REQUESTED CLARIFICATION:

Confirm that Corrosion-Protection is not required for this project since there is no Ductile-Iron piping shown on C1.50 for the Domestic Water nor the Fire Service which both call for PVC piping, and this par. is to be deleted. If not, provide the location where this is required.

RESPONSE TO CLARIFICATION, SUBMITTED AS PART OF AN ADDENDUM:

Currently, it is not anticipated that corrosion protection is needed for this project as designed. However, if unforeseeable circumstances arise that would require ductile piping, this section would apply as the site has moderate to very corrosive soils. This paragraph will remain.

FROM:	Luis Giordano McCarthy Building Companies	EMAIL:	lgiordano@mccarthy.com
SPECIFICATION NUMBER:	260000	DRAWING NUMBER:	E0.3; Elect. Eq. Sched.

REQUESTED CLARIFICATION:

The following equipment are on this schedule, but not located on the E-drawings and need to be located: EHM3, EQM3.
Also, "EQP3B Antennas" is shown on E0.2A at the Level 03, but was not defined on the E0.3 Electrical Equipment Schedule, and needs to be added.
And "EHM3" is listed as being on Level 03 on the E0.3 Electrical Equipment Schedule, but is shown on E0.2A as being on the Roof, and is not shown on E3.3, so possibly this should be labeled "EQM3" on E0.2A instead, and a Panelboard symbol for "EHM3" needs to be added to E0.2A which is shown on Detail 7/E0.4.

FROM:	Luis Giordano McCarthy Building Companies	EMAIL:	lgiordano@mccarthy.com
SPECIFICATION NUMBER:	260000	DRAWING NUMBER:	E1.0, Plan Notes 8

REQUESTED CLARIFICATION:

This note requires that the bidders are to disconnect and removal all existing Electrical and Telecommunications System from the building to be demolished. This is too open-ended with a potential for widely-varying interpretations. Please provide a list of all items that the bidders are to base a proposal upon, and list any other requirements such as cleanup, packing, inventory list, and/or delivery required. We suggest that the District remove all items prior to Contractor's Mobilization and anything remaining would be simply demolished with no salvage at all.

RESPONSE TO CLARIFICATION, SUBMITTED AS PART OF AN ADDENDUM:

All required items to be salvaged will be done in advance by the District. Contractor will not be required to salvage any items. All remaining items to be demolished by Contractor.

For the demolition of Electrical and Telecommunications systems, additional notes will be added in forthcoming addenda.

SPECIFICATION NUMBER:	260000	DRAWING NUMBER:	E2.0; PN # 3

REQUESTED CLARIFICATION:

Note 3 mentions "Twenty Seven (27)", however there are 40 shown on Detail 1/E2.3. Also, Note 3 mentions "Fixture Type S1", however this is not shown on Sheet E0.5 Lighting Fixture Schedule. Confirm that the bidders are to base this fixture type upon "V1" instead, otherwise confirm that per Section 265000, par. 2.1-A-2 the bidders are to include a \$300 allowance for this light S1 since it is "without a fixture type designation".

Also, Note 3 mentions "Provide three (3) light fixtures per beam", however Detail 1/E2.3 shows 5 fixtures per beam instead.

Detail 1/E2.3 needs to be conformed to E2.0 Plan notes 3, or vice versa.

RESPONSE TO CLARIFICATION, SUBMITTED AS PART OF AN ADDENDUM:

Provide a quantity of Forty (40) Type V1 for the mural lighting as indicated on Drawing E2.3. Plan Note #3 on E2.0, change to read "..Forty (40)Fixture Type "V1".." and "..Five (5) light fixtures per beam."
