Mr. Hernandez indicated he recently spoke with an individual who manages a California youth soccer league regarding developing programs at the colleges that may be of interest to participants of the league.

Ms. Barrios thanked the faculty for being respectful when voicing their concerns at the board meeting. She reported that after she met with FARSCCD representatives, she met with the chancellor, and plans to have more meetings in the future. She indicated that the district’s proposal to FARSCCD is a proposal, which is the starting point of negotiations. On behalf of the board, Ms. Barrios indicated that the board is committed to finding new ways to have new relationships and deal with the new realities that the district finds itself in.

Mr. Hanna explained to the new faculty members that closed session used to be near the beginning of the meeting but the board moved it towards the end of the meeting so staff that attend the meetings are not inconvenienced by waiting for closed session to end.

Mr. Hanna agreed with Ms. Barrios that the district’s proposal to FARSCCD is the beginning of negotiations and the end result should be what is best for the students. Mr. Hanna stated that the last time the board had to make difficult decisions to reduce costs, adjunct faculty and part-time classified staff were the ones most affected. He stated that the district currently has escalating costs that require increased productivity or new sources of income. He indicated staff is working with SAUSD and Unity MCHS, and creating the baccalaureate program in order to generate new income. Mr. Hanna reminded those in attendance that it was not a decision made by the board to upgrade the Orange Education Center to ADA standards; it is a requirement that the district is obligated to fulfill.

On behalf of the board, Mr. Hanna indicated that the board is committed to working with all bargaining units since it respects each employee and employee bargaining group.
