II. DISCIPLINARY ACTIONS FOR STUDENTS

Student conduct must conform to the standards established by the Board of Trustees. Violations
are subject to the following types of disciplinary actions. (These disciplinary actions are listed in
degree of severity, but not necessarily in sequential order. Disciplinary actions may be imposed
singly or in combination.)

A. WARNING - Verbal notice to the student that continuation or repetition of specific conduct
may be cause for other disciplinary action.

B. REPRIMAND - Written reprimand for violation of district rules, with copy to the student and
to the student disciplinary file. A reprimand admonishes the offender to avoid any future
infractions of district rules.

C. PROBATION - Probation is a disciplinary action which allows the offender to return to the
district with the understanding of expected appropriate future behavior. Probation may include exclusion of the individual(s) from extra-curricular district activities that would be set forth in the written notice of probation. The probation would be for a specified period of time and appropriate notice will be sent to any advisor(s) of student organization(s) involved. Any further violations of the Standards of Student Conduct during this probationary period will result in further, more serious disciplinary action against the offender.

D. RESTITUTION - Reimbursement by the offender(s) for damage(s) or for the misappropriation of district property may take the form of appropriate community service to repair or otherwise compensate for damage(s) or loss(es).

E. REMOVAL - An instructor or department administrator may remove a student from his or her class or departmental service for up to two days, and shall report all such action to the academic dean of the appropriate division and to the administrative designee responsible for student discipline.

The administrative designee responsible for student discipline may suspend privileges from that class, campus service, office, department, or the entire campus based upon the violation, for up to ten days.

During the period of the removal, the student shall not be returned to a class from which he or she was removed without the concurrence of the instructor and administrative designee responsible for student discipline; nor shall the student be returned to the service, department, office from which they were removed, or the campus, without concurrence of appropriate administrator.

If the student is a minor, the college president, or designee shall ask the parent or guardian to attend a conference regarding the removal as soon as possible, and if the parent so requests, the Dean of Student Affairs or designee at Santa Ana College or the Vice President of Student Services or designee at Santiago Canyon College shall attend (depending on the college).

F. WITHHOLDING DIPLOMA – The District may withhold a student’s diploma for a specified period of time and/or deny a student participation in commencement activities if the student has an allegation pending under AR 3425 Title IX (9) Sexual Harassment or as a sanction if the student is found responsible for an alleged violation.

G. REVOCATION OF DEGREE – The District reserves the right to revoke a degree previously awarded from the District for serious violations committed by a student prior to graduation.

H. SUSPENSION - The Board of Trustees, the chancellor or the chancellor's designee may suspend a student for good cause, as defined in Section I, A-V herein, for any of the following periods:

   (a) From one or more classes for less than the remainder of the school term.
   
   (b) From one or more classes for the remainder of the school term.
   
   (c) From all classes and activities of the college for up to two (2) academic years.
During the period of the suspension, the student is prohibited from being enrolled in or physically present on any campus of the district for the period of the suspension. The chancellor or designee may impose a lesser disciplinary sanction than suspension, including, but not limited to warning, reprimand, probation, restitution or ineligibility to participate in co-curricular activities or any combination of the listed options.

I. **EXPULSION** - Expulsion may be for good cause (refer to Section I, A-V), when other means of correction fail to bring about proper conduct, or when the presence of the student causes a continuing danger to the physical safety of the student or others.

III. **DUE PROCESS**

No student shall be suspended for more than ten days or expelled unless the conduct for which the student is being disciplined is related to college activity or attendance, and the student is afforded the right of due process.

The chancellor or designee shall, prior to the suspension or expulsion of any student, notify the appropriate law enforcement authorities of the county or city in which the college is situated of any acts of the student which may be in violation of Section 245 of the Penal Code. Violations of any law, ordinance, regulation, or rule regulating, or pertaining to, the parking of vehicles shall not be cause for suspension or expulsion. However, repeatedly ignoring or consistent violations of parking rules, regulations, laws or ordinances may result in vehicles being towed or loss of parking privileges.

During the due process investigation period and hearing, the designated investigating administrator may allow, disallow and/or select individuals who will be included in the process. For actions regarding minor students, parental notification and/or involvement is required.

