BP 6601 Facility Modification and New Construction

References:

Education Code 81130, 81132, 81133, 81142
California Code of Regulations - Title 24

The District Office of Facility Planning, District Construction and Support Services shall oversee, coordinate and approve all facility modifications and new construction to insure compliance with district standards, architectural specifications, and code compliance.

Efforts shall be made to schedule construction activities to minimize disruption of district service and classroom operations.

Facility modification is defined as any addition to, removal of, or alteration made to existing facilities. Maintenance funds are not intended for funding such projects. Separate procedures and funding shall be available for facility modifications and new construction.

The Governing Board shall review and approve facility modification and construction projects included in the facility modification and capital outlay process.
