\$50,000 Accidental Death and Dismemberment Benefit

ACCIDENTAL DEATH AND DISMEMBERMENT BENEFIT

If you suffer loss of life, sight or limbs due to an Accidental Injury, an Accidental Death and Dismemberment Benefit as stated in the Benefit Schedule will be paid for such loss if the following conditions are met:

- (a) The loss must result directly from an Accidental Injury;
- (b) The loss must occur within 90 days after the date of the Accidental Injury; and
- (c) The loss must not be excluded under the Exclusions Section.

If you die and the Accidental Death and Dismemberment Benefit applies, such benefit will be increased 1% for each full month that your Certificate was continuously in force just prior to death. The increase shall not be more than 60%. The amount payable on the Benefit Schedule of this brochure applies to loss of life or loss of more than one member. Members include your hands, feet and eyes. Loss of one member is paid at 50% of the AD&D Benefit amount. Loss of thumb or index finger on one hand is paid at 25% of the AD&D Benefit amount.

Plan Features and Highlights:

SURVIVOR BENEFIT

When we receive proof that you have died, we will pay your Eligible Survivor a lump sum benefit equal to the dollar amount of the daily Disability Benefit being paid to you at the time of your death. This Benefit will be paid to the end of your Maximum Disability Period, or 66 Regular Days of Required Attendance, whichever is less, if on the date of your death: (a) your Disability has continued for 90 or more consecutive days; and (b) you were receiving or were entitled to receive Short Term Disability Income Benefits under the Policy. If you have no Eligible Survivor(s), no payment will be made.

RETURN TO WORK INCENTIVE BENEFIT (APPLIES TO LONG TERM DISABILITY BENEFITS ONLY)

Disabled While Working: We will provide a Disability Benefit if you are Disabled and your monthly Disability Earnings, if any, are less than 20% of your Regular Monthly Contract Salary due to the same Sickness or Accidental Injury. If you are Disabled and your Disability Earnings are greater than 20% of your Regular Monthly Contract Salary due to the same Sickness or Accidental Injury we will figure your benefits as follows:

You will receive benefits based on the percentage of Regular Monthly Contract Salary you are losing due to Your Disability computed as follows:

- (a) subtract your Disability Earnings from your Regular Monthly Contract Salary;
- (b) divide the answer in item (a) by your Regular Monthly Contract Salary. This is your percentage of lost earnings; and
- (c) multiply your Disability Benefit by the answer in item (b).

We will stop payments and your claim will end, if at any time you are no longer Disabled or if your Disability Earnings exceed 80% of your Regular Monthly Contract Salary or at the end of one year, whichever comes first. The Elimination Period cannot be satisfied with days you are Disabled and Working.

SUMMER BENEFIT

\$200.00 per month for Disability beginning and satisfying the Elimination Period prior to the end of the regular school year.

DONOR BENEFIT

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other illness under the terms of your plan.

WORKSITE ACCOMMODATION

If worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

DIRECT DEPOSIT DISABILITY BENEFITS

In the event you choose the direct deposit option on an approved claim, we will deposit your benefits directly into your bank account at no additional cost. This can accelerate access to your benefits by several days. We also have a toll-free fax that allows you instant transmission of your claim forms to our benefits department.

SOCIAL SECURITY FILING ASSISTANCE

If we determine a Disabled Insured is a likely candidate for Social Security Disability benefits, we can assist you with the application and appeal process.

WAIVER OF PREMIUM

If you become Disabled due to a covered Accidental Injury or Sickness and are eligible to receive a Disability Payment, your insurance will be continued without payment of premium. Waiver of Premium will begin the first of the month following your satisfaction of the Elimination Period or 6 months of continuous Disability, whichever is later, provided premium has been paid from the beginning of Disability to the date Waiver of Premium begins. Waiver of Premium will continue until: (a) the end of your Disability; (b) the end of the Maximum Benefit Period; (c) the date you are no longer eligible to receive Disability payments; (d) the date the Policy terminates; or (e) the date your employment with the Policyholder or subscribing Employer Unit ends, whichever first occurs. We will require proof on an annual basis that you remain Disabled during said period.

We will assume you are eligible to receive Substitute Differential or similar pay. If you are not eligible for or entitled to Substitute Differential or similar pay, benefits paid immediately following receipt of full sick pay will be paid at 25% of Regular Daily Contract Salary for 100 Scheduled work days of Disability.
C. While not eligible to receive Fully Paid Sick Leave, Substitute Differential or similar Pay:	75% of the Regular Daily Contract Salary less any Deductible Sources of Income, for each Regular Day of Required Attendance missed during Disability. The Minimum Disability Benefit will be \$30.00 per Regular Day of Required Attendance.