A. **Suspension**
Any suspension of more than ten days must be accompanied by a due process hearing as outlined in Section IV of this policy.

Whenever a minor student is suspended from a college of the District, the parent or guardian shall be notified in writing by the chancellor, or a designee.

B. **Expulsion**
Only the Board of Trustees may expel a student. Expulsion shall be accompanied by a due process hearing as outlined in Section IV of this policy.

IV. **DUE PROCESS HEARING**

This section applies to due process hearings on conduct violations that are not addressed by the hearing process provided in AR 3425 Title IX (9) Sexual Harassment.

1. A student who is being considered for suspension or expulsion shall be afforded a due process hearing before a Disciplinary Hearing Board designated by the chancellor or the chancellor’s designee. The chancellor or designee shall provide that a reasonable opportunity for a hearing is afforded the student within ten days.
2. The Disciplinary Hearing Board shall be composed of the following individuals appointed by the chancellor or designee:

   1. RSCCD Student
   1. Administrator
   1. Faculty Member
   1. Classified Staff

3. The student shall be notified in writing at least two school days before the hearing of the following:

   (a) The time, date, and place set for the hearing;
   (b) The charges to be brought;
   (c) Documentary evidence that will be introduced at the hearing;
   (d) The right of the student to appear in person and present his or her position;
   (e) The right to cross-examine the district's witnesses if the witness(es) elect(s) to be present;
   (f) The right to present evidence or witness(es) on own behalf.
   (g) In cases of alleged sexual assault, technical rules of evidence shall not apply; no past sexual history may be introduced as part of the testimony, except that the past sexual history of the alleged victim shall be permitted if offered as evidence of the character or trait of character of the victim for the purposes described in California Evidence Code 1103.

4. The hearing board shall hear evidence and witnesses presented by the district and by the student. In the event the student for whom the hearing is held, or other key parties, is not present at the hearing, the Hearing Board will proceed without the individual(s). The Hearing Board shall render its recommendation to the College President on the evidence presented within two school days of the close of the hearing. The College President will review the recommendation within three days and render a decision to the Vice President of Student Services. The Vice President of Student Services or their designee will notify the student by certified mail of the outcome. If the recommendation is for suspension or expulsion, the student will be notified in writing of their right to appeal the decision to the Board of Trustees.

   Any request by the student to appeal the decision to the Board of Trustees must be made within forty-eight hours of receipt of the letter sent by the aforementioned administrator outlining the hearing board’s decision. If the decision supports a recommendation for expulsion, the suspension will continue until the Board of Trustees can hear the appeal.

   If the recommendation opposes suspension or expulsion, the recommendation shall be final, and, the chancellor or designee shall reinstate the student immediately to their status prior to the hearings.
The Board shall, unless a request has been made by the student for an open session, hold closed sessions under the following conditions:

(a) If the Board is considering the suspension or expulsion of the student.

(b) If a public hearing upon such question would lead to the giving of information concerning the student which would be in violation of Section 76243 of the Education Code.

5. Before calling such closed session, the chancellor or designee shall, in writing, by registered or certified mail, if the student is a minor notify the parent or guardian, or the student, if the student is an adult, of the intent of the Board to call and hold such closed session. Unless the student, or the student's parents (if the student is a minor) within forty-eight hours after receipt of such written notice, request in writing that the hearing be held in open session, the appeal shall be conducted in closed session. If such written request is served upon the clerk or secretary of the Board, the meeting shall be public except that any discussion at such meeting that might be in conflict with the right to privacy of any other student shall be in closed session. Whether the matter is considered at a closed session or open meeting, final action of the Board shall be taken at a public meeting and the result of such action shall be a public record of the district.

6. The appeal before the Board of Trustees shall be a review of the evidence presented to the Hearing Board, and an opportunity for both sides to present oral argument. No new evidence or witnesses will be heard unless the Board of Trustees so requests.

7. The decision of the Board of Trustees shall be final. Students expelled or suspended for more than one academic year from attendance at colleges or programs of the district shall be entitled to make an annual appeal to the Board of Trustees of the expulsion or suspension by written request directed to the Secretary of the Board that the matter be placed on the agenda of the Board of Trustees. Such appeals shall be conducted as provided in this policy.
