infringing; or (f) Customer's use of an earlier version or versions of the Gaumard Software for which Gaumard has made an update available and Customer either did not obtain or did not install the updated version(s). The obligations set forth in this Section 5.3 are Gaumard's sole obligations, and End User's sole and exclusive remedy, for any claims that Gaumard Software infringes third party intellectual property rights.

6. Miscellaneous.

- 6.1 Binding Effect; Assignment. This EULA will be binding upon, and inure to the benefit of, End User's and Gaumard's respective permitted successors and permitted assigns. Neither Party may assign or transfer this EULA or any of the rights, privileges, duties or obligations under this EULA without the prior written consent of the other Party, except that either Party may assign this Agreement to any entity controlled by, controlling, or under common control with such Party, as well as in connection with the sale, transfer, merger, or acquisition, whether by operation of law or otherwise, of substantially all of the assets of a Party.
- 6.2 Notices. Any written notice required by this EULA will be deemed made (a) when delivered by personal service; (b) upon receipt after being sent by recognized international overnight courier service (such as FedEx); or (c) when received, if sent by certified or registered mail, postage prepaid, return receipt requested. Any such notice given to a Party shall be sent to the addresses on the attached Gaumard Invoice. By giving to the other Party written notice thereof, the Parties and their respective permitted successors and assigns will have the right from time to time to change by written notice their respective addressee or address for notices.
- 6.3 Applicable Law. The validity of this EULA and the rights, obligations and relations of the Parties hereunder shall be construed and determined under and in accordance with the substantive laws of the State of California, without regard to its provisions on conflicts of laws. All disputes arising under or related to this EULA shall be resolved exclusively in the State or Federal Courts located in the City of Sacramento, County of Sacramento, State of California, subject to transfer of venue under applicable State law. The Parties consent to the jurisdiction and venue of such Courts and waive any claims as to inconvenient forum. The judgments of such Courts may be enforced in any court of competent jurisdiction.
- 6.4 Export Control. End User will not export or re-export the Gaumard Software, including any technical data, except as authorized and permitted by, and in compliance with, the laws and regulations, including but not limited to all export and re-export laws and regulations, of the United States.

- 6.5 Severability. If any provision of this Agreement is held illegal or unenforceable by a court of competent jurisdiction in a judicial proceeding, such provision shall be severed and shall be inoperative, and the remainder of this Agreement shall remain operative and binding on the Parties.
- 6.6 Entire Agreement. This EULA constitutes the entire Agreement and understanding of the Parties relating to the subject matter of this EULA. This EULA supersedes all prior written and oral agreements and all other communications between End User and Gaumard (or a Gaumard distributor) regarding the subject matter of this EULA. No contradictory terms and conditions of any quotation, invoice, or other document issued by End User relating to the subject matter of this EULA shall be binding, unless agreed by the parties.
- 6.7 Waiver of Breach. No waiver by a Party of any breach of this EULA will constitute a waiver of any other breach of the same or other provisions of this EULA. No waiver by a Party will be effective unless made in a record signed or otherwise authenticated by an authorized representative of such Party.
- 6.8 Relationship of the Parties. The Parties are independent contractors. Nothing in this EULA or in the activities contemplated by the Parties will be deemed to create an agency, partnership, employment or joint venture relationship between the Parties. Neither Party will have any responsibility or liability for the actions of the other Party except as expressly provided in this EULA. Neither Party will have any right or authority to bind or obligate the other party in any manner or make any representation or warranty on behalf of the other Party. This EULA is made and entered into for the sole protection and benefit of Gaumard, its licensors and suppliers, and End User as listed on the Gaumard Invoice for the Gaumard Products and Services. No other person or entity shall be a direct or indirect beneficiary of this EULA nor shall any other party or entity have any direct or indirect cause of action or claim arising from this EULA.
- 6.9 Fraud and Abuse. Gaumard hereby represents that, to the extent applicable based on the Products and Services provided, it is not currently a listed vendor in the: (a) Federal General Services Administration's "List of Parties Excluded from Federal Procurement or Nonprocurement Programs" in accordance with Presidential Executive Orders 12549 and 12689 "Debarment and Suspension;" and (b) Office of the Inspector General of the Department of Health and Human Services' "List of Excluded Individuals/Entities." Any discounted pricing terms offered under this Agreement may be a "discount or other reduction in price" under the Federal Anti-Kickback Statute, 42 U.S.C. § 1320a-7b(b). Customer shall take all actions necessary to comply with the Anti-Kickback Statute discount safe harbor regulations, 42 C.F.R. § 1001.952(h), including but not limited to: (1) maintaining accurate records reflecting the pricing terms of items and Services purchased under this Agreement; (2) fully and accurately report any discount received under this Agreement if applicable; and (3) make available information provided to Customer by Gaumard concerning cost reports and other filings with the government, including but not limited to, the Secretary of the U.S. Department of Health and Human Services or other state agencies.
- 6.10 Regulatory Compliance. The Parties agree to conduct their relationship in full compliance with all applicable state, federal and local laws and regulations, including but not limited to, the federal Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)). The Parties agree that no part of this Agreement shall be construed to induce or encourage patients or the purchase of health

care services or supplies. The Parties acknowledge that there is no requirement under this Agreement that any party refer any patients to any health care provider or purchase any health care goods or services from any source.

GaumardCares Essential, GaumardCares Plus, and GaumardCares Premium Service Plan Agreement

