HealthAdvocate™ Medical Visit Checklist Builder

Answers to your questions

Q. What is the Medical Visit Checklist Builder?

The Medical Visit Checklist Builder is an online tool that creates a list of sample questions to ask your doctor, based on the kind of appointment you have.

Q. Why should I use the Checklist Builder?

The Checklist Builder tool can help you get the best possible outcomes, by ensuring that you have a clear understanding of your treatment plan and important next steps.

Q. What checklists are available?

- Routine checkup
- New problem/issue
- Follow-up visit
- Diagnostic test/procedure
- Dental checkup
- Preparing for surgery
- Preparing for a hospital stay
- Second opinion
- Discuss Alzheimer's disease

Q. How does the checklist builder work?

- Register and log in at HealthAdvocate.com/members
- Click on the **Medical Checklists** button
- Answer a few, simple questions about your upcoming visit
- Click "submit"

Q. Can I print my checklist out?

Yes. You can print your checklist, save it, or even email it to a family member/friend.

Q. Who is eligible to use the tool?

You, your spouse, dependents, parents and parents-in law can use the Medical Visit Checklist Builder anytime, as often as you like.

Q. What if I need help?

Our team of Personal Health Advocates are available 24/7 to help you understand the Checklist Builder tool. They can also help find doctors, make appointments, and much more.
