AR 6605 Selection of Architects

Board Policy 6605 for selection of architects applies only to major capital outlay projects and may be waived by the Chancellor for minor remodeling and construction projects.

The Facility Planning Office develops the Request For Proposal (RFP) for architectural services and distributes this document to a list of three to eight firms, depending upon the scope of the project and input received from the Chancellor.

The Assistant Vice Chancellor, Facility Planning, District Construction and Support Services evaluates each proposal according to the criteria noted in BP 6605.

The Assistant Vice Chancellor, Facility Planning, District Construction and Support Services provides a recommendation to the Chancellor.
