## **PREQUALIFICATION QUESTIONNAIRE FOR PROSPECTIVE BIDDERS**

### **Russell Hall Replacement (Health Sciences)**

#### **at Santa Ana College**

#### **Addendum #2**

**Issued: June 29, 2020**

The following changes, additions, deletions, or corrections shall become part of the above-mentioned Prequalification Questionnaire for Prospective Bidders:

A. The following are responses to questions received from various firms:

1. Is it possible to get the drawings packages to review the ceilings scope for this project? I am the manufacturer that works with the architect on the specifications and would like to be prepared for subcontractor pricing requests.

*Answer: Documents will not be released by the District until the project is officially out-to-bid.*

2. Our firm is a prequalified subcontractor on your list of previously prequalified contractors. However, our firm has expanded services to include Mechanical. Do we have to complete another prequalification package to bid this additional scope?

*Answer: Yes, prequalification is required for each applicable license classification a contractor plans to submit a bid proposal for.*

3. I am with [Vendor] and am interested in bidding on this project. Do you have a list of GC's I can contact here please.

*Answer: The list of prequalified general contractors is available [here](#).*

4. I had a few questions about the project list in the subject of this email: Is this project going to be a multiple GC bid? When will this project come out to bid?

*Answer: The project is design-bid-build (one general contractor) and the anticipated schedule is as indicated on page 2 of the Prequalification Questionnaire.*

5. [Vendor] wishes to submit a prequalification. In order to release the audited financial statements, we need the attached NDA signed and sent back to us.

*Answer: The District will not sign any form of Nondisclosure Agreements, but assures Contractors that the information provided in financial statements will be kept confidential.*

*End of Addendum 2*
