A campus safety plan shall be developed and provided to students. This plan is circulated to the campus community via emailed notices and mailed postcards that direct interested parties to an internet link where they may view the information. The campus safety plan is known as the Safety and Security Annual Report, and complies with the federal Clery Act. The Annual Report is also emailed to all employees, posted in accessible places throughout the district and provided to students at orientation sessions. This information is also available at the Safety and Security sections of the college and district websites.

The Director of District Safety and Security prepares and annually updates a report of all occurrences reported to campus security officials of arrests for crimes that are committed on campus and that involve violence, hate violence, theft or destruction of property, illegal drugs, or alcohol intoxication, and of all occurrences of noncriminal acts of hate violence reported to campus authorities. A written report will be submitted to the Board.

Written records of noncriminal acts of hate violence shall include at least a description of the act of hate violence, the victim characteristics, and offender characteristics, if known.

Hate violence is any act of intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons or the property of any person or group of persons because of the ethnicity, race, national origin, sex, sexual orientation, disability, or political or religious beliefs of that person or group. The district will include in its Annual Report both occurrences reported to district safety authorities of, and arrests for crimes that involve, hate violence and of non-criminal acts of hate violence.