1. **Introduction:** This GaumardCares Essential, GaumardCares Plus, and GaumardCares Premium Service Plan (“Agreement”) governs the product services provided to the Customer by Gaumard Scientific Company, Inc., a Florida Profit Corporation, with the principal address of 14700 SW 136 Street, Miami, Florida 33196 (hereinafter, “Gaumard”) under the Service Plan purchased by the Customer. The terms of this Agreement, the Purchase Order Form, and the Gaumard Sales Terms and Conditions are each part of this Agreement.
2. **Definitions:** The following terms shall have the meanings set forth below for the purposes of this Agreement.
 - a. “Customer” is the first purchaser and/or the first end user of the Products.
 - b. “Products” are the product(s) indicated on the Purchase Order Form for which the Customer has purchased a Service Plan and indicated on the Gaumard Cares Essential, Cares Plus, and Cares Premium Service Plan Summary attached hereto as **Exhibit A**.
 - c. “Purchase Order Form” is the written confirmation of the Customer’s purchase order that has been accepted in writing by an authorized representative of Gaumard.
 - d. “Service Plan” is the level of Service Plan—Cares Essential Plan, Cares Plus Plan, Cares Premium Plan—purchased by the Customer for the Products on the Purchase Order Form and as indicated on **Exhibit A**.
 - e. “Standard Limited Warranty” is Gaumard’s Exclusive One (1) Year Limited Warranty that accompanies the Products as defined in Sections 7 and 8 of the Gaumard Sales Terms and Conditions.
 - f. The “Term” of this Agreement begins on the Term Start Date and extends for the length of the Service Plan—5 years, 3 years, 2 years (“Standard Initial Extended Service Plan”) or as part of the extension purchase of the Service plan, after year 1 or 2 following the expiration of the Standard Initial Extended Service Plan—purchased by the Customer for the Products and indicated on the Gaumard Cares Service Plan Summary.
 - g. “Term Start Date” is the date on which ownership of the Products transfers from Gaumard to the Customer as indicated on the Gaumard Essential Cares, Cares Plus, and Cares Premium Service Plan Summary and as specified under the terms of the Gaumard Sales Terms and Conditions.
3. **Repairs and Preventative Maintenance:**
 - a. **Covered Repairs:** Gaumard will, at Gaumard's option, repair or replace a Product manufactured and produced by Gaumard that proves to be defective in material or workmanship during the term of this Agreement, including all defects in material and workmanship in the Product, except for:
 - i. Damage resulting from accident, misuse, abuse, neglect, or unintended use of the Product;
 - ii. Damage resulting from failure to properly maintain the Product in accordance with Gaumard’s Product instructions, including failure to properly clean the Product;
 - iii. Damage resulting from a repair or attempted repair of the Product by anyone other than Gaumard or a Gaumard representative; and
 - iv. Any Products or components of the Products manufactured by third parties, such as computers (desktop, laptop, tablet, or handheld) and monitors (standard or touch-screen). Defects in such third-party Products or components are covered solely by the warranties and/or service plans provided by the respective third-party manufacturers. To the extent possible, such third-party warranties and/or service plans shall be transferred from Gaumard to purchaser upon the Customer’s purchase of the

Product. Gaumard does not provide any warranty, express or implied, or service plan with respect to any third-party Products or component. Customer shall contact the third-party manufacturer for information regarding the availability of extended warranties and/or service plans for the third-party Products or components.

- b. Covered Preventative Maintenance (PM):** For Premium Plan and Plus Plan, Gaumard will perform Product PM at the request of the Customer up to a maximum of one (1) time per year during the Term of this Agreement. Product PM is not a substitute for proper Product maintenance and care by the Customer. Product PM is designed to work in conjunction with the Customer's proper use and maintenance of the Product to ensure that the Product is operating properly and in a fully functional manner. Product PM will vary from Product to Product, but may include such things as installing software updates, calibrating components, etc. The Customer is responsible for the cost of replacing any components during a Product PM that are not otherwise covered by the Standard Limited Warranty or this Agreement, such as consumables or other components that may be listed in the applicable Product user guide.
- c. Location of Covered Repairs and Preventative Maintenance (PM):**
 - i. Onsite:** For Premium Service Plan only, Gaumard will perform PM at the Customer's site. For Premium Service Plans only, Gaumard will perform repairs at the Customer's site.
 - ii. Offsite:** For Cares Plus and Cares Essential Service Plan only and unless otherwise agreed to by Gaumard, all repairs and PM will be performed at an authorized Gaumard facility. Gaumard is responsible for the shipping, handling, and related costs for sending the product to the Gaumard facility and returning the product to the Customer's site.
- d. Loaner Product:** A loaner Product or loaner component may be provided to the Customer during the time period in which the Product or component of the Product is being repaired or serviced by Gaumard. Loaner products and components are only available with the Premium Service Plan and the Plus Service Plan. Loaner Products and loaner components are provided based on availability and on a first-come, first-served basis. Following Customer's receipt of the loaner Product from Gaumard, Customer acknowledges and agrees to ship the damaged Product to Gaumard for inspection and repair within ten (10) days. Customer acknowledges and agrees that if the loaner Product is not received at the Gaumard facility within thirty (30) days of the Customer receiving the loaner Product, Customer may be responsible for additional fees (up to the full cost of the loaner Product). Once the Customer receives the repaired Product, Customer acknowledges and agrees that the loaner Product shall be returned to Gaumard immediately upon the Customer receiving the repaired or serviced Product. Customer acknowledges and agrees that if the loaner Product is not received at the Gaumard's facility within seven (7) business days of the Customer receiving the repaired or serviced Product, Customer may be responsible for additional fees (up to the full cost of the loaner Product).

4. Customer's Responsibilities:

- a. Payments:** Customer shall make timely payments for the Products and the Service Plan in accordance with the payment terms of this Agreement and/or the Purchase Order Form. In the event Customer fails to make a timely payment in accordance with the terms of the applicable agreement, all of Gaumard's obligations

under this Agreement shall be suspended until the Customer pays the outstanding balance, including any late fees or other applicable surcharges.

- b. Training:** To facilitate understanding of the proper operation and maintenance of the Products, Customer shall have an authorized representative attend at least one Product training session for each of the Products purchased.
- c. Maintenance:** Customer shall use the Products and perform preventative maintenance on the Products in accordance with Gaumard's Product instructions.
- d. Requesting Repair/Preventative Maintenance (PM):** In the event Customer believes a repair or PM of a Product is needed, Customer shall contact Gaumard (Telephone: Toll-free in the USA: (800) 882-6655; Worldwide: +1 (305)971-3790; E-mail: support@gaumard.com) and provide (1) Product information, including Product model number, Product serial number, Purchase Order Form number, and/or other Product information requested by Gaumard to assist Gaumard in identifying the Product and (2) Information about the symptoms of the Product. When needed, Gaumard will instruct the Customer to send the Product or component of the Product to an authorized Gaumard facility for servicing. Gaumard is responsible for the shipping, handling, and related costs of sending the Product to the authorized Gaumard facility. Customer shall NOT return the Product or component of the Product to Gaumard without prior authorization.
- e.** Customer shall ensure that any Gaumard-branded Product(s) that are shipped to Gaumard by Customer for a covered repair will be shipped properly in the shipping box. Customer will ensure that there are no other tracking labels (aside from the tracking label provided by Gaumard to Customer) on the shipping package. Customer shall also ensure to properly affix the plastic shipping pouch where the label will be provided. Should Customer not have a plastic shipping pouch, Customer shall ensure to use clear shipping tape over the shipping label to ensure that the shipping label is entirely covered. Gaumard shall not be responsible for any Gaumard-branded Product that is lost during transit.
- f. Backup Data:** Customer shall backup any data, software, or other information stored on or with the Product prior to a Product repair or PM. Customer acknowledges that during the course of a repair or PM Gaumard may reformat the Product, resulting in the loss of all data, software, or other information stored on or with the Product.

