# *ScriptSave Benefit*

How to Access the ScriptSave Benefit: ScriptSave Select

Through our partnership with ScriptSave, a leading provider of prescription medication savings programs, The Holman Group offers an excellent value-added benefit for employees, and their household members, who do not have their own health insurance. ScriptSave Select can also benefit anyone with high-deductible plans or those who are responsible for paying for their prescriptions out of pocket.

To access this benefit, follow these easy steps:

- Simply visit our website www.holmangroup.com and enter your organization's log in and password.

- Navigate to "Member Discounts" and click on "ScriptSave." You will be redirecetd to the portal to begin your search.

- Enter the Group Number: **S1000**

- Enter the medication name and zip code to get your results. You can search for pet meds too!

- Text, print or email your ScriptSave Savings Card to get your discount.

- For additional help with prescriptions, you may sign up for a ScriptSave account.

- Download the ScriptSave app for prescription discounts, refill reminders and more.

Employees, and household members, save by using the **ScriptSave Select** card to fill a prescription. The program offers discounts of up to 50% on prescription medications, with an average savings of over 21%. Employees, and household members, can access the plan through our website, print their own discount cards, and use them at over 65,000 participating pharmacies.

ScriptSave Select helps with budget planning and out-of-pocket expenses for prescription medications by using the tiered medication pricing tool, You can search the price of a prescription before visiting a pharmacy.

Visit www.holmangroup.com and start saving today!

This program is not an insurance policy and does not provide medical coverage. Discounts are available only at participating pharmacies.
