Hummel elected to SCC Foundation Board

Orange—The Board of Directors of the Santiago Canyon College Foundation elected Orange attorney Philip Hummel to the board at its April meeting.

Hummel has practiced law since 1986, leading his own firm for the past 18 years. He is a member of the Orange County Bar Association, the State Bar of California, and the US Tax Court.

Active in the community, Hummel has served as chair of the Board of the Orange Chamber of Commerce, president of the Orange Rotary, and member of the St. Joseph Hospital Leadership Council. Hummel and his wife Carrie, who was Orange's 2003 Citizen of the Year, reside in Villa Park with their three sons, who attended the Orange Unified School District.

"Phil is a great addition to the Foundation Board," SCC President Juan A. Vázquez said. "As a longtime resident of the Orange area, he has a history of service to the Rancho Santiago Community College District, having served on the Citizen's Bond Oversight Committee."

The SCC Foundation is a not-for-profit 501(c)3 corporation that promotes awareness of opportunities and activities at the college, advocates for college issues, and participates in campaigns needed to provide for the scholarships, programs, and capital needs of the college.

Santiago Canyon College is a public community college of Rancho Santiago Community College District, serving the residents of Anaheim Hills, Orange, Tustin and Villa Park. The college provides education for academic transfer and careers, courses for personal and professional development, and customized training for business and industry.