5. Term and Termination:

- a.** Unless otherwise terminated earlier in accordance with this Agreement, this Agreement shall automatically terminate at the end of the Term.

6. LIMITATION OF LIABILITY:

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GAUMARD AND ITS EMPLOYEES AND AGENTS WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM GAUMARD'S OBLIGATIONS UNDER THIS SERVICE PLAN, WHETHER BASED ON CONTRACT,

TORT, OR ANY OTHER LEGAL THEORY AND REGARDLESS OF WHETHER GAUMARD HAS BEEN ADVISED OF THE POSSIBILITIES OF SUCH DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GAUMARD AND ITS EMPLOYEES AND AGENTS' LIABILITY ARISING UNDER THIS SERVICE PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THE SERVICE PLAN BY THE CUSTOMER OR \$100,000, WHICHEVER IS GREATER. SOME JURISDICTIONS DO NOT ALLOW DISCLAIMERS OF IMPLIED WARRANTIES OR THE EXCLUSION OR LIMITATION OF CONSEQUENTIAL DAMAGES, SO THE ABOVE DISCLAIMERS AND EXCLUSIONS MAY NOT APPLY AND THE CUSTOMER MAY HAVE OTHER LEGAL RIGHTS.

7. GENERAL:

- a. **Non-Assignable and Non-Transferable:** This Agreement applies only to the Customer and is not assignable or transferable. Any subsequent purchasers or users of the product acquire the product "as is" and this Agreement does not apply.
- b. **Choice of Law:** This Agreement shall be governed by, and the terms hereof construed in accordance with, the laws of the State of California without regard to conflicts of law principles. Any demand, suit or cause of action arising out of this transaction shall be brought in a federal or state court located in Sacramento County, California, subject to transfer of venue under applicable State law, and the Parties hereby agree to submit to the jurisdiction of such courts and will not assert that such forum is inconvenient.
- c. **Entire Agreement:** This Agreement, the GaumardCares Service Plan Summary, the Purchase Order Form, and the Gaumard Sales Terms and Conditions, collectively, define the entire agreement between the Customer and Gaumard and supersedes any and all previous agreements, written or oral, between the Parties relating to the subject matter hereof. No amendment or modification of the terms of this Agreement, the Gaumard Cares Service Plan Summary, the Purchase Order Form, or the Gaumard Sales Terms and Conditions will be binding unless reduced to writing and signed by an authorized representative of both parties. Any term or condition on any order or other document submitted by Customer shall be of no force or effect whatsoever, and is specifically rejected.
- d. **Severability:** In the event that any provision of this Agreement is declared void, unenforceable, or against public policy, the remaining provisions of this Agreement shall remain in full force and effect, and this Agreement shall be interpreted as far as possible to give effect to the Parties' intent.
- e. **Waiver:** The waiver of a breach of any provision of this Agreement or the failure to insist upon strict performance of any provision hereof shall not constitute a waiver of any subsequent breach or of any subsequent failure to perform.
- f. **Force Majeure:** Each of the Parties shall be excused from performing hereunder because of any event outside of the Party's control that it could not have reasonably prevented (a "Force Majeure Event"). The Party affected by a Force Majeure Event shall be excused from further performance or observance of the obligations so affected for as long as such circumstances prevail and such Party continues to use commercially reasonable efforts to recommence its performance under the Agreement as soon as possible. Any Party so prevented, hindered or delayed by a Force Majeure Event shall within ten (10) business days of learning of the effect of the Force Majeure Event notify the Party to whom performance is due by telephone or email (to be confirmed in writing within ten (10) business days of the initial notice of such delay, if the initial notice is not in writing) and reasonably describe the circumstances of the Force Majeure Event. If Gaumard experiences a Force Majeure Event that generally affects its ability to service a substantial amount of its customer base, then Gaumard shall allocate resources to Customer as favorably as other similarly situated customers. If a Force

Majeure Event prevents Gaumard from performing a time-sensitive or critical service for ten (10) consecutive business days, Customer may terminate this Agreement upon written notice to Gaumard and Gaumard will pay Customer a pro rata refund of any pre-paid fees for unused portions of the maintenance and support service or professional service.

EXHIBIT A
(GaumardCares Service Plan Summary)

<u>COVERAGE</u> – Brief Description	<u>GAUMARD CARES SERVICE PLAN LEVEL</u>

GaumardCares Plus Plan is available for the following Simulators: S2210; S3010; S3004; S3005; S554.100; S3040.50; S3000; S2000; S2101; S2400; S574.100; S2220; S3040.100; S3201; and S2225

GaumardCares Premium Plan is available for the following Simulators: S3000; S2000; S2400; S574.100; S2220; S3040.100; S3201; S2225; S2200; and S5301

Previously purchased Gaumard Cares Service Plan(s) (i.e. Bronze, Silver, Gold, Platinum, and Platinum Plus Plans) will be honored for the duration of the original term. Gaumard Cares Service Plan(s) offered prior to January 10, 2025 will no longer be available. Service Plan is non-transferrable. The opt-in period is six (6) months post customer’s simulator purchase.

EXCLUSIVE ONE-YEAR LIMITED WARRANTY

Gaumard warrants that if the accompanying Gaumard product proves to be defective in material or workmanship within one year from the date on which the product is shipped from Gaumard to the customer, Gaumard will, at Gaumard's option, repair or replace the Gaumard product.

This limited warranty covers all defects in material and workmanship in the Gaumard product, except:

1. Damage resulting from accident, misuse, abuse, neglect, or unintended use of the Gaumard product;
2. Damage resulting from failure to properly maintain the Gaumard product in accordance with Gaumard product instructions, including failure to properly clean the Gaumard product; and
3. Damage resulting from a repair or attempted repair of the Gaumard product by anyone other than Gaumard or a Gaumard representative.

This one-year limited warranty is the sole and exclusive warranty provided by Gaumard for the accompanying Gaumard product, and Gaumard hereby explicitly disclaims the implied warranties of merchantability, satisfactory quality, and fitness for a particular purpose. Except for the limited obligations specifically set forth in this one-year limited warranty, Gaumard will not be liable for any direct, indirect, special, incidental, or consequential damages, whether based on contract, tort, or any other legal theory regardless of whether Gaumard has been advised of the possibilities of such damages. Some jurisdictions do not allow disclaimers of implied warranties or the exclusion or limitation of consequential damages, so the above disclaimers and exclusions may not apply and the first purchaser may have other legal rights.

