Government Code Sections 6250 et seq.

Members of the public may request to inspect or copy public records. A request by a member of the public may be delivered by mail or in person to the Chancellor or the Chancellor's designee.

Any request shall identify with reasonable specificity the records that are sought. If additional information is needed, the Chancellor or designee may request it be provided in writing.

Any request to inspect records shall be made sufficiently in advance of the date of inspection to allow staff members time to assemble the records and identify any records that may be exempt from disclosure.

Records that are exempt from disclosure under the Public Records Act or any other provision of law may not be inspected or copied by members of the public. Social security numbers must be redacted from records before they are disclosed to the public.

Members of the public shall be assisted in identifying records or information that may respond to their request. Assistance that will be provided includes: the information technology and physical location in which the records exist; practical suggestions for overcoming denial of access to the records or information; and the estimated date and time when the records will be made available.

Within ten days, Chancellor or designee will determine whether or not the records can be produced and will communicate the determination to the member of the public requesting the record(s).

Pursuant to Government Code section 6253.9 (b) the requester shall bear the cost of producing a copy of the record. A copying fee of \$.10 per page, plus applicable first class postage, may be charged to the requesting party. Oversized documents, such as blueprints, may require higher copying fees. If the request requires the District to either:

- a. produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals, or
- b. the request would require data compilation, extraction, or programming to produce the record

a fee to cover the salary and fringe benefit costs of programming and computer services necessary to produce the record may be charged to the requestor.

The most common exemptions for community colleges include:

- Student records (Education Code Section 76243)
- Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business, provided that the public interest in withholding the records clearly outweighs the public interest in disclosure. (Government Code Section 6254(a))
- Records pertaining to pending litigation or to claims until the pending litigation or claim has been finally adjudicated or otherwise settled. (Government Code Section 6254(b))
- Personnel, medical or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy (Government Code Section 6254(c))
- Test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment, or academic examination [except for standardized tests provided for by Education Code Sections 99150 et seq.]. (Government Code Section 6254(g).)

(Government Code Section 6254.3)
- Records regarding alternative investments (i.e. an investment in a private equity fund, venture fund, hedge fund, or absolute return fund; limited partnership, limited liability company or similar legal structure) involving public investment funds, unless already publicly released by the keeper of the information.

(Government Code Section 6254.3(b))
- Information security records, if disclosure of that record would reveal vulnerabilities to, or otherwise increase the potential for an attack on, the District's information technology system.

- Identification number, alphanumeric character, or other unique identifying code that a district uses to identify a vendor or contractor, or an affiliate of a vendor or contractor, unless the identification number, alphanumeric character, or other unique identifying code is used in public bidding or an audit involving the public agency.