The following benefit amount for each period of Disability is payable after the expiration of the period for which Short Term Disability Income benefits are provided (after the second benefit year):	
Class 1 Insureds:	15% of the Regular Monthly Contract Salary up to a Maximum Covered Salary (see Benefit Schedule). The Disability Benefit, together with all Deductible Sources of Income, shall not exceed 80% of your Regular Monthly Contract Salary.
Class 2 Insureds:	60% of the Regular Monthly Contract Salary up to a Maximum Covered Salary (see Benefit Schedule), less any Deductible Sources of Income.

It may also include other equivalent compensation arrangements for the regular school year as mutually agreed upon by the Policyholder and us. It excludes any additional compensation, including but not limited to, overtime pay, weekend or summer school work compensation, bonuses or district-funded fringe benefits.

DEDUCTIBLE SOURCES OF INCOME WILL INCLUDE

- (a) income which you are eligible to receive from your employer;
- (b) disability benefits you receive or which you are eligible to receive under any other group disability insurance plan including those required under any employer's liability law; or

 - (2) disability allowances and service retirement benefits received under the California State Teachers Retirement System, or the Public Employees Retirement System are excluded during the first 6 months of Disability.

INCREASE OF INCOME DUE TO COST OF LIVING ADJUSTMENTS

The Disability Benefit will not be reduced due to a cost of living increase if the increase from a Deductible Source of Income takes effect after the onset of Disability and while benefits are payable under the Policy.

MENTAL ILLNESS LIMITED BENEFIT

If you are Disabled due to a Mental Illness, regardless of the cause, Disability benefits will be provided for up to 6 months provided: (a) you are under the Regular and Appropriate Care of a Physician; and (b) you receive medical treatment (mental or medical examination alone will not be considered treatment) from either: (1) a registered specialist in psychiatry; (2) a Physician administering treatment on the advice of a registered specialist in psychiatry who certifies that such treatment is medically necessary; or (3) a Physician, if in our opinion, a specialist in psychiatry is not required to certify that such treatment is medically necessary. After 6 months, benefits will be paid only if you are confined to a Hospital.

ALCOHOLISM AND DRUG ADDICTION LIMITED BENEFIT

If you are Disabled due to alcoholism or drug addiction, a limited benefit of up to 14 days for each Disability will be paid. In no event will benefits be paid for more than 14 days of Disability in any 12-month period. If drug addiction is sustained at the hands of, or while under the Regular and Appropriate Care of a Physician in the course of treatment for Accidental Injury or Sickness, it will be covered the same as any other illness.

EXCLUSIONS

The Policy does not cover any loss, fatal or non-fatal, which results from:

- (e) committing a felony;
- (f) penal incarceration. We will not pay benefits for Disability or any other loss for any period for which you are incarcerated in a penal or correctional institution for a period of 30 consecutive days or longer; or
- (g) Accidental Injury or Sickness arising out of and in the course of any occupation for wage or profit or for which you are entitled to Workers' Compensation*.

*The term "entitled to Workers' Compensation" shall also include Workers' Compensation claim settlements which occur via compromise and release. Further, no benefits will be paid under this Policy for any period during which you are entitled to Workers' Compensation benefits.

- (d) the end of the last period for which premium has been paid;
- (e) the date the Policy is discontinued; or
- (f) the first day of the month after the date on which you enter full-time military, naval or air service.

The termination of the Policy will have no effect on Disability benefits which began before such termination. We may end your coverage if you make a fraudulent claim.

If you become Disabled while on an approved Leave of Absence, and your disability continues beyond the date of your scheduled return to Active Employment, benefits will become payable after satisfaction of the normal benefit Elimination Period which will commence with the date of your scheduled return to Active Employment, provided you re-enroll and premium payments are resumed for your coverage.

As a third-generation, family-owned organization, American Fidelity focuses on serving our Customers and protecting their investments.

Since 1982, A.M. Best Company has rated American Fidelity “A+” (Superior)¹. Considered one of the nation’s leading insurance company rating services, A.M. Best bases its ratings on an analysis of the financial condition and operating performance of insurance companies in such vital areas as: competency of underwriting, control of expenses, adequacy of reserves, soundness of investments and capital sufficiency.

Founded in 1960, American Fidelity’s strong history began with father and son team C.W. and C.B. Cameron. C.W.’s grandson and current Company Chairman and CEO Bill Cameron shares: “I am proud of the products and services we sell and the difference we make in people’s lives. Reputation means everything.”

Today, we serve more than 1 million Customers and continue to grow steadily through calculated growth and conservative investment practices. In addition to our products such as disability insurance and Section 125 programs, we offer value-added services such as Health Care Reform compliance. We partner with our Customers to help them provide their employees with competitive, cost-effective benefits programs.