This limited warranty applies only to the first purchaser of the product and is not transferable. Any subsequent purchasers or users of the product acquire the product "as is" and this limited warranty does not apply.

This limited warranty applies only to the products manufactured and produced by Gaumard. This limited warranty does not apply to any products provided along with the Gaumard product that are manufactured by third-parties. For example, third-party products such as computers (desktop, laptop, tablet, or handheld) and monitors (standard or touch-screen) are not covered by this limited warranty. However, third-party products are covered by the warranties provided by the respective third-party manufacturers and such warranties are transferred from Gaumard to purchaser upon purchase of the Gaumard product. Defects in third-party products are covered exclusively by the warranties provided by the third-parties. Gaumard does not provide any warranty, express or implied, with respect to any third-party products. Please contact the third-party manufacturer for information regarding the availability of extended warranties for third-party products.

Any waiver or amendment of this warranty must be in writing and signed by an officer of Gaumard.

In the event of a perceived defect in material or workmanship of the Gaumard product, the first purchaser must:

1. Contact Gaumard and request authorization to return the Gaumard product. Do NOT return the Gaumard product to Gaumard without prior authorization.
2. Upon receiving authorization from Gaumard, send the Gaumard product along with copies of (1) the original bill of sale or receipt and (2) this limited warranty document to Gaumard at 14700 SW 136 Street, Miami, FL, 33196-5691 USA.
3. If the necessary repairs to the Gaumard product are covered by this limited warranty, then the first purchaser will pay only the incidental expenses associated

with the repair, including any shipping, handling, and related costs for sending the product to Gaumard and for sending the product back to the first purchaser. However, if the repairs are not covered by this limited warranty, then the first purchaser will be liable for all repair costs in addition to costs of shipping and handling.

In accordance with the warranty terms set forth above, this Exclusive One-Year Limited Warranty is effective as of _____ (Shipping Date) and applies only to:

_____(Name)

_____(Address)

Lowest Price Commitment Certification

In accordance with regulations established for California Public Contract Code 20661(a)(2) and California Code of Regulations Title 5 section 59131(b), FoundationCCC shall require a vendor to certify that the goods or services provided pursuant to the contract shall carry the lowest cost available upon the same terms, conditions, and specifications. As such, Supplier certifies that the cost to each California Community College District that is a beneficiary of this Agreement is lower than the cost a California Community College District could obtain through its standard contracting procedures and is the lowest cost available for the same products and/or services in Exhibit F, upon the same terms, conditions, and specifications herein. This certification does not preclude Supplier from providing greater discounts than outlined in Exhibit F to a California Community College District in recognition of unique factors such as volume spend.

(Master Services Agreement)

SUPPLIER COMMITMENT & PROGRAM PROMOTION

Supplier Commitment. FoundationCCC asks each Supplier to make four basic commitments to ensure the overall success of the program.

1. **Corporate Commitment** - A commitment that FoundationCCC has the support of senior management, and that FoundationCCC contract is the Supplier's primary offering to Participating Agencies, specifically to the California Community Colleges. The Supplier shall make its existing public and private agency clients aware of its FoundationCCC contract, and upon the public and private agency's request, such agency will be transitioned to the Supplier's FoundationCCC contract.
2. **Sales Commitment** - A commitment that the Supplier will market FoundationCCC contract and that the sales force will be trained, engaged and committed to offering FoundationCCC agreement to Participating Agencies nationwide, with a further commitment that all FoundationCCC sales be accurately and timely reported.
3. **Service Commitment** - A commitment that the Supplier will provide at minimum the level of service defined in the agreement to any and all Participating Agencies purchasing through FoundationCCC's contract.
4. **Communication and Information Commitment** - Establish the following communication links to facilitate customer access and communication:
 - a) An email address for general inquiries
 - b) Provide the following for FoundationCCC website use:
 - i) Standard logos
 - ii) Summary of products and pricing
 - iii) Information web-link to Supplier's website
 - iv) Overall information about Supplier
 - v) Other promotional material as desired

Supplier Program Promotion. FoundationCCC recognizes that each Supplier has a successful business and may choose to meet its commitments to FoundationCCC purchasing programs in a variety of ways that best suit the supplier's business model, organization and market approach. The following are Program Standards intended to assist the supplier in successfully implementing FoundationCCC's contract.

1. **Account Management Team** – The Supplier shall provide an Account manager with the authority and responsibility for the overall success of FoundationCCC contract within the Supplier's organization. The Supplier shall also designate a Lead Referral Contact Person, responsible for receiving communications from FoundationCCC concerning new public agency registrations, and for ensuring timely follow up by the Supplier's staff to requests for contact from public school districts. Additionally, FoundationCCC suggests the Supplier implement and support a Supplier-based internet web page dedicated to the Supplier's FoundationCCC program and linked to the CollegeBuys, SchoolBuys, or CivicBuys website.

2. **Quarterly Review** – Upon request, FoundationCCC will schedule a quarterly review with the Supplier to evaluate the Supplier's performance of Supplier Commitments and Program Standards outlined herein.
3. **FoundationCCC Purchasing Program Awareness** – FoundationCCC is responsible for marketing the overall FoundationCCC purchasing program concept and programs to Participating Agencies. FoundationCCC marketing is intended to supplement and enhance the direct sales effort of the Supplier. The Supplier assists by providing promotional material such as logos and by participating in related trade shows and conferences. FoundationCCC employs a marketing team, a network of partner associations, direct mail and email, web presence and social media platforms, as well as newsletters, webinars, case studies, and other publications to increase purchasing program awareness.
4. **Supplier Sales** - Supplier is responsible for proactive direct sales of Supplier's goods and services to Participating Agencies and the timely follow up to leads established by FoundationCCC. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All sales materials are to use the CollegeBuys, SchoolBuys, and/or CivicBuys logo, as applicable. FoundationCCC will provide each Supplier with its logo and the standards to be employed in the use of the logo. At a minimum, the Supplier's sales initiatives should communicate:
 - a. No cost to participate
 - b. Non-exclusive contracts
5. **Sales Force Training** - Supplier is responsible for the training of its sales force on FoundationCCC contract. FoundationCCC may provide training materials and generally assist with the education of sales personnel. At a minimum, sales training should include:
 - a. Key features of FoundationCCC contract
 - b. Understanding of the process of development of the Agreement
 - c. Working knowledge of FoundationCCC Organization and Solicitation Process
 - d. Awareness of the range of Participating Agencies that can access FoundationCCC
6. **Promotion.**
 - a. Supplier Commitments. Supplier has reviewed, understands and agrees to the Supplier Commitments and Program Promotion attached hereto and incorporated herein.
 - b. Availability of Master Services Agreement. Upon request, Supplier shall make available to interested Participating Agencies a copy of the Master Services Agreement as may be necessary for such agencies to evaluate potential purchases.

