Independent Auditor's Report

To the Board of Directors
Santiago Canyon College Foundation

We have audited the accompanying statement of financial position of the Santiago Canyon College Foundation ("Foundation") as of June 30, 2006, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Foundation's 2005 financial statements and, in our report dated October 14, 2005, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foundation's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Santiago Canyon College Foundation as of June 30, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**SANTIAGO CANYON COLLEGE FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED JUNE 30, 2006**

NOTE 1 - ORGANIZATION

The Santiago Canyon College Foundation (“Foundation”) is a nonprofit organization, organized in July 1998, which operates as an auxiliary organization of the Rancho Santiago Community College District (District). The primary functions of the Foundation are to enhance and augment the mission of Santiago Canyon College (SCC). Its purpose is to seek, receive, and secure donations and gifts to assist the college in meeting its short and long-range goals and objectives.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Classification of Net Assets

The Foundation reports information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions, including unconditional promises to give, are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

Recognition of Donor Restricted Contributions

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash equivalents consist of cash in interest bearing bank accounts.

Investments

Investments are recorded at fair value.

Fixed Assets and Depreciation

Purchased assets are recorded at cost and donated assets are recorded at their fair market value when donated. Depreciation for equipment is computed on a straight-line basis over an estimated useful life of three to five years. The Foundation capitalizes all expenditures for equipment in excess of \$1,000.

Due to Organizations

The Foundation acts as a fiscal agent for organizations and groups of Santiago Canyon College.

Donated Assets, Services and Facilities

The Foundation records the value of services and facilities when there is an objective basis available to measure their value. Donated facilities are reflected as support in the accompanying statements at their fair market value of facilities for the year. Donated services are recorded at fair value when a specialized skill is provided that would have otherwise been purchased. Donated assets are not reflected in the accompanying statements since all donated assets are accepted by the Foundation on behalf of the SCC.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocations of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Foundation is a non-profit foundation exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and corresponding California provisions.