COOPERATIVE UTILIZATION

This Master Services Agreement is available to any and all public agencies, nonprofit organizations directly supporting the California Community College system, public and private school districts, as well as public and private colleges or universities (referred to individually as “Participating Agency” or collectively as “Participating Agencies”), specifically including California Community Colleges, which are supported, in part, by FoundationCCC.

A list of all California Community Colleges, California State Universities, and AICCU Member Institutions is provided below for reference. K-12 districts may also procure under this Agreement pursuant to Public Contract Code Section 20118. The below list does not preclude any Participating Agency that is not listed from purchasing under this Agreement.

EXHIBIT J

(Master Services Agreement)

CONTRACT AMENDMENTS/MODIFICATIONS

RFP Terms:

- Section 3, page 9:
 - ~~Notwithstanding the requirements of this Section, Participating Agencies may request additional administrative or patronage fees to support their local initiatives to be negotiated at the time of a quotation request or an order. Such fees, where mutually agreed, will neither alleviate a manufacturer's responsibility to submit administrative/patronage fees defined in this section and above nor offset the discounts for which an order qualifies. The Participating Agency will define reporting requirements separate and apart from the reporting requirements and may or may not be similar to the Sample Quarterly Report Form contained in this RFP document. Additionally, the Participating Agency will provide its own Errors and Omissions policy separate and apart from the section succeeding this section.~~
- Section 7, page 13:
 - ~~Respondent will provide an E-commerce website dedicated to the FoundationCCC agreement. This site will contain information about the agreement, the products, prices, technical specifications, and online ordering capacities, which conform to the terms outlined in this Bid and the agreement. The Respondent's systems shall be compatible with the various colleges/districts software systems such as Peoplesoft, Oracle, Banner, Datatel, Escape, SAP, Jaggaer, and any other system. This also includes, but is not limited to, an Internet-based ordering system and procurement credit card ordering capabilities. Electronic invoicing requirements may include, but are not limited to, multiple account numbers with line item detail (including unit and extended prices), daily/weekly/monthly summary invoices and weekly/monthly statements. Any incentives relating to electronic commerce should be reflected in Attachment D—Respondent Response Workbook, and Section IV. Sub-Section 2. B. Pricing Considerations and Concessions.~~
- Section 12, page 14:
 - ~~Order Management and Customer Service Respondent must provide dedicated toll-free number(s) as well as web-based ordering tool for Participating Agency order placement and customer service and delivery tracking. Any changes or modifications to the agreed upon buying processes, which may vary between Participating Agency locations (delivery methods, invoice transmittals, etc.) will not be implemented without advance approval from a designated Participating Agency employee(s) representing location(s) affected by these changes or modifications.~~
- Section 13, page 14:
 - Invoices shall be submitted to the respective Participating Agencies, including California Community Colleges, within thirty (30) days following the delivery of the Goods.

- ~~Many Participating Agencies, including California Community Colleges, operate on a fiscal year that begins July 1 and concludes on June 30 as outlined in Attachment C. Respondent must be able to complete delivery and follow the billing and invoicing accommodations at the end of each fiscal year for the Colleges and Participating Agencies. In addition, Respondent must be able to deliver the following billing and invoicing accommodations for Participating Agency:~~
- ~~Manual Process (individual invoices issued for each ordering department and remitted to each College or Participating Agency Accounts Payable Office or other designated office) via method set forth by Participating Agency~~
- ~~XML and EDI Invoicing~~
- ~~Procurement Card~~
- ~~Ghost Card~~
- ~~Summary Billing and Summary Invoices~~
- ~~Receive p-card and ACH payments and notification via email, or EDI.~~
- ~~Section 18, page 15:~~
- ~~At a minimum, for one (1) year following the delivery of the Goods, the manufacturer's standard warranty shall apply. The Respondent certifies and warrants that all products sold shall be:~~
- Section 19, page 15:
 - ~~FoundationCCC supports and encourages the use of recycled products and materials whenever possible. The Respondent will detail in the Bid how recycled products and material content information is provided to the customer at time of ordering, in catalogs and other corporation documentation. The Respondent will be expected to provide each participating college/district reports detailing the use of recycled products and materials if requested. Where green products are available as an option for items searched on the Respondents' ordering system, green products shall be prominently promoted in the search results indicating price differences, recycled content, and valuable decision-making information. Respondents are requested to provide a published Green/Sustainability policy, if applicable.~~
- Section 20, page 15:
 - ~~Effective January 1, 2005, the law requires that Respondent/retailer collect a fee when selling certain video display devices to consumers. The consumer owes the fee on the purchase, but the Respondent must collect the fee when making a sale of a covered electronic device. It will be the responsibility of the bidder to register as a fee payer with the Board of Equalization and pay the fees to the State of California.~~
- Section 21, page 15:
 - ~~All stock orders are to be delivered within the timeframe noted on the sales quotation. the next day when the orders are placed by the cut-off time of the previous day. It will be up to the individual College or Participating Agency to have the option of either central or desktop delivery service. Non-stock items are to be delivered within two working days. Respondent must deliver items during normal business hours of operation, Monday through Friday except designated holidays. The Respondent is expected to adhere to a fill rate of 99% per line item. Respondent will confirm the delivery timing and method with the Participating Agency before shipping.~~

- Section 22, page 16:
 - All orders shall be F.O.B. destination, freight prepaid and **added** with shipment to one central location on campus unless otherwise agreed upon, i.e. the ordering College or Participating Agency make other arrangement. **Prepaid freight costs by Respondent shall be repaid to the Respondent.** Additional cost to expedite the shipping will be at the cost of the ordering site. Title and risk of loss shall pass to the college/district at the F.O.B. point unless otherwise agreed to in writing by the manufacturer/Respondent. Proof of delivery shall be provided upon request to any ordering site. The selection of carrier for the shipment will be the Respondent's option unless specified by the ordering College or Participating Agency.
- Section 23, page 16:
 - ~~FoundationCCC along with community colleges are committed to recycling and reuse of packaging materials. Supplies must be packed and shipped by the Respondent with packaging that will meet environmentally sensitive, state-of-the-art packaging practices. Stuffing (e.g., "popcorn," etc.) is to be biodegradable. INSTAPAK will not be used. Wrapping, boxing, and crating are to be minimized. Recycled cardboard is to be used in place of new cardboard. Large shipments (skids, etc.) are to be shrink wrapped. Pallets will be standard wood 4 way. The Respondent must work with OEM's, suppliers, etc. so that direct ship and pass-through shipments are packaged with the same considerations. Currently, many institutions have recycling programs for starch and Styrofoam packing peanuts. Preference is to receive starch peanuts, innovative packaging, and labeling solutions whenever possible. Each packaged order shall have a packing label affixed indicating the order number, order date, ship to name & address, delivery zone (if requested), and any additional information requested by the ordering college/district. In addition, each order shall have a packing list.~~
- Section 24, page 16:
 - ~~When it must receive tangible goods, FoundationCCC prefers packaging that is reusable, contains a minimum of hazardous and non-recyclable materials, and meets or exceeds the recycled material content levels in the US EPA Comprehensive Procurement Guidelines for Paperboard and Packaging. Respondents commit that all packing materials used to ship any tangible goods to Participating Agencies meet at least one of and preferably all of the criteria listed below:~~
 - ~~Is made from 100% Post-Consumer Waste (PCW) materials and is reusable or recyclable;~~
 - ~~Is non-toxic;~~
 - ~~Is biodegradable; or~~
 - ~~Is produced with the minimum of resources and sized as small as possible while maintaining adequate product protection during shipping.~~
- Section 25, page 16:
 - ~~Respondent hereby certifies under penalty of perjury that a percentage (0% to 100%) of the materials, goods, supplies offered, or products used in the performance of this contract meet or exceed the minimum percentage of recycled material as defined in Public Contract Code section 12200.~~
- Section 28, page 17:
 - ~~Respondent must meet the following quality of service standards and provide minimum guarantees:~~
 - ~~Normal delivery Four (4) to six (6) weeks~~

- ~~Pick up returns scheduling within 3 business days~~
 - ~~Requests for reports within 10 business days~~
 - ~~Order fulfillment accuracy 98%~~
 - ~~Delivery, on time 98%~~
 - ~~Invoice/billing accuracy 98%~~
 - ~~Customer service satisfaction 95%~~
 - ~~Order Fill Rate 95%~~
 - ~~Acknowledgment of order via email within 1 business day~~
 - ~~Tracking capabilities online within 1 business day~~
- ~~The minimum quality of service standards set forth above recognize that occasional errors are likely, however, the Respondents further agree to use best efforts to achieve 100% quality of service level. Should, however, the quality levels fall below the minimum standards, and the Respondent does not take corrective action within 14 days following FoundationCCC (or Participating Agency) notification, FoundationCCC reserves the right to terminate the agreement.~~
- ~~No product substitutes will be accepted without the prior approval of the purchaser.~~
- ~~Respondent cannot “penalize” an entire campus or other Participating Agency locations if specific departments are preventing invoice payments.~~
- Section 31, page 18:
 - Contractor employees and subcontracted (if any) providers, responsible for delivering products/services to Participating Agency campuses must conform to, and/or possess, the following: • Proper uniform or professional attire; • Carry badges with picture ID; • Have passed background security checks; • ~~Are bonded~~; • ~~All delivery vehicles shall be clearly marked with contractor’s name and/or company logo~~; and • Follow sign-in and Personal Protective Equipment Guidelines (if applicable) as required
- Section 34(4), page 19:
 - ~~Price Match. Respondent must be able to match pricing product to product when requested by the Foundation and/or Participating Agency within 90 days from date of delivery.~~

EXHIBIT K

(Master Services Agreement)

Additional Terms and Conditions

The following Additional Terms and Conditions shall modify, delete, and/or add to the Terms and Conditions (“Exhibit B”), Special Terms and Conditions (“Exhibit C”), and General Provisions (“Exhibit E”) of the Agreement this is Appended to. Where any article, paragraph, or subparagraph in Exhibit B, Exhibit C, and Exhibit E of this Agreement is supplemented by one of the following paragraphs, the provisions of such article, paragraph, or subparagraph shall remain in effect and the Additional Terms and Conditions shall be considered as added thereto. Where any article, paragraph, or subparagraph in the Exhibit B, Exhibit C, or Exhibit E of the Agreement is amended, voided, or superseded by any of the following paragraphs, the provisions of such article, paragraph, or subparagraph not so amended, voided, or superseded shall remain in effect.

If Participating Agency has entered into a sub-award/contract/grant with either the U.S. Government, or another entity who has itself entered into a contract or received a grant with the U.S. Government, that sub-award/contract/grant requires that certain federal grant provisions be made a part of any subsequent Agreement issued by Participating Agency related to furthering the performance or deliverables required under that sub-award/contract/grant.

Performance by FoundationCCC/Participating Agency’s Supplier under the Agreement constitutes certification that the recipient is presently in compliance with and will continue to comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and Executive Orders Numbers 12549 and 12689, all as described below.

FoundationCCC will not negotiate these provisions. If a clause is not applicable or is not required by the prime contract to be flowed down to a particular sub-award/service, it will not be applied.

Supplier who supplies Goods and/or Services certifies and represents its compliance with the following clauses as applicable. Supplier shall promptly notify FoundationCCC of any change of status with regard to these certifications and representations. These certifications and representations are material statements upon which FoundationCCC will rely.

1. For commercial transactions involving a federal contract (federal awards governed by the FAR), the following provisions apply, as applicable:
 - a. FAR 52.203-13, Contractor Code of Business Ethics and Conduct;
 - b. FAR 52.203-17, Contractor Employee Whistleblower Rights and Requirement to Inform Employees of Whistleblower Rights;
 - c. FAR 52.203-19, Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements;
 - d. FAR 52.219-8, Utilization of Small Business Concerns;
 - e. FAR 52.222-17, Non-displacement of Qualified Workers;
 - f. FAR 52.222-21, Prohibition of Segregated Facilities;
 - g. FAR 52.222-26, Equal Opportunity;
 - h. FAR 52.222-35, Equal Opportunity for Veterans;
 - i. FAR 52.222-36, Equal Opportunity for Workers with Disabilities;

- j. FAR 52.222-37, Employment Reports on Veterans;
 - k. FAR 52.222-40, Notification of Employee Rights Under the National Labor Relations Act;
 - l. FAR 52.222-41, Service Contract Labor Standards;
 - m. FAR 52.222-50, Combating Trafficking in Persons;
 - n. FAR 52.222-51, Exemption from Application of the Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment - Requirements;
 - o. FAR 52.222-53, Exemption from Application of the Service Contract Labor Standards to Contracts for Certain Services - Requirements;
 - p. FAR 52.222-54, Employment Eligibility Verification;
 - q. FAR 52.222-55, Minimum Wages Under Executive Order 13658;
 - r. FAR 52.222-62, Paid Sick Leave under Executive Order 13706;
 - s. FAR 52.224-3, Privacy Training;
 - t. FAR 52.226-6, Promoting Excess Food Donation to Nonprofit Organizations;
 - u. FAR 52.233-1, Disputes; and
 - v. FAR 52.247-64, Preference for Privately Owned U.S.-Flag Commercial Vessels.
2. For transactions involving funds on a federal grant or cooperative agreement (federal awards governed by CFR Title 2, Subtitle A, Chapter II, Part 200) the following provisions apply, as applicable:
- a. **Rights to Inventions.** If Supplier is a small business firm or nonprofit organization, and is providing experimental, development, or research work under this transaction, Supplier must comply with the requirements of 3 CFR Part 401, "Rights to Inventions Made by nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements".
 - b. **Clean Air Act.** Supplier agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
 - c. **Byrd Anti-Lobbying. (Agreements $\geq$ \$150,000).** Supplier certifies that it will not, and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.
 - d. **Domestic Preferences for Procurements.** As appropriate and to the extent consistent with law, Supplier should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.
3. Supplier makes the following warranties and acknowledges that failure to comply with any of the warranties in the Agreement will constitute a material breach of the Agreement and

FoundationCCC will have the right to terminate the Agreement without damage, penalty, cost, or further obligation.

- a. **Debarment, Suspension, U.S. Government Restricted Party Lists. (Agreements ≥ \$35,000).** Supplier warrants that Supplier, its principals (defined at 2 C.F.R. § 180.995), and affiliates (defined at 2 C.F.R. § 180.905) are not on the U.S. government's Denied Parties List, the Unverified List, the Entities List, the Specially Designated Nationals and Blocked Parties List, and is not presently debarred, suspended, proposed for debarment or otherwise declared ineligible for award of federal contracts or participation in federal assistance programs or activities. The Supplier must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by FoundationCCC and any Participating Agencies. If it is later determined that the Supplier did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to FoundationCCC or the Participating Agency, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
 - b. **Prohibition on certain Surveillance/Telecommunications.** Supplier warrants that the Goods and Services rendered under this Agreement will not require Supplier to use for FoundationCCC/Participating Agency, or provide to FoundationCCC/Participating Agency to use, "covered telecommunications equipment or services" as a substantial or essential component of any system, or as critical technology as part of any system, within the meaning of Federal Acquisition Regulation ("FAR") Section 52.204-25.
4. **Remedies for Supplier's Breach (all Agreements in excess of \$250,000).**
- a. In the event any deliverables furnished or services provided by Supplier in the performance of this Agreement should fail to conform to the requirements herein, or to the sample submitted by Supplier, FoundationCCC/Participating Agency may reject the same, and it shall thereupon become Supplier's duty to forthwith reclaim and remove all nonconforming deliverables and correct the performance of services, without expense to FoundationCCC/Participating Agency, and to immediately replace all such rejected items with others conforming to the specifications or samples. Should Supplier fail, neglect, or refuse to do so, FoundationCCC/Participating Agency shall thereupon have the right, but not the obligation, to purchase in the open market, in lieu thereof, a corresponding quantity of any such items or services and to deduct the cost of such cover from any moneys due or that may thereafter become due to Supplier.
 - b. In the event Supplier fails to make prompt delivery of any item or service as specified in the Agreement, the same conditions as to FoundationCCC/Participating Agency's right, but not obligation, to purchase in the open market and receive reimbursement from Supplier, as set forth in (a.) above shall apply.
 - c. If FoundationCCC/Participating Agency terminates the Agreement, either in whole or in part, for Supplier's default or breach, Supplier shall compensate FoundationCCC/Participating Agency, in addition to any other remedy FoundationCCC/Participating Agency may have available to it, for any loss or damage sustained and cost incurred by FoundationCCC/Participating Agency in procuring any items or services that Supplier agreed to supply.
 - d. FoundationCCC/Participating Agency's rights and remedies provided in this Section A (Remedies for Supplier's Breach) shall not be exclusive and shall be in addition to any other rights and remedies provided by law, equity, or Agreement.

5. **Right to Inventions Made Under a Contract or Agreement.** Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the Supplier in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
6. **Federal Funding Accountability and Transparency Act ("FFATA"). (Agreements $\geq$ \$30,000).** Suppliers must be registered in the System for Award Management (SAM) to be issued a P.O. or agreement when Federal Funding Accountability and Transparency Act (FFATA) applies.
7. **Equal Employment Opportunity Affirmative Action.** During the performance of this Agreement, Supplier agrees as follows:
 - a. The Supplier will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Supplier will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
 - i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Supplier agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 - b. The Supplier will, in all solicitations or advertisements for employees placed by or on behalf of the Supplier, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
 - c. The Supplier will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Supplier's legal duty to furnish information.
 - d. The Supplier will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Supplier's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - e. The Supplier will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

- f. In the event of the Supplier's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Supplier may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
 - g. The Supplier will include the portion of the sentence immediately preceding paragraph a. and the provisions of paragraphs a. through h. in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, and through amendment in Executive Order 11375 so that such provisions will be binding upon each subcontractor or vendor. The Supplier will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:
 - i. Provided, however, that in the event a Supplier becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Supplier may request the United States to enter into such litigation to protect the interests of the United States.
8. **Davis-Bacon Act (40 U.S.C. 276a to a-7) as amended. (Construction Contracts > \$2,000).** If Agreement is a Construction Contract greater than \$2,000, Supplier will comply with the Davis-Bacon Act.
 9. **Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333). (Construction Contracts > \$2,000, or Contracts > \$2,500 that involve mechanics or laborers).** If Agreement is a Construction Contract greater than \$2,000, or a Contract greater than \$2,500 that involves mechanics or laborers, Supplier will comply with the Contract Work Hours and Safety Standards Act.
 10. **Copeland "Anti-Kickback" Act (40 U.S.C 3145), as supplemented by Department of Labor Regulations (29 CFR Part 3).** The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Participating Agency and FoundationCCC must report all suspected or reported violations to the Federal awarding agency.
 11. **Supplier Small Business Subcontracting Clause ("SBSP"). (Contract ≥ \$750,000).** If Supplier is a large business, a SBSP is required. If Supplier is a small business, SBSP is not required, but small business certification is required. (this clause is applicable to contracts in excess of \$650,000, except for contracts awarded to small business concerns as defined by section 3 of the Small Business Act, 15 U.S.C. § 632, and the applicable regulations in Part 121 of Title 13 of the Code of Federal Regulations) The Supplier shall adopt a subcontracting plan that complies with the requirements set forth in the Small Business Act and in the clause entitled "Small Business Subcontracting Plan (JAN 2011)," which clause is contained in Section 52.219-9 of the Federal Acquisition Regulation (section 52.219-9 of title 48 of the Code of Federal Regulations). (Subparagraphs (d) and (e) of such clause are the primary portions of the clause that concern the contents and effective implementation of subcontracting plans.) The Supplier shall insert the clause entitled "Utilization of Small Business Concerns" (see above) in subcontracts that offer

further subcontracting opportunities and shall comply with the requirements for record keeping and reporting to the Federal Government.

12. **Truth in Negotiations Act (10 U.S.C. 2306(a) and 41 U.S.C. chapter 35). (Contracts $\geq$ \$2,000,000).** The Truth in Negotiations Act (“TINA”) requires offerors to submit certified cost or pricing data if a procurement exceeds the TINA threshold and none of the exceptions to certified cost or pricing data requirements applies.

Foundation for California Community Colleges

STAFF REPORT

Date: December 11, 2024
To: FoundationCCC Board of Directors
From: Joseph Quintana, Chief Operating Officer

Subject: Approval of Vendor Contracts for Nursing Models and Simulation, Equipment, Supplies and Services

Action Item, Regular Meeting December 11, 2024.

Background

On September 27, 2024, the Foundation for California Community Colleges (FoundationCCC) and the Association of Independent California Colleges and Universities (AICCU) issued a Request for Proposal (RFP) for Nursing Models and Simulation, Equipment, Supplies and Services (RFP 24-005). RFP 24-005 is designed for full scale human and pediatric models to train nursing students on a variety of challenges presented by a patient in an emergency room, ambulatory care or routine patient management in a hospital, doctor's office, or urgent care facility. Generally, the manufacturer of human models and simulators exclusively sell direct to colleges, and deliver and set up the equipment on-site to be ready for use. The set-up includes all infrastructure connections, technology integration and software to create a fully functioning solution for both the student and professor. Awarded agreements will enable and empower educational and public agencies, including California Community Colleges, to procure Nursing Models and Simulation, Equipment, Supplies and Services at competitive pricing with advantageous and equitable terms and conditions. FoundationCCC will receive a 2% administrative fee on sales volume.

RFP Process

FoundationCCC administered the RFP pursuant to California's Public Contract Code for the California Community Colleges Chancellor's Office (or its designated auxiliary) when securing statewide master agreements (Public Contract Code 20661, and its implementing regulations, California Code of Regulations, title 5, section 59130-59132). The RFP was formally published in the *Sacramento Bee* and managed on the *PlanetBids* electronic bid management system. Proposals were due from vendors on November 6, 2024, and FoundationCCC received four proposals that were deemed responsive, which advanced to the evaluation phase. RFP committee members identified forty-five (45) categories that are organized into fifteen (15) classifications of products and services, and a need for both dropship and turnkey options. Proposals were evaluated by an RFP Evaluation Committee comprised of community colleges with the most immediate need for a supplier partner with the requirements, products, commodities, and services identified by the RFP. Understanding the importance of procuring services that meet the demands of the community college environment, this rigorous evaluation process reassures colleges that the Nursing

Models and Simulation, Equipment, Supplies and Services they purchase through resulting agreements will meet the most rigorous quality and pricing standards. Committee members evaluated suppliers on their ability to meet rigorous baseline qualifications in addition to their efforts to advance business diversity and promote sustainability.

RFP Committee Composition

- RFP Development, Facilitation of Evaluation Process, and Review of Quantitative Information:
 - Paul Spear, FoundationCCC
 - Jorge Burwick, FoundationCCC
 - Heather Cade-Bauer, FoundationCCC
 - Adrian Brennan-Evans, FoundationCCC
 - John Cook, Contra Costa CCD
 - Molly Doogan, BuildLACCD
 - Garth Kwiecien, San Francisco CCD
- Review of vendor supplied Performance and Service Specifications
 - John Cook, Contra Costa CCD
 - Molly Doogan, BuildLACCD
 - Garth Kwiecien, San Francisco CCD

After a thorough evaluation process, the RFP Evaluation Committee endorsed the following suppliers to advance into the RFP negotiation phase (see Attachment 1, Letter of Intent to Award below). Contracts will be executed with each supplier contingent upon mutual agreement between each party on contractual terms and conditions.

Contract Term: Three (3) year initial term, with up to two (2) one (1) year renewals.

FoundationCCC Roles and Responsibilities

The role of FoundationCCC is that of a prime contractor. FoundationCCC will:

1. Develop the contract with the awarded vendors based on the requirements of the RFP.
2. Monitor the quality of services and compliance from the vendor partner.
3. Promote contracts to California's community colleges, and other eligible Participating Agencies.

Orders will be placed directly between the Participating Agencies and the Supplier.

Endorsement

The CEO and I recommend that FoundationCCC Board of Directors at its December 11, 2024, meeting approve the award of contracts to the following suppliers through FoundationCCC RFP 24-005 for Nursing Models and Simulation, Equipment, Supplies and Services.

- DiaMedical USA Equipment, LLC
- Gaumard Scientific Co., Inc
- Laerdal Medical Corporation
- VES, LLC

CERTIFICATION

I, Keetha Mills, duly appointed President and Chief Executive Officer of the Foundation for California Community Colleges, do hereby certify that the above recommendation was passed and approved by the Board of Directors of the Foundation for California Community Colleges on the 11th Day of December 2024.

Keetha Mills

President and Chief Executive Officer

Intent to Award

Nursing Models and Simulation, Equipment, Supplies and Services RFP #24-005

December 2, 2024

The Foundation for California Community Colleges intends to award a contract to the following companies from RFP #24-005: Nursing Models and Simulation, Equipment, Supplies and Services for use by California Community Colleges and other Public Agencies:

1. DiaMedical USA Equipment LLC
2. Gaumard Scientific Co., Inc.
3. Laerdal Medical Corporation
4. VES, LLC

Contract awards under this RFP are contingent upon FoundationCCC board approval, and FoundationCCC and Vendor agreement on final contract terms.
